

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 469
Version:	INT
Request No.:	474
Author:	Sen. Hicks
Date:	01/20/2021

Bill Analysis

SB 469 directs the Oklahoma Health Care Authority to provide Medicaid coverage for medically necessary pasteurized donor human milk in both a hospital setting and a home setting. A practitioner must sign an order stating that the child is unable to medically or physically unable to receive maternal breast milk or the mother is unable to produce maternal breast milk prior to the recipient receiving coverage. The Authority is directed to seek federal approval as needed to implement the provisions of the measure.
