BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

1           SECTION 1.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 2367.1 of Title 68, unless there  
3 is created a duplication in numbering, reads as follows:

4           As used in this act:

5           A. "Person" means any individual, firm, partnership, general  
6 partner of a partnership, limited liability company, registered  
7 limited liability partnership, foreign limited liability  
8 partnership, association, corporation whether or not the corporation  
9 is, or would be if doing business in this state, subject to the  
10 Oklahoma Income Tax Act, company, syndicate, estate, trust, business  
11 trust, trustee, trustee in bankruptcy, receiver, executor,  
12 administrator, assignee or organization of any kind.

13           B. "Taxpayer" means any person subject to a tax imposed by  
14 Section 2355 of Title 68 of the Oklahoma Statutes, or whose income  
15 is, in whole or in part, subject to a tax imposed by any provision  
16 of Section 2355 of Title 68 of the Oklahoma Statutes.

17           C. "Corporation" means any corporation as defined by the laws  
18 of this state or organization of any kind treated as a corporation  
19 for tax purposes under the laws of this state, wherever located,  
20 which if it were doing business in this state would be a "taxpayer".  
21 The business conducted by a partnership which is directly or  
22 indirectly held by a corporation shall be considered the business of  
23 the corporation to the extent of the corporation's distributive  
24

1 share of the partnership income, inclusive of guaranteed payments to  
2 the extent prescribed by rule.

3 D. "Partnership" means a general or limited partnership, or  
4 organization of any kind treated as a partnership for tax purposes  
5 under the laws of this state.

6 E. "Unitary business" means a single economic enterprise that  
7 is made up either of separate parts of a single business entity or  
8 of a commonly controlled group of business entities that are  
9 sufficiently interdependent, integrated and interrelated through  
10 their activities so as to provide a synergy and mutual benefit that  
11 produces a sharing or an exchange of value among them and a  
12 significant flow of value to the separate parts.

13 F. "Combined group" means the group of all persons whose income  
14 and apportionment factors are required to be taken into account  
15 pursuant to subsection A or subsection B of Section 2 of this act in  
16 determining the taxpayer's share of the net business income or loss  
17 apportionable to this state.

18 G. "United States" means the fifty (50) states of the United  
19 States, the District of Columbia and United States territories and  
20 possessions.

21 H. "Tax haven" means a jurisdiction that, during the tax year  
22 in question has no or nominal effective tax on the relevant income  
23 and:

24

1           1. Has laws or practices that prevent effective exchange of  
2 information for tax purposes with other governments on taxpayers  
3 benefiting from the tax regime;

4           2. Has a tax regime which lacks transparency. A tax regime  
5 lacks transparency if the details of legislative, legal or  
6 administrative provisions are not open and apparent or are not  
7 consistently applied among similarly situated taxpayers, or if the  
8 information needed by tax authorities to determine a taxpayer's  
9 correct tax liability, such as accounting records and underlying  
10 documentation, is not adequately available;

11          3. Facilitates the establishment of foreign-owned entities  
12 without the need for a local substantive presence or prohibits these  
13 entities from having any commercial impact on the local economy;

14          4. Explicitly or implicitly excludes the jurisdiction's  
15 resident taxpayers from taking advantage of the tax regime's  
16 benefits or prohibits enterprises that benefit from the regime from  
17 operating in the jurisdiction's domestic market; or

18          5. Has created a tax regime which is favorable for tax  
19 avoidance, based upon an overall assessment of relevant factors,  
20 including whether the jurisdiction has a significant untaxed  
21 offshore financial/other services sector relative to its overall  
22 economy.

1 SECTION 2. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 2367.2 of Title 68, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. A taxpayer engaged in a unitary business with one or more  
5 other corporations shall file a combined report which includes the  
6 income, determined under subsection D of Section 3 of this act, and  
7 apportionment factors, determined under provisions on apportionment  
8 factors and subsection C of Section 3 of this act, of all  
9 corporations that are members of the unitary business, and such  
10 other information as required by the Tax Commission.

