12 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

13 SECTION 1. AMENDATORY Section 1, Chapter 230, O.S.L.
14 2016 (36 O.S. Supp. 2016, Section 6060.21), is amended to read as

21 ~~individual is not diagnosed or treated until after three (3) years~~
22 ~~of age, coverage shall be provided for at least six (6) years,~~
23 ~~provided that the individual continually and consistently shows~~
24 ~~sufficient progress and improvement as determined by the health care~~

1 ~~provider~~. No insurer shall terminate coverage, or refuse to
2 deliver, execute, issue, amend, adjust or renew coverage to an
3 individual solely because the individual is diagnosed with or has
4 received treatment for an autism spectrum disorder.

5 B. Except as provided in subsection E of this section, coverage
6 under this section shall not be subject to any limits on the number
7 of visits an individual may make for treatment of autism spectrum
8 disorder.

9 C. Coverage under this section shall not be subject to dollar
10 limits, deductibles or coinsurance provisions that are less
11 favorable to an insured than the dollar limits, deductibles or
12 coinsurance provisions that apply to substantially all medical and
13 surgical benefits under the health benefit plan, except as otherwise
14 provided in subsection E of this section.

15 D. This section shall not be construed as limiting benefits
16 that are otherwise available to an individual under a health benefit
17 plan.

18 E. Coverage for applied behavior analysis shall be subject to a
19 maximum benefit of twenty-five (25) hours per week and no more than
20 Twenty-five Thousand Dollars (\$25,000.00) per year. Beginning
21 January 1, 2018, the Oklahoma Insurance Commissioner shall, on an
22 annual basis, adjust the maximum benefit for inflation by using the
23 Medical Care Component of the United States Department of Labor
24 Consumer Price Index for All Urban Consumers (CPI-U). The

1 Commissioner shall submit the adjusted maximum benefit for
2 publication annually before January 1, 2018, and before the first
3 day of January of each calendar year thereafter, and the published
4 adjusted maximum benefit shall be applicable in the following
5 calendar year to the Oklahoma Employees Health Insurance Plan and

7 insurer on behalf of a covered individual for treatment other than
8 applied behavior analysis shall not be applied toward any maximum
9 benefit established under this section.

10 F. Coverage for applied behavior analysis shall include the
11 services of the board-certified behavior analyst or a licensed
12 doctoral-level psychologist.

13 G. Except for inpatient services, if an insured is receiving
14 treatment for an autism spectrum disorder, an insurer shall have the
15 right to review the treatment plan annually, unless the insurer and
16 the insured's treating physician or psychologist agree that a more
17 frequent review is necessary. Any such agreement regarding the
18 right to review a treatment plan more frequently shall apply only to
19 a particular insured being treated for an autism spectrum disorder
20 and shall not apply to all individuals being treated for autism
21 spectrum disorder by a physician or psychologist. The cost of
22 obtaining any review or treatment plan shall be borne by the
23 insurer.

24

1 H. This section shall not be construed as affecting any
2 obligation to provide services to an individual under an
3 individualized family service plan, an individualized education
4 program or an individualized service plan.

6 plans in the individual and small group markets that are required to
