Section 1113. A. 1. Except for all-terrain vehicles, utility vehicles and motorcycles used exclusively off roads and highways, upon the filing of a registration application and the payment of the fees provided for in the Oklahoma Vehicle License and Registration Act, the Oklahoma Tax Commission or Corporation Commission, as applicable, shall assign to the vehicle described in the application a distinctive number, and issue to the owner of the vehicle a certificate of registration, one license plate and a yearly decal. The Oklahoma Tax Commission shall assign an all-terrain vehicle, utility vehicle or motorcycle used exclusively off roads and highways a distinctive number and issue to the owner a certificate of registration and a decal but not a license plate. For each subsequent registration year, the Tax Commission shall issue a yearly decal to be affixed to the license plate, except for an all-terrain vehicle, utility vehicle or motorcycle used exclusively off roads and highways. The initial decal for an all-terrain vehicle, utility vehicle or motorcycle shall be attached to the front of the vehicle and shall be in clear view. The decal shall be on the front or on the front fork of the motorcycle used exclusively off roads and highways and the decal shall be in clear view. The yearly decal shall have an identification number and the last two numbers of the registration year for which it shall expire. Except as provided by Section 1113A of this title, the license plate shall be affixed to the exterior of the vehicle until a replacement license plate is applied for. If the owner applies for a replacement license plate, the Tax Commission shall charge the fee provided for in Section 1114 of this title. The yearly decal will validate the license plate for each registration period other than the year the license plate is issued. The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct. However, yearly decals issued to the owner of a vehicle who has filed an affidavit with the appropriate motor license agent in accordance with Section 7-607 of this title shall be a separate and distinct color from all other decals issued under this section. Before the effective date of this act, the Tax Commission shall also issue a monthly decal which shall include a two-letter abbreviation

corresponding to the county in which the vehicle is registered. The Tax Commission shall issue all decals in the possession of the Tax Commission on the effective date of this act before issuing any decals which do not contain the county abbreviation.

The Tax Commission may, with the concurrence of the Department of Public Safety, by Joint Rule, change and direct the manner, place and location of display of any vehicle license plate when such action is deemed in the public interest. The license plate, decal and all letters and numbers shall be clearly visible at all times. The operation of a vehicle in this state, regardless of where such vehicle is registered, upon which the license plate is covered, overlaid or otherwise screened with any material, whether such material be clear, translucent, tinted or opaque, shall be a violation of this paragraph.

Any such officer or agent may seize and hold such commercial vehicle when the operator of the same does not have the registration certificate in the operator's possession or when any such officer or agent determines that the registration certificate has been obtained by misrepresentation of any essential or material fact or when any number or identifying information appearing on such certificate has been changed, altered, obliterated or concealed in any way, until the proper registration or identification of such vehicle has been made or produced by the owner thereof.

E. The purchaser of a new or used manufactured home shall, within thirty (30) days of the date of purchase, register the home with the Tax Commission or a motor license agent pursuant to the provisions of Section 1117 of this title. For the first year that any manufactured home is registered in this state, the Tax Commission shall issue a metal license plate which shall be affixed to the manufactured home. The temporary dealer license plate or the metal license plate shall be displayed on the manufactured home at all times when upon a public roadway; provided, a repossession affidavit issued pursuant to Sections 1110 and 1126 of this title shall be permissible in lieu of a current license plate and decal for the purposes of removing a repossessed manufactured home to a secure location.
