1 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

2 SECTION 1. AMENDATORY 20 O.S. 2011, Section 1102, is  
3 amended to read as follows:

4 Section 1102. A. Any Justice or Judge of the Supreme Court,  
5 Court of Criminal Appeals, Workers' Compensation Court, Court of  
6 Appeals or District Court who serves as Justice or judge of any of  
7 said courts in the State of Oklahoma shall be a member of The  
8 Uniform Retirement System for Justices and Judges. For members  
9 whose initial service as a member of the System began prior to  
10 January 1, 2012, such member who serves for a period of eight (8)  
11 years or longer and upon reaching or passing the age of sixty-five  
12 (65) years, or who serves for a period of ten (10) years or longer  
13 and upon reaching or passing the age of sixty (60) years, or whose  
14 sum of years of service and age equal or exceeds eighty (80), after  
15 completing eight (8) years of judicial service, shall be eligible to  
16 receive the retirement benefits herein provided. For members whose  
17 initial service as a member of the System began on or after January  
18 1, 2012, such member who serves for a period of eight (8) years or  
19 longer and upon reaching or passing the age of sixty-seven (67)  
20 years or who serves for a period of ten (10) years or longer and  
21 upon reaching or passing the age of sixty-two (62) years shall be  
22 eligible to receive the retirement benefits herein provided. In  
23 determining the periods of time above mentioned a major fraction of  
24 a year shall count as a whole year. If such Justice or judge is

1 still serving in such capacity when the above requirements are  
2 complied with, the Justice or judge may elect to retire and may  
3 elect whether such retirement shall become effective immediately or  
4 at a specified time within the term of the Justice or judge or at  
5 the expiration of the term of the Justice or judge. The Justice or  
6 judge shall file a written declaration with the System and the Court  
7 Administrator of his or her desire to retire. The Court  
8 Administrator shall notify the Governor within five (5) business  
9 days of receiving the Notice of Retirement.

10 B. Upon filing of an election by any Justice or judge to retire  
11 as authorized by Section 1101 et seq. of this title, the office held  
12 by such Justice or judge shall become vacated immediately or at the  
13 specified time within the term of the Justice or judge, or at the  
14 expiration of the term of the Justice or judge in accordance with  
15 the election of the Justice or judge desiring retirement status.  
16 Any such vacancy so created shall be filled in the manner provided  
17 by law and the Constitution.

18 C. If any retired member of the System should be elected or  
19 appointed to any judicial or other office covered by the System, the  
20 retirement compensation of the retired member shall be suspended  
21 during the period of time that the retired member holds such office  
22 and be reinstated upon leaving such office. Notwithstanding any  
23 other provision of this section or any other provision of law to the  
24 contrary, a retired Justice or judge shall be permitted to be

1 employed by any college or university within The Oklahoma State  
2 System of Higher Education as a full-time or part-time member of the  
3 faculty or as a teacher in any common school or career and  
4 technology education entity without suspension of retirement  
5 benefits.

6 D. Any participating employer who is employing such a retiree  
7 as described in subsection C of this section shall make proper  
8 written notification to the System informing it of the beginning  
9 date of such retiree's employment. Any retiree returning to work  
10 for a participating employer shall make contributions to the System  
11 and the employer shall do likewise. All retirees who have returned  
12 to employment and participation in the System following retirement  
13 shall have post-retirement benefits calculated on one of the  
14 following methods:

15 1. All service accumulated from date of reemployment shall be  
16 computed based on the benefit formula applicable at that time, and  
17 the additional benefits shall be added to the previous benefits.  
18 Such additional benefits shall be calculated each year based upon  
19 additional service accrued from July 1 to June 30 of the previous  
20 year and the additional benefits, if any, will be added to the  
21 retiree's monthly benefit beginning January 1 of the year after the  
22 retiree terminates the post-retirement employment and begins to  
23 receive a benefit. However, the post-retirement service credit  
24 shall be cumulative, beginning with service credit accrued after the

1 date of retirement, provided that the retiree has not received a  
2 distribution of the post-retirement contributions. All post-  
3 retirement additional benefits shall be calculated using actual  
4 hours worked as well as the actual compensation received and upon  
5 which contributions are paid. Post-retirement service is not  
6 subject to the partial year round-up provisions of subsection A of  
7 this section, and only full years of service will result in an  
8 increase in a retiree's benefit.

9 2. Any retiree who returns to employment with a participating  
10 employer for a minimum period of thirty-six (36) consecutive months,  
11 shall have all service accumulated from date of reemployment counted  
12 as participating service. For purposes of determining the  
13 retirement benefits of such a member upon the termination of such  
14 reemployment, all creditable service of the member shall be computed  
15 based on the benefit formula applicable at the time of termination  
16 of such reemployment. A retiree who is not reemployed for the full  
17 thirty-six (36) consecutive months shall upon termination of such  
18 reemployment have only the additional amount added to his or her  
19 benefit.

