8 end of the school year as required in subsections A and B of this  
9 section; provided, at least one of the screening instruments shall  
10 meet the following criteria:

11           1. Assess for phonemic awareness, phonics, reading fluency, and  
12 comprehension;

18 profiles for students, class, grade level and school building. The  
19 profiles shall identify each student's instructional point of need  
20 and reading achievement level. The State Board shall also determine  
21 other comparable reading assessments for diagnostic purposes and for  
22 periodic and post assessments to be used for students at risk of  
23 reading failure. The State Board shall ensure that any assessments  
24

1 approved are in alignment with the subject matter standards adopted  
2 by the State Board of Education.

3 D. 1. The program of reading instruction required in  
4 subsection B of this section shall align with the subject matter

- 17 c. assessments identified for diagnostic purposes and  
18 periodic monitoring to measure the acquisition of  
19 reading skills including, but not limited to, phonemic  
20 awareness, phonics, reading fluency, vocabulary, and  
21 comprehension, as identified in the student's program  
22 of reading instruction.

23 2. A student enrolled in first or second grades who has been  
24 assessed as provided for in subsection B of this section and found

1 not to be reading at the corresponding grade level, shall be  
2 entitled to individualized remediation in reading until the student  
3 is determined by the results of a screening instrument to be reading  
4 on grade level. The program of reading instruction for each student  
5 shall be developed by a Student Reading Proficiency Team and shall  
6 include individualized remediation. Each team shall be composed of:

- 7 a. the parent or guardian of the student,
- 8 b. the teacher assigned to the student who had  
9 responsibility for reading instruction in that

- 11 c. a teacher who is responsible for reading instruction  
12 and is assigned to teach in the next grade level of  
13 the student, and
- 14 d. a certified reading specialist, if one is available.

15 E. The program of reading instruction shall continue until the  
16 student is determined by the results of approved reading assessments  
17 to be reading on grade level.

18 F. 1. Every school district shall adopt, and implement a  
19 district reading sufficiency plan which has had input from school  
20 administrators, teachers, and parents and if possible a reading  
21 specialist, and which shall be submitted electronically to and  
22 approved by the State Board of Education. The plan shall be updated  
23 annually. School districts shall not be required to electronically  
24 submit the annual updates to the Board if the last plan submitted to

2 expenses relating to individual and small group tutoring, purchase  
3 of and training in the use of screening and assessment measures,  
4 summer school programs and Saturday school programs. If any  
5 expenditure for the program is deleted or changed or any other type  
6 of expenditure for the program is implemented, the school district  
7 shall be required to submit the latest annual update to the Board  
8 for approval. The district reading sufficiency plan shall include a  
9 plan for each site which includes an analysis of the data provided  
10 by the Oklahoma School Testing Program and other reading assessments  
11 utilized as required in this section, and which outlines how each  
12 school site will comply with the provisions of the Reading  
13 Sufficiency Act.

14 2. The State Board of Education shall adopt rules for the  
15 implementation and evaluation of the provisions of the Reading  
16 Sufficiency Act. The evaluation shall include, but not be limited  
17 to, an analysis of the data required in subsection S of this  
18 section.

19 G. For any third-grade student found not to be reading at grade  
20 level as determined by reading assessments administered pursuant to  
21 this section, a new program of reading instruction, including  
22 provisions of the READ Initiative adopted by the school district as  
23 provided for in subsection O of this section, shall be developed by  
24 a Student Reading Proficiency Team and implemented as specified in

1 subsection D of this section. ~~If possible, a fourth-grade teacher~~  
2 ~~shall be involved in the development of the program of reading~~  
3 ~~instruction.~~ In addition to other requirements of the Reading  
4 Sufficiency Act, the plan may include specialized tutoring.

5 H. 1. Any first-grade, second-grade or third-grade student who  
6 demonstrates proficiency in reading at the third-grade level through  
7 a screening instrument which meets the acquisition of reading skills  
8 criteria pursuant to subsection B of this section shall not be  
9 subject to ~~the retention guidelines found in~~ pursuant to this  
10 ~~section.~~ ~~Upon demonstrating the~~ After a student has demonstrated  
11 ~~proficiency through the~~ a screening instrument, the district shall  
12 provide notification to the ~~parent(s) and/or guardian(s)~~ parent or  
13 guardian of the student that they have satisfied the requirements of  
14 the Reading Sufficiency Act and will not be subject to retention  
15 pursuant to this section.

