**Research Analysis**

The CS to HB 3144 provides that a governmental entity may not enter into a contract with a company for the purchase of goods or services unless the contract contains a written verification from the company that it does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association. This requirement does not apply to governmental entity contracts with sole-source providers or to a governmental entity that does not receive a bid from a company that is able to provide written verification.
