3 In order to graduate from a public high school accredited by Β. 4 the State Board of Education with a standard diploma, students shall 5 fulfill the requirements for a personal financial literacy passport. 6 The requirements for a personal financial literacy passport shall be satisfactory completion in all areas of instruction in personal 7 8 financial literacy as listed in subsection A of this section during 9 grades seven through twelve or demonstration of satisfactory 10 knowledge as provided for in subsection E of this section. Through 11 the end of the 2019-2020 school year, the requirements for a 12 personal financial literacy passport as provided for in this 13 subsection shall be completed during grades seven through twelve. 14 Beginning with the 2020-2021 school year the requirements for a 15 personal financial literacy passport as provided for in this 16 subsection shall be completed during grades nine through twelve. 17 C. School Through the end of the 2019-2020 school year, school 18 districts shall provide instruction in personal financial literacy 19 to students during grades seven through twelve. School districts 20 shall have the option of determining when each area of instruction 21 listed in subsection A of this section shall be presented to 22 students. Beginning with the 2020-2021 school year school districts 23 shall provide instruction in personal financial literacy to students 24 during grades nine through twelve.

D. Personal financial literacy instruction shall be integrated into one or more existing courses of study or provided in a separate personal financial literacy course. School districts shall have the option of determining into which course or courses each area of instruction listed in subsection A of this section shall be integrated.

7 Ε. Students with the most significant cognitive disabilities (MSCD) who have an Individualized Education Program (IEP) that 8 9 directs that the student is to be assessed with alternate 10 achievements standards through the Oklahoma Alternative Assessment 11 Program may demonstrate satisfactory knowledge in each area of 12 instruction listed in subsection A of this section upon a 13 determination, supported by documentation, by the school district 14 that the student has met the following criteria:

Receives substantive and substantial instruction in life skills curriculum; and

17 2. Demonstrates the acquired knowledge of the student with MSCD18 by alternate measures as required by the IEP.

F. The State Board of Education shall identify and adopt curriculum standards for personal financial literacy instruction that reflect the areas of instruction listed in subsection A of this section. The standards shall be incorporated into the state academic content standards adopted by the Board pursuant to Section

1 11-103.6 of this title and known as the Priority Academic Student
2 Skills Curriculum.

G. The State Department of Education shall:

Develop guidelines and material designed to enable schools
 to infuse personal financial literacy within any course of study
 currently offered by the school district or offer personal financial
 literacy as a separate course. The guidelines shall outline the
 areas of instruction to be taught based on the curriculum standards
 adopted by the Board;

10 2. Develop professional development programs that are designed 11 to help teachers provide instruction in personal financial literacy 12 and incorporate the curriculum into an existing course or courses or 13 develop curriculum for a separate personal financial literacy 14 course;

3. Provide <u>and identify</u> resources, including on-line modules <u>online curriculum</u>, for integrating the teaching of personal financial literacy into an existing course or courses of study or for developing a separate personal financial literacy course. The on-line modules <u>Any online curriculum provided or identified by the</u> <u>Department</u> shall include an assessment component for each area of instruction listed in subsection A of this section; and

Provide <u>and identify</u> resources, including on-line modules
 <u>online curriculum</u>, and materials designed to enable students

24

1 identified as English language learners to understand and use the 2 personal financial literacy information presented.

3 The Department may work with one or more not-for-profit Η. 4 organizations that have proven expertise in the development of 5 standards and curriculum and delivery of teacher professional 6 development in personal financial literacy for the purpose of 7 developing and providing guidelines, materials, resources, including 8 on-line modules online curriculum, and professional development. 9 Τ. 1. For students who transfer into an Oklahoma school 10 district prior to the 2020-2021 school year from out of state after 11 the seventh grade and who transfer into an Oklahoma school beginning 12 with the 2020-2021 school year from out of state after the ninth 13 grade, school districts shall assess the knowledge of the student in 14 each of the areas of instruction listed in subsection A of this 15 If the school district determines that the transferred section. 16 student has successfully completed instruction in any or all of the 17 areas of personal financial literacy instruction at a previous 18 school in which the student was enrolled or if the student 19 demonstrates satisfactory knowledge of any or all of the areas of 20 personal financial literacy instruction through an assessment, the 21 school district may exempt the student from completing instruction 22 in that area of personal financial literary instruction. School 23 districts may use the assessment contained in the on-line modules 24 online curriculum provided or identified by the State Department of

Education pursuant to subsection G of this section to determine the personal financial literacy knowledge level of the student. School districts may also use the <u>on-line modules</u> <u>online curriculum</u> to present an area of instruction to transferred students who have not completed or who did not demonstrate satisfactory knowledge in one or more of the areas of personal financial literacy instruction.

7 2. For students who transfer into an Oklahoma school district
8 from out of state after the junior year of high school, school
9 districts may make an exception to the requirements for a personal
10 financial literacy passport pursuant to the provisions of Section
11 11-103.6 of this title.

J. The State Textbook Committee created in Section 16-101 of this title may, when selecting textbooks for mathematics, economics, or similar courses, select those textbooks which contain substantive provisions on personal finance.

16 K. In order to deliver high-quality consistent personal
17 financial literacy instruction, school districts are encouraged
18 <u>shall</u> to <u>the extent possible</u> assign the responsibility for teaching
19 personal financial literacy to the same teacher or teachers on a
20 continuing basis.

L. Beginning with the 2020-2021 school year, all teachers who are assigned the responsibility for teaching personal financial literacy shall complete ongoing professional development training in

1	the areas of personal financial literacy instruction in accordance
2	with guidelines established by the State Department of Education.
