Bill Analysis

SB 318 modifies eligibility requirements to claim the sales tax exemption relating to service organizations of mothers who have children who are serving or who have served in the military. The measure removes the restriction for the exemption to only apply to goods actually sent to United States military personnel overseas and instead allows the exemption to be claimed for any good intended to be sent overseas. Additionally, the measure applies the exemption to sales tax levied by cities, towns, counties, and other jurisdictions.