11 B. The Tax Commission may, by rule, require the combined report  
12 include the income and associated apportionment factors of any  
13 persons that are not included pursuant to subsection A of this  
14 section, but that are members of a unitary business, in order to  
15 reflect proper apportionment of income of entire unitary businesses.  
16 Authority to require combination by rule under this section includes  
17 authority to require combination of persons that are not, or would  
18 not be if doing business in this state, subject to the provisions of  
19 the Oklahoma Income Tax Act. In addition, if the Commission  
20 determines that the reported income or loss of a taxpayer engaged in  
21 a unitary business with any person not included pursuant to  
22 subsection A of this section represents an avoidance or evasion of  
23 tax by such taxpayer, the Commission may, on a case by case basis,  
24 require all or any part of the income and associated apportionment

1 factors of such person be included in the taxpayer's combined  
2 report.

3 C. With respect to inclusion of associated apportionment  
4 factors pursuant to subsection B of this section, the Commission may  
5 require the exclusion of any one or more of the factors, the  
6 inclusion of one or more additional factors which will fairly  
7 represent the taxpayer's business activity in this state or the  
8 employment of any other method to effectuate a proper reflection of  
9 the total amount of income subject to apportionment and an equitable  
10 allocation and apportionment of the taxpayer's income.

11 SECTION 3. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 2367.3 of Title 68, unless there  
13 is created a duplication in numbering, reads as follows:

14 A. Each taxpayer member is responsible for tax based on its  
15 taxable income or loss apportioned or allocated to this state, which  
16 shall include:

17 1. Its share of any business income apportionable to this state  
18 of each of the combined groups of which it is a member, determined  
19 under subsection B of this section;

20 2. Its share of any business income apportionable to this state  
21 of a distinct business activity conducted within and without the  
22 state wholly by the taxpayer member, determined under Section 2358  
23 of Title 68 of the Oklahoma Statutes;

24

1           3. Its income from a business conducted wholly by the taxpayer  
2 member entirely within this state;

3           4. Its income sourced to this state from the sale or exchange  
4 of capital or assets, and from involuntary conversions, as  
5 determined under subparagraph g of paragraph 2 of subsection D of  
6 this section;

7           5. Its non-business income or loss allocable to this state,  
8 determined under the provisions for allocation of non-business  
9 income;

10          6. Its income or loss allocated or apportioned in an earlier  
11 year, required to be taken into account as state source income  
12 during the income year, other than a net operating loss; and

13          7. Its net operating loss carryover or carryback. If the  
14 taxable income computed pursuant to this section results in a loss  
15 for a taxpayer member of the combined group, that taxpayer member  
16 has an Oklahoma net operating loss, subject to the net operating  
17 loss limitations, carryforward and carryback provisions of Section  
18 2358 of Title 68 of the Oklahoma Statutes. Such net operating loss  
19 is applied as a deduction in a prior or subsequent year only if that  
20 taxpayer has Oklahoma source positive net income, whether or not the  
21 taxpayer is or was a member of a combined reporting group in the  
22 prior or subsequent year.

23          B. Except where otherwise provided, no tax credit or post-  
24 apportionment deduction earned by one member of the group, but not

1 fully used by or allowed to that member, may be used in whole or in  
2 part by another member of the group or applied in whole or in part  
3 against the total income of the combined group; and a post-  
4 apportionment deduction carried over into a subsequent year as to  
5 the member that incurred it, and available as a deduction to that  
6 member in a subsequent year, will be considered in the computation  
7 of the income of that member in the subsequent year, regardless of  
8 the composition of that income as apportioned, allocated or wholly  
9 within this state.

10 C. The taxpayer's share of the business income apportionable to  
11 this state of each combined group of which it is a member shall be  
12 the product of:

13 1. The business income of the combined group, determined under  
14 subsection D of this section; and

15 2. The taxpayer member's apportionment percentage, determined  
16 under provisions of Section 2358 of Title 68 of the Oklahoma  
17 Statutes on apportionment factors, including in the property,  
18 payroll and sales factor numerators the taxpayer's property, payroll  
19 and sales, respectively, associated with the combined group's  
20 unitary business in this state, and including in the denominator the  
21 property, payroll and sales of all members of the combined group,  
22 including the taxpayer, which property, payroll and sales are  
23 associated with the combined group's unitary business wherever  
24 located. The property, payroll and sales of a partnership shall be

1 included in the determination of the partner's apportionment  
2 percentage in proportion to a ratio the numerator of which is the  
3 amount of the partner's distributive share of the partnership's  
4 unitary income included in the income of the combined group in  
5 accordance with subparagraph c of paragraph 2 of subsection D of  
6 this section and the denominator of which is the amount of the  
7 partnership's total unitary income.