16 2. If a third-grade student is identified at any point of the  
17 academic year as having a significant reading deficiency, which  
18 shall be defined as scoring below proficient on a screening  
19 instrument which meets the acquisition of reading skills criteria  
20 pursuant to subsection B of this section, the district shall  
21 immediately begin a student reading portfolio as provided by  
22 subsection K of this section and shall provide notice to the parent  
23 of the deficiency pursuant to subsection I of this section.

24

1           3. If a student has not yet satisfied the proficiency  
2 requirements of this section prior to the completion of third grade  
3 and still has a significant reading deficiency, as identified based  
4 on assessments administered as provided for in subsection B of this  
5 section, has not accumulated evidence of third-grade proficiency  
6 through a student portfolio as provided in subsection K of this  
7 section, or is not subject to a good-cause exemption as provided in  
8 subsection K of this section, then the student shall not be eligible  
9 for automatic promotion to fourth grade.

10           4. a. ~~For the 2015-2016 school year, a~~ A student not

16 pursuant to Section 1210.508 of this title may be  
17 evaluated for "probationary promotion" by the Student

24 ~~criterion-referenced test may be evaluated for~~

1 ~~"probationary promotion" by the Student Reading~~  
2 ~~Proficiency Team. The Student Reading Proficiency~~  
3 ~~Team shall be composed of:~~

- 4 ~~(1) the parent(s) and/or guardian(s) of the student,~~  
5 ~~(2) the teacher assigned to the student who had~~

9 ~~subsequent grade level, and~~  
10 ~~(4) a certified reading specialist which was created~~  
11 ~~for the student pursuant to subsection D of this~~  
12 ~~section.~~

- 13 b. The student shall be promoted to the fourth grade if  
14 the team members unanimously recommend "probationary  
15 promotion" to the school principal and the school  
16 district superintendent and the principal and  
17 superintendent approve the recommendation that  
18 promotion is the best option for the student. If a  
19 student is allowed a "probationary promotion", the  
20 team shall continue to review the reading performance  
21 of the student and repeat the requirements of this  
22 paragraph each academic year until the student  
23 demonstrates grade-level reading proficiency, as  
24 identified through a screening instrument which meets

1 the acquisition of reading skills criteria pursuant to  
2 subsection B of this section, for the corresponding  
3 grade level in which the student is enrolled or  
4 transitions to the requirements set forth by the  
5 Achieving Classroom Excellence Act.

6 5. Beginning with the 2016-2017 school year, students who score  
7 below the proficient level on the reading portion of the statewide  
8 third-grade assessment administered pursuant to Section 1210.508 of  
9 this title, who are not subject to a good-cause exemption as  
10 provided in subsection K of this section, and who do not qualify for  
11 promotion or "probationary promotion" as provided in this  
12 subsection, shall be retained in the third grade and provided  
13 intensive instructional services and supports as provided for in  
14 subsection N of this section.

15 6. Each school district shall annually report to the State  
16 Department of Education the number of students promoted to the  
17 fourth grade pursuant to this subsection. ~~Following the 2015-2016,~~  
18 ~~2016-2017 and 2017-2018 school years, each school district shall~~  
19 ~~report~~ and the number of students promoted to a subsequent grade  
20 pursuant to the provisions in paragraph 4 of this subsection. The  
21 State Department of Education shall publicly report the aggregate  
22 and district specific number of students promoted on their website  
23 and shall provide electronic copies of the report to the Governor,  
24 Secretary of Education, President Pro Tempore of the Senate, Speaker

1 of the House of Representatives, and to the respective chairs of the  
2 committees with responsibility for common education policy in each  
3 legislative chamber.

4 7. Nothing shall prevent a school district from applying the  
5 principles of paragraphs 3 and 4 of this subsection in grades  
6 kindergarten through second grade.

7 8. To determine the promotion and retention of third-grade  
8 students pursuant to the Reading Sufficiency Act, the State Board of  
9 Education shall use only the reading comprehension and vocabulary  
10 scores portion of the statewide third-grade assessment administered  
11 pursuant to Section 1210.508 of this title and shall not use the  
12 other language arts scores portions of the assessment.

