Bill No.:	SB 1341
Version:	INT
Request No.:	3128
Author:	Sen. Dahm
Date:	01/18/2022

Bill Analysis

SB 1341 prohibits any public officer or employees of said officer from using public monies to advocate or promote gun control policies. They may distribute any kit, pamphlet, booklet, publication, electronic communication, or radio, television, or video presentation to advocate for gun control nor may they pay the salary or expenses of any grant or contract recipient or agent a promoting gun control. Additionally, such persons may not use public monies to advocate for any tax increase relating to gun control policy as well as any proposed, pending, or future requirement or restriction on any legal consumer product including the sale and marketing of the legal consumer product relating to the advocacy or promotion of gun control policy.