8 D. The business income of a combined group is determined as  
9 follows:

10 1. From the total income of the combined group, determined  
11 under paragraph 2 of this subsection, subtract any income, and add  
12 any expense or loss, other than the business income, expense or loss  
13 of the combined group;

14 2. Except as otherwise provided, the total income of the  
15 combined group is the sum of the income of each member of the  
16 combined group determined under federal income tax laws, as adjusted  
17 for state purposes, as if the member were not consolidated for  
18 federal purposes. The income of each member of the combined group  
19 shall be determined as follows:

20 a. For any member incorporated in the United States, or  
21 included in a consolidated federal corporate income  
22 tax return, the income to be included in the total  
23 income of the combined group shall be the taxable  
24 income for the corporation after making appropriate

1 adjustments under Section 2358 of Title 68 of the  
2 Oklahoma Statutes.

3 b. (1) For any member not included in subparagraph a of  
4 this paragraph, the income to be included in the  
5 total income of the combined group shall be  
6 determined as follows:

7 (a) A profit and loss statement shall be  
8 prepared for each foreign branch or  
9 corporation in the currency in which the  
10 books of account of the branch or  
11 corporation are regularly maintained.

12 (b) Adjustments shall be made to the profit and  
13 loss statement to conform it to the  
14 accounting principles generally accepted in  
15 the United States for the preparation of  
16 such statements except as modified by this  
17 rule.

18 (c) Adjustments shall be made to the profit and  
19 loss statement to conform it to the tax  
20 accounting standards required by the  
21 Oklahoma Income Tax Act.

22 (d) Except as otherwise provided by rule, the  
23 profit and loss statement of each member of  
24 the combined group and the apportionment

1 factors related thereto, whether United  
2 States or foreign, shall be translated into  
3 the currency in which the parent company  
4 maintains its books and records.

5 (e) Income apportioned to this state shall be  
6 expressed in United States dollars.

7 (2) In lieu of the procedures set forth in division  
8 (1) of this subparagraph, and subject to the  
9 determination of the Commission that it  
10 reasonably approximates income as determined  
11 under the Oklahoma Income Tax Act, any member not  
12 included in subparagraph a of this paragraph may  
13 determine its income on the basis of the  
14 consolidated profit and loss statement which  
15 includes the member and which is prepared for  
16 filing with the Securities and Exchange  
17 Commission by related corporations. If the  
18 member is not required to file with the  
19 Securities and Exchange Commission, the  
20 Commission may allow the use of the consolidated  
21 profit and loss statement prepared for reporting  
22 to shareholders and subject to review by an  
23 independent auditor. If above statements do not  
24 reasonably approximate income as determined under

1                   the Oklahoma Income Tax Act, the Commission may  
2                   accept those statements with appropriate  
3                   adjustments to approximate that income.

4           c.    If a unitary business includes income from a  
5               partnership, the income to be included in the total  
6               income of the combined group shall be the member of  
7               the combined group's direct and indirect distributive  
8               share of the partnership's unitary business income.

9           d.    All dividends paid by one to another of the members of  
10               the combined group shall, to the extent those  
11               dividends are paid out of the earnings and profits of  
12               the unitary business included in the combined report,  
13               in the current or an earlier year, be eliminated from  
14               the income of the recipient. This provision shall not  
15               apply to dividends received from members of the  
16               unitary business which are not a part of the combined  
17               group.

18           e.    Except as otherwise provided by rule, business income  
19               from an intercompany transaction between members of  
20               the same combined group shall be deferred in a manner  
21               similar to 26 CFR 1.1502-13. Upon the occurrence of  
22               any of the following events, deferred business income  
23               resulting from an intercompany transaction between  
24               members of a combined group shall be restored to the

1 income of the seller and shall be apportioned as  
2 business income earned immediately before the event:

3 (1) the object of a deferred intercompany transaction  
4 is:

5 (a) re-sold by the buyer to an entity that is  
6 not a member of the combined group,

7 (b) re-sold by the buyer to an entity that is a  
8 member of the combined group for use outside  
9 the unitary business in which the buyer and  
10 seller are engaged, or

11 (c) converted by the buyer to a use outside the  
12 unitary business in which the buyer and  
13 seller are engaged, or

14 (2) the buyer and seller are no longer members of the  
15 same combined group, regardless of whether the  
16 members remain unitary.

