

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 321
Version:	INT
Request No.:	2
Author:	Sen. Haste
Date:	01/08/2021

Bill Analysis

SB 321 states that any attempt by an online business to direct a consumer to a third-party website to complete a financial transaction without his or her knowledge shall constitute a deceptive trade practice. Any redirects to third-party websites must be accompanied by the statement "You are being redirected to a third-party website that (is/is not) (associated/affiliated) with this business."
