Bill No.:	SB 390
Version:	CS
Request No.:	1818
Author:	Sen. Alvord
Date:	02/14/2023

Bill Analysis

SB 390 creates a sales tax exemption for any 501(c)(3) organization that is primarily engaged in strengthening emergency response to natural and man-made disasters at the local, state, and national level through the provision of highly trained search and rescue canines and first responder team training. The CS requires the organization to offer training sufficient to pass the Federal Emergency Management Agency Certification Examination equivalent, the State Urban Search and Rescue Alliance's Disaster Search Canine Evaluation Process or its equivalent, or be a member in good standing with Oklahoma Urban Search and Rescue Task Force One.