17 f. A charitable expense incurred by a member of a  
18 combined group shall, to the extent allowable as a  
19 deduction pursuant to Internal Revenue Code Section  
20 170, be subtracted first from the business income of  
21 the combined group (subject to the income limitations  
22 of that section applied to the entire business income  
23 of the group), and any remaining amount shall then be  
24 treated as a nonbusiness expense allocable to the

1 member that incurred the expense (subject to the  
2 income limitations of that section applied to the  
3 nonbusiness income of that specific member). Any  
4 charitable deduction disallowed under the foregoing  
5 rule, but allowed as a carryover deduction in a  
6 subsequent year, shall be treated as originally  
7 incurred in the subsequent year by the same member,  
8 and the rules of this section shall apply in the  
9 subsequent year in determining the allowable deduction  
10 in that year.

11 g. Gain or loss from the sale or exchange of capital  
12 assets, property described by Internal Revenue Code  
13 Section 1231(a)(3) and property subject to an  
14 involuntary conversion shall be removed from the total  
15 separate net income of each member of a combined group  
16 and shall be apportioned and allocated as follows:

17 (1) For each class of gain or loss (short term  
18 capital, long term capital, Internal Revenue Code  
19 Section 1231 and involuntary conversions) all  
20 members' business gain and loss for the class  
21 shall be combined (without netting between such  
22 classes), and each class of net business gain or  
23 loss separately apportioned to each member using  
24

1 the member's apportionment percentage determined  
2 under subsection C of this section.

3 (2) Each taxpayer member shall then net its  
4 apportioned business gain or loss for all  
5 classes, including any such apportioned business  
6 gain and loss from other combined groups, against  
7 the taxpayer member's nonbusiness gain and loss  
8 for all classes allocated to this State, using  
9 the rules of Internal Revenue Code Sections 1231  
10 and 1222, without regard to any of the taxpayer  
11 member's gains or losses from the sale or  
12 exchange of capital assets, Section 1231 property  
13 and involuntary conversions which are nonbusiness  
14 items allocated to another state.

15 (3) Any resulting state source income (or loss, if  
16 the loss is not subject to the limitations of  
17 Internal Revenue Code Section 1211) of a taxpayer  
18 member produced by the application of the  
19 preceding subsections shall then be applied to  
20 all other state source income or loss of that  
21 member.

22 (4) Any resulting state source loss of a member that  
23 is subject to the limitations of Section 1211  
24 shall be carried forward or carried back by that

1 member, and shall be treated as state source  
2 short-term capital loss incurred by that member  
3 for the year for which the carryover or carryback  
4 applies.

5 h. Any expense of one member of the unitary group which  
6 is directly or indirectly attributable to the  
7 nonbusiness or exempt income of another member of the  
8 unitary group shall be allocated to that other member  
9 as corresponding nonbusiness or exempt expense, as  
10 appropriate.

11 SECTION 4. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 2367.4 of Title 68, unless there  
13 is created a duplication in numbering, reads as follows:

14 As a filing convenience, and without changing the respective  
15 liability of the group members, members of a combined reporting  
16 group may annually elect to designate one taxpayer member of the  
17 combined group to file a single return in the form and manner  
18 prescribed by the Tax Commission, in lieu of filing their own  
19 respective returns, provided that the taxpayer designated to file  
20 the single return consents to act as surety with respect to the tax  
21 liability of all other taxpayers properly included in the combined  
22 report, and agrees to act as agent on behalf of those taxpayers for  
23 the year of the election for tax matters relating to the combined  
24 report for that year. If for any reason the surety is unwilling or

1 unable to perform its responsibilities, tax liability may be  
2 assessed against the taxpayer members.