20 3. The provisions of this section shall not be applicable to  
21 Section 1104B of this title.

22 SECTION 2. AMENDATORY 74 O.S. 2011, Section 913.4, as  
23 last amended by Section 12, Chapter 375, O.S.L. 2014 (74 O.S. Supp.  
24 2016, Section 913.4), is amended to read as follows:

1 Section 913.4 A. 1. Except as otherwise provided in this  
2 subsection, an elected official may elect to participate in the  
3 System and if he or she elects to do so shall have the option of  
4 participating at any one of the computation factors set forth in  
5 paragraph 3 or 4 of this subsection and will receive retirement  
6 benefits in accordance with the computation factor chosen. The  
7 election on participation in the System must be in writing, must  
8 specify the computation factor chosen, and must be filed with the  
9 System within ninety (90) days after the elected official takes  
10 office. The election to participate and the election of a  
11 computation factor shall be irrevocable. Reelection to the same  
12 office will not permit new elections. Failure of an elected  
13 official to file such election form within the ninety-day period  
14 shall be deemed an irrevocable election to participate in the System  
15 at the maximum computation factor.

16 2. Contributions and benefits will be based upon the elected  
17 official's annual compensation as defined in Section 902 of this  
18 title. Employer and elected official contributions shall be  
19 remitted at least monthly, or as the Board may otherwise provide, to

 2 follows:

3 Elected official 4 Contribution Rate	Computation Factor	Alternate Formula

11 4. Elected officials who are first elected or appointed to an  
 12 elected office on or after November 1, 2010, shall elect a  
 13 computation factor of either 1.9% or 4%. The elected official  
 14 contribution rate for the 1.9% computation factor is currently 4.5%  
 15 and the contribution rate for the 4% computation factor is currently  
 16 10%. All other computation factors and contribution rates set forth  
 17 in paragraph 3 of this subsection shall not be available to any  
 18 person first elected or appointed to an elected office on or after  
 19 November 1, 2010.

20 5. The contribution rate for elected officials who are first  
 21 elected or appointed to an elected office on or after November 1,  
 22 2011, shall be in the amount specified in paragraph (a) of  
 23 subsection (1) of Section 919.1 of this title. The amount of the  
 24 retirement benefit for elected officials who are first elected or

1 appointed to an elected office on or after November 1, 2011, shall  
2 be based on the provisions of paragraph (1) of subsection A of  
3 Section 915 of this title.

4 6. The computation factors and corresponding elected official  
5 contribution rates provided for in paragraphs 3 and 4 of this  
6 subsection shall be based on the entire compensation as an elected  
7 official subject to the definition and maximum compensation levels  
8 as set forth in paragraph (9) of Section 902 of this title.

9 7. Elected officials who are first elected or appointed on or  
10 after November 1, 2011, shall also be eligible to make the election  
11 of an alternate multiplier and contribution rate pursuant to  
12 paragraph 2 of subsection A of Section 915 of this title.

13 8. A statewide elected official or legislator whose first  
14 service as an elected official occurs on or after November 1, 2015,  
15 shall become a participant in the defined contribution system  
16 created by Sections 1 through 11 of this act and such elected  
17 official shall not accrue any service credit in the defined benefit  
18 plan of the Oklahoma Public Employees Retirement System created  
19 pursuant to Section 901 et seq. of this title.

20 B. The normal retirement date for an elected official shall be  
21 the first day of the month coinciding with or following the  
22 official's sixtieth birthday or the first day of the month  
23 coinciding with or following the date at which the sum of the  
24 elected official's age and number of years of credited service total

1 eighty (80). The normal retirement date for an elected official  
 2 first elected or appointed to an elected office on or after November  
 3 1, 2011, shall be the first day of the month coinciding with or  
 4 following the official's sixty-fifth birthday or the date upon which  
 5 the elected or appointed official attains the age of sixty-two (62)  
 6 and who has at least ten (10) years of elected or appointed service.  
 7 Any elected official first elected or appointed to an elected office  
 8 before November 1, 2011, who has a minimum of ten (10) years'  
 9 participating service may retire under the early retirement  
 10 provisions of this act, including those electing a vested benefit  
 11 and shall receive an adjustment of annual benefits in accordance  
 12 with the following percentage schedule:

Age	Percentage of Normal Retirement Benefits
60	100%
59	94%
58	88%
57	82%

55	70%

21 Any elected official first elected or appointed to an elected  
 22 office on or after November 1, 2011, who has a minimum of ten (10)  
 23 years' participating service may retire under the early retirement  
 24 provisions of this act, including those electing a vested benefit

 2 with the following percentage schedule:

4 Age	Percentage of Normal Retirement Benefits
5 62	100%
6 61	93.33%
7 60	86.67%

8 C. 1. Any elected official shall receive annual benefits  
 9 computed based upon the computation factor selected multiplied by  
 10 the member's highest annual compensation received as an elected  
 11 official prior to retirement or termination of employment multiplied  
 12 by the number of years of credited service. No elected official  
 13 shall retire using such highest annual compensation unless the  
 14 elected official has made the required election and has paid the  
 15 required contributions on such salary.

