Research Analysis

SB 1315 implements adoption leave for school district employees in addition to maternity leave. If both adoptive parents are employed by the same school district, State Department of Rehabilitation Services facility, Department of Corrections facility, or Office of Juvenile Affairs facility, the two employees may split the six weeks of leave.

The measure also removes minimum work requirements employees must complete to qualify for maternity leave and prohibits the State Board of Education from transferring more than \$4 million per fiscal year to the Public School Paid Maternity and Adoption Leave Revolving Fund.
