

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1891
Version:	INT
Request No.	2370
Author:	Sen. Standridge
Date:	01/24/2024

Bill Analysis

SB 1891 prohibits the amendment of a certificate of birth to change the biological sex designation of a person without an independently verified sex chromosome test whose results match the gender or biological sex the person is seeking change to or for which the person is seeking recognition. This shall not apply to persons with certain conditions or a biochemically verifiable disorder of sex development (DSD).
