Bill Analysis

SB 4 strikes language specifying that the Oklahoma Tourism and Recreation Commission shall serve in an advisory capacity to the Executive Director of the Oklahoma Tourism and Recreation Department. Additionally, the measure restores the Commission's duties and powers transferred to the Executive Director in 2019. The measure removes language providing for each member to serve at the pleasure of the Governor and stipulates that members of the Commission may only be removed for cause. The Commission is also empowered by the measure to establish the salary of the Executive Director.
