Fiscal Analysis

SB 86 authorizes the Board of Regents of Oklahoma Colleges, also known as the Regional University System of Oklahoma (RUSO), to issue special and limited obligations on behalf of institutions RUSO manages and supervises. It expresses legislative intent that RUSO be authorized to participate in the issuance of obligations pursuant to the Oklahoma Higher Education Promise of Excellence Act of 2005. The authorization itself has no direct impact, that will occur if and when obligations are issued and the impact will depend on the structure of the issue and market conditions at the time of issuance.
