

**Bill Summary**  
2<sup>nd</sup> Session of the 59<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1420</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>3245</b>
<b>Author:</b>	<b>Sen. Rosino</b>
<b>Date:</b>	<b>12/18/2023</b>

**Bill Analysis**

SB 1420 specifies treatment to be offered to individuals diagnosed with an intellectual or developmental disability as it relates to the Medicaid state plan. Treatment shall consist of evidence-based care and related equipment prescribed or ordered for an individual diagnosed with an intellectual or developmental disability. Current law provides for such treatment to be provided to individuals with autism spectrum disorder.
