24 of not to exceed two percent (2%) upon the gross proceeds or gross

1 receipts derived from all sales or services in the county upon which  
2 a consumer's sales tax is levied by this state. Before a sales tax  
3 may be levied by the county, the imposition of the tax shall first  
4 be approved by a majority of the registered voters of the county  
5 voting thereon at a special election called by the board of county  
6 commissioners or by initiative petition signed by not less than five  
7 percent (5%) of the registered voters of the county who were  
8 registered at the time of the last general election. However, if a  
9 majority of the registered voters of a county voting fail to approve  
10 such a tax, the board of county commissioners shall not call another  
11 special election for such purpose for six (6) months. Any sales tax  
12 approved by the registered voters of a county shall be applicable

16 comprising the authority upon which a consumer's sales tax is levied  
17 by this state. Before a sales tax may be levied by the authority,  
18 the imposition of the tax shall first be approved by a majority of  
19 the registered voters within the boundaries of each of the cities,  
20 towns and counties comprising the authority voting thereon at a  
21 special election jointly called by the governing boards of the  
22 cities, towns and counties comprising the authority. Provided, if a  
23 majority of the registered voters of an authority voting fail to  
24 approve such a tax, the governing boards of such cities, towns and

1 counties shall not jointly call another special election for such  
2 purpose for at least six (6) months. Any sales tax approved by the  
3 registered voters of an authority shall be applicable only when the  
4 point of sale is within the boundaries or limits of the authority.

5 C. All items that are exempt from the state sales tax shall be  
6 exempt from any sales tax levied pursuant to the provisions of this  
7 section.

8 D. Any sales tax which may be levied pursuant to the provisions  
9 of this section shall be designated for the purposes of planning,  
10 financing and constructing hospitals or related medical facilities  
11 within the boundaries of the authority. The authority shall  
12 identify the purpose of the sales tax when it is presented to the  
13 voters pursuant to the provisions of this section. The proceeds of  
14 any sales tax levied by an authority shall be used only for the  
15 purposes for which the sales tax was designated.

16 E. The authority shall identify the duration of the tax when it  
17 is presented to the voters pursuant to the provisions of this  
18 section.

19 F. An authority created pursuant to the provisions of  
20 subsection A of this section may utilize the provisions of the Local  
21 Development Act as it relates to the financing of such hospitals or  
22 related medical facilities.

23 G. An authority created pursuant to the provisions of  
24 subsection A of this section shall be dissolved:

1        1. At such time as the planning, financing and constructing of  
2 the hospitals or related medical facilities within the boundaries of  
3 the authority is completed; and

4        2. At such time as the revenue collected from any taxes levied  
5 by the authority is sufficient for payment of any and all expenses  
6 incurred by the authority in the planning, financing and  
7 constructing of a hospital or related medical facility.

8        H. If the proceeds of any tax levied by an authority pursuant  
9 to this section are pledged for the purpose of retiring indebtedness  
10 incurred for the specific purpose for which the tax is imposed, the  
11 tax shall not be repealed until such time as the indebtedness is  
12 retired. Notwithstanding any other provisions of law, any county or  
13 hospital authority that has approved a sales tax for the support and  
14 operation of a county hospital may continue to collect such tax if  
15 such hospital is subsequently sold. Such collection shall only  
16 continue if the county or hospital authority remains indebted for  
17 the support and operation of such hospital and only until the debt  
18 is repaid or for the stated term of the tax, whichever period is  
19 shorter. In no event shall the life of the tax be extended beyond  
20 the duration approved by the voters of the authority.

21        I. If the revenue collected from any taxes levied by the  
22 authority exceeds the amount necessary for payment of any and all  
23 expenses incurred by the authority in the planning, financing and  
24 constructing of hospitals or related medical facilities, the excess

1 funds shall be apportioned to the general funds of the cities, towns  
2 and counties comprising the authority in proportion to the  
3 population of each city, town and county.

4 J. If the construction, support, or operation of a hospital is  
5 funded through the levy of a sales tax by a county or hospital  
6 authority pursuant to this section and such hospital is subsequently  
7 sold, the county or hospital authority levying the tax may dissolve  
8 the governing board of such hospital at the time of the sale. When  
9 the sale of the hospital and dissolution of any governing board is  
10 final, the county or hospital authority is thereby relieved of any  
11 liability for the operation of such hospital.
