1. Any such winemaker which elects to directly sell its wine to package stores and restaurants shall not also use a licensed wholesale distributor as a means of distribution, and shall be required to sell its wines to every package store and restaurant licensee who desires to purchase the same, on the same price basis and without discrimination;

2. If a winemaker or winery sells directly to a retail package store or restaurant, the winemaker shall transport the wine from the winemaker's winery to the premises where the wine is to be delivered only in vehicles owned or leased by the winemaker and not by common or private contract carrier and shall obtain all necessary permits as required by the Oklahoma Alcoholic Beverage Control Act; and

3. If the production volume limit applicable to winemakers is ruled to be unconstitutional by a court of competent jurisdiction, then no winemaker shall be permitted to directly sell its wine to retail package stores or restaurants in this state.

D. A winemaker self-distribution license shall authorize a licensed winemaker within or without this state which is permitted by Section 3 of Article XXVIII of the Oklahoma Constitution and subsection C of this section, to distribute its wine directly to retail package stores and restaurants in this state and that elects to do so, to sell and deliver its wines directly to licensed retail package stores and restaurants in this state in full case lots only, and in accordance with the provisions of the Oklahoma Alcoholic Beverage Control Act and such rules as the ABLE Commission shall adopt.

F. 1. A wholesaler license shall authorize the holder thereof: To purchase and import into this state spirits and wines from persons authorized to sell same who are the holders of a nonresident seller license, and their agents who are the holders of manufacturers agent licenses; to purchase spirits and wines from licensed distillers, rectifiers and winemakers in this state; to purchase spirits and wines from licensed wholesalers, to the extent set forth in paragraphs 2 and 3 of this subsection; to sell in retail containers in this state to retailers, mixed beverage, caterer, special event, public event, hotel beverage or airline/railroad beverage licensees, spirits and wines which have been received and unloaded at the bonded warehouse facilities of the wholesaler before such sale; to sell to licensed wholesalers, to the extent set forth in paragraphs 2 and 3 of this subsection, spirits and wines which have been received and unloaded at the bonded warehouse facilities of the wholesaler before such sale; and to sell spirits and wines out of this state to qualified persons. Provided, however, sales of spirits and wine in containers with a capacity of less than one-twentieth (1/20) gallon by a holder of a wholesaler license shall be in full case lots and in the original unbroken case. Wholesalers shall be authorized to place such signs outside their place of business as are required by Acts of Congress and by such laws and regulations promulgated under such Acts.

2. Wholesalers are prohibited from purchasing annually in excess of fifteen percent (15%) of their total spirits inventory and fifteen percent (15%) of their total wine inventory from one or more wholesalers. Wholesalers are also prohibited from purchasing annually in excess of fifteen percent (15%) of their inventory of any individual brand of spirits or wine from one or more wholesalers. The volume of spirits and wine and of each brand that each wholesaler is permitted to purchase annually from other wholesalers shall be calculated by the ABLE Commission by multiplying fifteen percent (15%) by:

- a. the total volume of spirits sales of the wholesaler, by liter, from the previous calendar year, and
- b. the total volume of wine sales of the wholesaler, by liter, from the previous calendar year, and

- c. the volume of sales of each brand of spirits or wine of the wholesaler, by liter, from the previous calendar year.

A wholesaler who did not post any sales of spirits, wine or of a particular brand in the previous calendar year shall be deemed to have sold the same volume of spirits, wine or of a particular brand as the wholesaler posting the smallest volumes of sales in spirits, wine or of a particular brand for that year for the purposes of this paragraph. Notwithstanding the foregoing, wholesalers shall not purchase any inventory in spirits or wine from any other wholesaler until such time that the purchasing wholesaler possesses an inventory valued at no less than Two Hundred Fifty Thousand Dollars (\$250,000.00). Inventory valuation shall be based on the original actual price paid by the purchasing wholesaler to the nonresident seller for the inventory.

3. A wholesaler may sell spirits and wine to other wholesalers or purchase spirits and wines from other wholesalers without complying with paragraph 2 of this subsection in the case of the sale, purchase, or other transfer or acquisition of the entire business of a wholesaler, including the inventory of spirits and wine.

4. A wholesaler license shall authorize the holder thereof to operate a single bonded warehouse with a single central office together with delivery facilities at a location in this state only at the principal place of business for which the wholesaler license was granted.

5. All licensed wholesalers shall register prices, purchase and keep on hand or have on order a fifteen-day supply of all brands constituting the top eighteen brands in total sales by all Oklahoma wholesalers during the past twelve-month period, according to the records of the ABLE Commission as revised by the ABLE Commission quarterly; provided, however, that not more than three brands of any particular nonresident seller shall be included in the top-brands classification. All purchase orders for these top eighteen brands must show an expected due delivery date. These purchase orders may only be canceled with prior approval of the Director of the ABLE Commission, unless a wholesaler shall have in its warehouse a fifteen-day supply of merchandise on such purchase order.

In order to allow the ABLE Commission to determine the top eighteen brands, wholesalers must submit to the ABLE Commission

every sixty (60) days a sworn affidavit listing their top twenty-five brands in sales for the previous sixty (60) days, excluding sales to wholesalers. Such affidavits shall be submitted in conjunction with the original price postings of wholesalers.

A fifteen-day supply of a particular brand for a particular wholesaler shall be based upon the market share of the wholesaler, determined by first multiplying the total number of liters of such brand sold by all wholesalers to all retailers during the previous calendar year by the percentage that the total sales of wine and spirits of the particular wholesaler, in liters, for such calendar year bears to the total sales of wine and spirits, in liters, reported by all wholesalers for such calendar year; and then dividing by twenty-four (24); provided, that a fifteen-day supply for a wholesaler who has not been in business for the entirety of the previous calendar year shall be deemed to be equal to that of the wholesaler who was in business for the entirety of the previous calendar year and who reported the lowest volume of sales of wine and spirits, in liters, of any wholesaler having been in business for such period.
