

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	SB1639
Version:	HASB1
Request Number:	10787
Author:	Rep. Pae/Sen. Prieto
Date:	4/1/2024
Impact:	Please see previous summary of this measure

Research Analysis

The House committee substitute for SB 1639 modifies the definition of "kratom product" as a specific type of kratom leaf extract that is free from any artificially created kratom compounds or their byproducts.

The product must contain less than one percent of 7-hydroxymitragynine compared to the total kratom alkaloid content, as verified by high-performance liquid chromatography testing.