3 SECTION 5. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 2367.5 of Title 68, unless there  
5 is created a duplication in numbering, reads as follows:

6 A. Taxpayer members of a unitary group that meet the  
7 requirements of subsection B of this section may elect to determine  
8 each of their apportioned shares of the net business income or loss  
9 of the combined group pursuant to a water's-edge election. Under  
10 such election, taxpayer members shall take into account all or a  
11 portion of the income and apportionment factors of only the  
12 following members otherwise included in the combined group pursuant  
13 to Section 2 of this act, as described below:

14 1. The entire income and apportionment factors of any member  
15 incorporated in the United States or formed under the laws of any  
16 state, the District of Columbia or any territory or possession of  
17 the United States;

18 2. The entire income and apportionment factors of any member,  
19 regardless of the place incorporated or formed, if the average of  
20 its property, payroll and sales factors within the United States is  
21 twenty percent (20%) or more;

22 3. The entire income and apportionment factors of any member  
23 which is a domestic international sales corporation as described in  
24 Internal Revenue Code Sections 991 to 994, inclusive; or any member

1 which is an export trade corporation, as described in Internal  
2 Revenue Code Sections 970 to 971, inclusive;

3 4. Any member not described in paragraphs 1 through 3 of this  
4 subsection, inclusive, shall include the portion of its income  
5 derived from or attributable to sources within the United States, as  
6 determined under the Internal Revenue Code without regard to federal  
7 treaties, and its apportionment factors related thereto;

8 5. Any member that is a "controlled foreign corporation", as  
9 defined in Internal Revenue Code Section 957, to the extent of the  
10 income of that member that is defined in Section 952 of Subpart F of  
11 the Internal Revenue Code ("Subpart F income") not excluding lower-  
12 tier subsidiaries' distributions of such income which were  
13 previously taxed, determined without regard to federal treaties, and  
14 the apportionment factors related to that income; any item of income  
15 received by a controlled foreign corporation shall be excluded if  
16 such income was subject to an effective rate of income tax imposed  
17 by a foreign country greater than ninety percent (90%) of the  
18 maximum rate of tax specified in Internal Revenue Code Section 11;

19 6. Any member that earns more than twenty percent (20%) of its  
20 income, directly or indirectly, from intangible property or service-  
21 related activities that are deductible against the business income  
22 of other members of the combined group, to the extent of that income  
23 and the apportionment factors related thereto; and

24

1           7. The entire income and apportionment factors of any member  
2 that is doing business in a tax haven, where "doing business in a  
3 tax haven" is defined as being engaged in activity sufficient for  
4 that tax haven jurisdiction to impose a tax under United States  
5 constitutional standards. If the member's business activity within  
6 a tax haven is entirely outside the scope of the laws, provisions  
7 and practices that cause the jurisdiction to meet the criteria  
8 established in Section 1 of this act, the activity of the member  
9 shall be treated as not having been conducted in a tax haven.

10           B. 1. A water's-edge election is effective only if made on a  
11 timely filed, original return for a tax year by every member of the  
12 unitary business subject to tax under the Oklahoma Income Tax Act.  
13 The Tax Commission shall develop rules governing the impact, if any,  
14 on the scope or application of a water's-edge election, including  
15 termination or deemed election, resulting from a change in the  
16 composition of the unitary group, the combined group, the taxpayer  
17 members and any other similar change.

18           2. Such election shall constitute consent to the reasonable  
19 production of documents and taking of depositions in accordance with  
20 provisions of Title 12 of the Oklahoma Statutes.

21           3. In the discretion of the Commission, a water's-edge election  
22 may be disregarded in part or in whole, and the income and  
23 apportionment factors of any member of the taxpayer's unitary group  
24 may be included in the combined report without regard to the

1 provisions of this section if any member of the unitary group fails  
2 to comply with any provision of this act or if a person otherwise  
3 not included in the water's-edge combined group was availed of with  
4 a substantial objective of avoiding state income tax.

5 4. A water's-edge election is binding for and applicable to the  
6 tax year it is made and all tax years thereafter for a period of ten  
7 (10) years. It may be withdrawn or reinstated after withdrawal,  
8 prior to the expiration of the ten-year year period, only upon  
9 written request for reasonable cause based on extraordinary hardship  
10 due to unforeseen changes in state tax statutes, law or policy, and  
11 only with the written permission of the Commission. If the  
12 Commission grants a withdrawal of election, the Commission shall  
13 impose reasonable conditions as necessary to prevent the evasion of  
14 tax or to clearly reflect income for the election period prior to or  
15 after the withdrawal. Upon the expiration of the ten-year period, a  
16 taxpayer may withdraw from the water's-edge election. Such  
17 withdrawal must be made in writing within one year of the expiration  
18 of the election and is binding for a period of ten (10) years,  
19 subject to the same conditions as applied to the original election.  
20 If no withdrawal is properly made, the water's-edge election shall
