Bill No.:	SB 1440
Version:	INT
Author:	Sen. Jech
Date:	02/09/2022

Fiscal Analysis

SB 1440 increases the annual registration fee for manufacturers of controlled substances from \$500.00 to \$2,500.00. Over the next 3-5 years MMJ Manufacturers (grows) are expected to stabilize at around 3,000 to 3,500. OBNDD anticipates it will generate around \$7.5 mil to \$8.5 mil annually, which will cover the cost to fund the 40-50 members of the MET Enforcement and Inspection Unit created to assist OMMA with illegal marijuana grows and allows OBNDD to move away from relying on OMMA MOU agreements. Due to the effective date of the bill falling after the renewal period much of the revenue generated won't be realized until October 2023.
