A review hearing may be held concurrently with a permanency hearing.

2. When the Department of Human Services has documented a compelling reason why a petition to terminate parental rights to a child is not in the best interests of the child that is based upon a consideration that the child is presently not capable of functioning in a family setting, the court shall reevaluate the status of the child every ninety (90) days until there is a final determination that the child cannot be placed in a family setting.

3. At any time during the pendency of the case, any party may request the court to review the case. If granted, the requesting party shall serve notice on all parties of the date and time of the hearing.

- e. whether the terms of visitation need to be modified, including the visitation with siblings if separated,
- f. the time frame that should be followed to achieve reunification or other permanent plan for the child,
- g. whether reasonable efforts have been made to provide for the safe return of the child to the child's own home. If the court determines or has previously determined that reasonable efforts are not required pursuant to the provisions of Section 1-4-809 of this title, or that continuation of reasonable efforts to reunite the child with the child's family is inconsistent with the permanency plan for the child, the court shall determine if reasonable efforts are being made to place the child in a timely manner in

accordance with the permanency plan and determine the steps necessary to finalize permanency for the child,

- h. where appropriate, when the child is ~~sixteen (16)~~ fourteen (14) years of age or older, whether services are being provided that will assist the child in making the transition from foster care to ~~independent living~~ a successful adulthood. - j. whether, in accordance with the safety or well-being of any child, reasonable efforts have been made to:
 - (1) place siblings, who have been removed, together in the same foster care, guardianship, or adoptive placement, and
 - (2) provide for frequent visitation or other ongoing interaction in the case of siblings who have been removed and who are not placed together, and
- k. whether, during the ninety-day period immediately prior to the date on which the child in the custody of the Department will attain eighteen (18) years of age, the Department and, as appropriate, other representatives of the child are providing the child with assistance and support in developing an appropriate transition plan that is personalized at the direction of the child, that includes specific options on housing, health insurance, education, local opportunities for mentors and continuing support services, and work force supports and employment services, and is as detailed as the child may elect;

2. Consider in-state and out-of-state placement options for the child; and

3. Determine the safety of the child and consider fully all relevant prior and current information including, but not limited to, the report or reports submitted pursuant to Sections 1-4-805 and 1-4-808 of this title.

E. In making its findings, the court shall consider the following:

1. Whether compliance with the individualized service plan has occurred, including whether the Department has provided care that is consistent with the health, safety, and educational needs of the child while in an out-of-home placement;

2. Whether the Department is taking appropriate steps to ensure that the foster family follows the reasonable and prudent parent standard and whether the child has regular opportunities to engage in age-appropriate or developmentally appropriate activities;

a. six (6) months after placing the child in out-of-home placement and every six (6) months thereafter, and

- b. thirty (30) days after a determination by the court that reasonable efforts to return a child to either parent are not required pursuant to the provisions of Section 1-4-809 of this title.

2. A child shall be considered to have entered out-of-home placement on the earlier of:

- a. the adjudication date, or
- b. the date that is sixty (60) days after the date on which the child is removed from the home.

D. At the hearing, the court shall determine or review the continued appropriateness of the permanency plan of the child and whether a change in the plan is necessary~~+~~, the date by which the goal of permanency for the child is scheduled to be achieved, and whether the current placement of the child continues to be the most suitable for the health, safety, and welfare of the child. The court shall also, in an age-appropriate manner, inquire or cause inquiry to be made of the child regarding the proposed permanency plan and if the child is age ~~sixteen (16)~~ fourteen (14) or older, the independent living plan planning for the transition of the child to a successful adulthood.

E. A transcript shall be made of each permanency hearing or the proceeding shall be memorialized by appropriate written findings of facts, and the court having considered all relevant information shall order one of the following permanency plans for the child:

 - (1) ask the child about the permanency outcome the child desires, and
 - (2) make a judicial determination, as of the date of the hearing, why a planned alternative permanent placement is the best permanency plan for the child and provide compelling reasons why it continues to not be in the best interests of the child to return home or be placed for adoption with a legal guardian or with a fit and willing relative.

F. In addition to the findings required under subsection E of this section, the court shall also make written findings related to:

1. Whether the Department has made reasonable efforts to finalize the permanency plan that is in effect for the child and a summary of the efforts the Department has made; or, in the case of

an Indian child, whether the Department has made active efforts to provide remedial services and rehabilitative programs as required by 25 U.S.C., Section 1912(d);

2. If the permanency plan is for the child to remain in out-of-home care, whether the child's out-of-home placement continues to be appropriate and in the best interests of the child;

- a. place siblings, who have been removed, together in the same foster care, guardianship, or adoptive placement, and
- b. provide for frequent visitation or other ongoing interaction in the case of siblings who have been removed and who are not placed together.

G. The court may make appropriate orders to ensure timely implementation of the permanency plan and shall order the plan to be accomplished within a specified period of time.