16 2. The retirement benefit may be computed pursuant to the  
 17 provisions of paragraph (1) of subsection A of Section 915 of this  
 18 title if the benefit would be higher. Elected officials who have a  
 19 vested benefit prior to July 1, 1980, may elect to receive annual  
 20 benefits based on the alternate formula provided above. Such annual  
 21 benefits shall be paid in equal monthly installments.

22 3. Elected officials who become members of the Oklahoma Public  
 23 Employees Retirement System on or after August 22, 2008, will  
 24 receive retirement benefits in accordance with the computation

1 factor selected pursuant to subsection A of this section multiplied  
2 by the member's highest annual compensation received as an elected  
3 official and only for those years of credited service the member  
4 served as an elected official. If such elected official has  
5 participating service as a nonelected member, then such nonelected  
6 service shall be computed separately pursuant to the provisions of  
7 paragraph (1) of subsection A of Section 915 of this title with the  
8 final benefit result added to the final benefit result for elected  
9 service. In no event shall the elected official be entitled to  
10 apply the computation factor selected pursuant to subsection A of  
11 this section or the compensation received as an elected official to  
12 the computation of nonelected service.

13 4. Elected officials who are first elected or appointed to an  
14 elected office on or after August 22, 2008, may not receive a  
15 maximum benefit greater than their single highest annual  
16 compensation received as a member of the Oklahoma Public Employees  
17 Retirement System.

18 D. Any elected official making an election to participate at a  
19 computation factor less than the maximum and later selecting a  
20 higher computation factor shall contribute to the System a sum equal  
21 to the amount which the elected official would have contributed if  
22 the elected official had made such election at the time the elected  
23 official first became eligible, plus interest as determined by the  
24 Board, in order to receive the additional benefits for all service

1 as an elected official; otherwise, the additional benefits shall be  
2 applicable only to service for which the elected official pays the  
3 appropriate percent of contributions to the System.

10 service shall be entitled to receive survivor benefits in the amount  
11 herein prescribed, if married to the decedent continuously for a  
12 period of at least three (3) years immediately preceding the elected  
13 official's death. Provided the elected official had met the service  
14 requirements, survivor benefits shall be payable when the deceased  
15 member would have met the requirements for normal or early  
16 retirement. The amount of the benefits the surviving spouse may  
17 receive shall be fifty percent (50%) of the amount of benefits the  
18 deceased elected official was receiving or will be eligible to  
19 receive. ~~Remarriage of a surviving spouse shall disqualify the~~  
20 ~~spouse for the receipt of survivor benefits.~~ Elected officials may  
21 elect a retirement option as provided in Section 918 of this title  
22 in lieu of the survivors benefit provided above.

3 five (5) years for those periods of active military service during  
4 which the elected official was a war veteran.

5 G. Anyone appointed or elected to an elected position after  
6 July 1, 1990, shall not be eligible to receive benefits as provided  
7 in this section until such person has participated as an elected  
8 official for six (6) years. Anyone appointed or elected to an  
9 elected position on or after November 1, 2011, shall not be eligible  
10 to receive benefits as provided in this section until such person  
11 has participated as an elected official for eight (8) years.

12 H. Elected officials who terminate participation in the System  
13 and who have a minimum of six (6) years of participating service  
14 shall be entitled to elect a vested benefit and shall be entitled to  
15 the retirement options as provided in Section 918 of this title in  
16 lieu of the survivors benefit provided in subsection E of this  
17 section. Elected officials, first elected or appointed to an  
18 elected office on or after November 1, 2011, who terminate  
19 participation in the System and who have a minimum of eight (8)  
20 years of participating service shall be entitled to elect a vested  
21 benefit and shall be entitled to retirement options as provided in  
22 Section 918 of this title in lieu of the survivors benefits provided  
23 in subsection E of this section.

24

1 I. In determining the number of years of credited service, a  
2 fractional year of six (6) months or more shall be considered as one  
3 (1) year, and less than six (6) months or more shall be disregarded.  
4 For members who joined the System on or after November 1, 2011, the  
5 number of years of credited service shall be based on actual years  
6 and months of credited service without rounding up or down.

8 amended to read as follows:

9 Section 924. Any person who shall knowingly make any false

14 Dollars (\$500.00) or by imprisonment for not exceeding one (1) year.

17 or less than he would have been entitled to receive had the records  
18 been correct, the Bboard shall correct such error, and, as far as  
19 practicable, make future payments in such manner that the actuarial  
20 equivalent of the benefit to which such member or beneficiary was  
21 entitled shall be paid, and to this end may recover any  
22 overpayments. The agency shall charge interest on any overpayments  
23 in an amount not to exceed the actuarially assumed interest rate
