

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 958
Version:	INT
Request No.:	1502
Author:	Sen. Kidd
Date:	01/30/2023

Bill Analysis

SB 958 authorizes Certified Registered Nurse Anesthetists to practice or offer to practice interventional pain management provided they hold a valid certification in Nonsurgical Pain Management from the National Board of Certification and Recertification for Nurse Anesthetists and practices. Such persons may not practice surgical techniques relating to interventional pain management.
