

**Bill Summary**  
2<sup>nd</sup> Session of the 59<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1923</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.</b>	<b>2809</b>
<b>Author:</b>	<b>Sen. Alvord</b>
<b>Date:</b>	<b>01/25/2024</b>

**Bill Analysis**

SB 1923 redesignates the area set aside on roads for pedestrian use from safety zone to pedestrian refuge. The measure also provides for symbols to be used in the Walk and Don't Walk lights for crossings. The measure strikes language providing that a car may only use the center lane in a 3-lane highway when overtaking a vehicle.
