**Research Analysis**

SB 1252 updates statutory language relating to “customer service representative” and “insurance consultant,” in the Oklahoma Producer Licensing Act by requiring these designations to be licensed as an insurance producer. The measure also strikes language requiring the application for a customer service representative license or license renewal to be accompanied by a written appointment signed by the insurance agent or broker who will supervise the customer service representative. The measure strikes the insurance consultant and customer service representative license fees. The act updates all statutory references of insurance consultant and customer service representative to reflect current law.

The measure repeals 36 O.S. 2021, Section 1435.24, Section 1435.30, and Section 1435.31.
