

1 the court at the time of sentencing shall impose any sentence that
2 could be imposed by law upon a person who is convicted of the same
3 offense, and the person shall serve the sentence in custody of a
4 county jail or the Oklahoma Department of Corrections.

5 3. If a person who is found guilty with mental defect is placed
6 on probation under the jurisdiction of the sentencing court as
7 provided by law, the court shall immediately issue an order for the
8 person to be examined by the Department of Mental Health and
9 Substance Abuse Services. The time and place of such examination
10 shall be determined by the Department. Within forty-five (45) days,
11 the Department shall provide to the court a recommendation of
12 treatment for the person, which shall be made a condition of
13 probation. Reports as specified by the trial judge shall be filed
14 with the probation officer and the sentencing court. Failure to
15 continue treatment, except by agreement with the treating agency and
16 the sentencing court, is grounds for revocation of probation.
17 Treatment shall be provided by an agency of the Department or, with
18 the approval of the sentencing court and at the expense of the
19 person, by private agencies, private physicians or other mental
20 health personnel. A psychiatric report shall be filed with the
21 probation officer and the sentencing court every six (6) months
22 during the period of probation.

23 4. When in any criminal action by indictment or information,
24 the defense of mental illness is raised, but the defendant is not

1 acquitted on the ground that the defendant was mentally ill at the
2 time of the commission of the crime charged, an issue concerning
3 such defense may be raised on appeal. If the appellate court finds
4 relief is required, the appellate court shall not have authority to
5 modify the judgment or sentence, but will only have the authority to
6 order a new trial or order resentencing without recommendations to
7 sentencing.

8 5. When in any criminal action by indictment or information the
9 defense of mental illness is interposed either singly or in
10 conjunction with some other defense, the jury shall state in the
11 verdict, if it is one of acquittal, whether or not the defendant is
12 acquitted on the ground of mental illness. When the defendant is
13 acquitted on the ground that the defendant was mentally ill at the
14 time of the commission of the crime charged, the person shall not be
15 discharged from custody until the court has made a determination
16 that the person is not dangerous to the public peace and safety and
17 is a person requiring treatment.

18 B. 1. To assist the court in its determination, the court
19 shall immediately issue an order for the person to be examined by
20 the Department of Mental Health and Substance Abuse Services at a
21 facility the Department has designated to examine and treat forensic
22 individuals. Upon the issuance of the order, the sheriff shall
23 deliver the person to the designated facility.

24

1 2. Within forty-five (45) days of the court entering such an
2 order, a hearing shall be conducted by the court to ascertain
3 whether the person is dangerous to the public peace or safety
4 because the person is a person requiring treatment or, if not, is in
5 need of continued supervision as a result of unresolved symptoms of
6 mental illness or a history of treatment noncompliance. During the
7 required period of hospitalization the Department of Mental Health
8 and Substance Abuse Services shall have the person examined by two
9 qualified psychiatrists or one such psychiatrist and one qualified
10 clinical psychologist whose training and experience enable the
11 professional to form expert opinions regarding mental illness,
12 competency, dangerousness and criminal responsibility.

13 C. 1. Each examiner shall, within thirty-five (35) days of
14 hospitalization, individually prepare and submit to the court, the
15 district attorney and the ~~person's~~ trial counsel of the person a
16 report of the ~~person's~~ psychiatric examination findings of the
17 person and an evaluation concerning whether the person is dangerous
18 to the public peace or safety.

19 2. If the court is dissatisfied with the reports or if a
20 disagreement on the issue of mental illness and dangerousness exists
21 between the two examiners, the court may designate one or more
22 additional examiners and have them submit their findings and
23 evaluations as specified in paragraph 1 of this subsection.

24

1 3. a. Within ten (10) days after the reports are filed, the
2 court must conduct a hearing to determine the ~~person's~~
3 present condition of the person as to the issue of
4 whether:

5 (1) the person is dangerous to the public peace or
6 safety because the person is a person requiring
7 treatment, or

8 (2) if not believed to be dangerous to the public
9 peace or safety, the person is in need of
10 continued supervision as a result of unresolved
11 symptoms of mental illness or a history of
12 treatment noncompliance.

13 b. The district attorney must establish the foregoing by
14 a preponderance of the evidence. At this hearing the
15 person shall have the assistance of counsel and may
16 present independent evidence.

17 D. 1. If the court finds that the person is not dangerous to
18 the public peace or safety because the person is a person requiring
19 treatment and is not in need of continued supervision as a result of
20 unresolved symptoms of mental illness or a history of treatment
21 noncompliance, it shall immediately discharge the person from
22 hospitalization.

23 2. If the court finds that the person is dangerous to the
24 public peace and safety, it shall commit the person to the custody

1 of the Department of Mental Health and Substance Abuse Services.
2 The person shall then be subject to discharge pursuant to the
3 procedure set forth in Title 43A of the Oklahoma Statutes.

4 a. During the period of hospitalization, the Department
5 of Mental Health and Substance Abuse Services may
6 administer or cause to be administered to the person
7 such psychiatric, medical or other therapeutic
8 treatment as in its judgment should be administered.

9 b. The person shall be subject to discharge or
10 conditional release pursuant to the procedures set
11 forth in this section.

12 E. If at any time the court finds the person is not dangerous
13 to the public peace or safety because the person is a person
14 requiring treatment, but is in need of continued supervision as a
15 result of unresolved symptoms of mental illness or a history of
16 treatment noncompliance, the court may:

17 1. Discharge the person pursuant to the procedure set forth in
18 Title 43A of the Oklahoma Statutes;

19 2. Discharge the person, and upon the ~~court's~~ motion of the
20 court or the district ~~attorney's motion~~ attorney commence civil
21 involuntary commitment proceedings against the person pursuant to
22 the provisions of Title 43A of the Oklahoma Statutes; or

23 3. Order conditional release, as set forth in subsection F of

5 shall be conducted under the same procedure as the first hearing and
6 must occur not less than ten (10) days following the motion or
7 request by the Forensic Review Board.

8 1. If the court determines that the person continues to be
