

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 373
Version:	INT
Request No.:	1147
Author:	Sen. Garvin
Date:	01/16/2023

Bill Analysis

SB 373 creates and specifies the liability limit for nuisance claims arising from sewer backflow floods, sewer backups, wastewater floods, or other sewer or water main breaks as it relates to the Governmental Tort Claims Act. The amount is set at \$50,000.00 or twice the documented medical expenses if the claimant alleges actual physical injury.