13 I. The parent of any student who is found to have a reading  
14 deficiency and is not reading at the appropriate grade level and has  
15 been provided a program of reading instruction as provided for in  
16 subsection B of this section shall be notified in writing of the  
17 following:

18 1. That the student has been identified as having a substantial  
19 deficiency in reading;

20 2. A description of the current services that are provided to  
21 the student pursuant to a conjoint measurement model such that a  
22 reader and a text are placed on the same scale;

23  
24

1           3. A description of the proposed supplemental instructional  
2 services and supports that will be provided to the student that are  
3 designed to remediate the identified area of reading deficiency;

4           4. That the student will not be promoted to the fourth grade if  
5 the reading deficiency is not remediated by the end of the third  
6 grade, unless the student is otherwise promoted as provided for in  
7 subsection H of this section or is exempt for good cause as set  
8 forth in subsection K of this section;

9           5. Strategies for parents to use in helping their child succeed  
10 in reading proficiency;

11           6. The grade-level performance scores of the student;

12           7. That while the results of the statewide assessments  
13 administered pursuant to Section 1210.508 of this title are the  
14 initial determinant, they are not the sole determiner of promotion  
15 and that portfolio reviews and assessments are available; and

16           8. The specific criteria and policies of the school district  
17 for midyear promotion implemented as provided for in paragraph 4 of  
18 subsection N of this section.

19           J. No student may be assigned to a grade level based solely on  
20 age or other factors that constitute social promotion.

21           K. For those students who do not meet the academic requirements  
22 for promotion and who are not otherwise promoted as provided for in  
23 subsection H of this section, a school district may promote the  
24

1 student for good cause only. Good-cause exemptions for promotion  
2 shall be limited to the following:

3 1. Limited-English-proficient students who have had less than  
4 two (2) years of instruction in an English language learner program;

5 2. Students with disabilities whose individualized education  
6 program (IEP), consistent with state law, indicates that the student  
7 is to be assessed with alternate achievement standards through the  
8 Oklahoma Alternate Assessment Program (OAAP);

9 3. Students who demonstrate an acceptable level of performance  
10 on an alternative standardized reading assessment approved by the  
11 State Board of Education;

12 4. Students who demonstrate, through a student portfolio, that  
13 the student is reading on grade level as evidenced by demonstration  
14 of mastery of the state standards beyond the retention level;

15 5. Students with disabilities who participate in the statewide  
16 assessments administered pursuant to Section 1210.508 of this title  
17 and who have an individualized education program that reflects that  
18 the student has received intensive remediation in reading for more  
19 than two (2) years but still demonstrates a deficiency in reading  
20 and was previously retained in prekindergarten for academic reasons,  
21 kindergarten, first grade, second grade, or third grade;

22 6. Students who have received intensive remediation in reading  
23 through a program of reading instruction for two (2) or more years  
24 but still demonstrate a deficiency in reading and who were

1 previously retained in prekindergarten for academic reasons,  
2 kindergarten, first grade, second grade, or third grade for a total  
3 of two (2) years; and

4 7. Students who have been granted an exemption for medical  
5 emergencies by the State Department of Education.

6 L. A student who is otherwise promoted as provided for in  
7 subsection H of this section or is promoted for good cause as  
8 provided for in subsection K of this section shall be provided  
9 intensive reading instruction during an altered instructional day  
10 that includes specialized diagnostic information and specific  
11 reading strategies for each student. The school district shall  
12 assist schools and teachers to implement reading strategies for the  
13 promoted students that research has shown to be successful in  
14 improving reading among low-performing readers.

15 M. Requests to exempt students from the retention requirements  
16 based on one of the good-cause exemptions as described in subsection  
17 K of this section shall be made using the following process:

18 1. Documentation submitted from the teacher of the student to  
19 the school principal that indicates the student meets one of the  
20 good-cause exemptions and promotion of the student is appropriate.  
21 In order to minimize paperwork requirements, the documentation shall  
22 consist only of the alternative assessment results or student  
23 portfolio work and the individual education plan (IEP), as  
24 applicable;

1           2. The principal of the school shall review and discuss the  
2 documentation with the teacher and, if applicable, the other members  
3 of the ~~team~~ Student Reading Proficiency Team as described in  
4 subsection ~~H~~ D of this section. If the principal determines that  
5 the student meets one of the good-cause exemptions and should be  
6 promoted based on the documentation provided, the principal shall  
7 make a recommendation in writing to the school district  
8 superintendent; and

9           3. After review, the school district superintendent shall  
10 accept or reject the recommendation of the principal in writing.

11           N. Each school district shall:

12           1. Conduct a review of the program of reading instruction for  
13 all students who score below the proficient level on the reading  
14 portion of the statewide assessment administered pursuant to Section  
15 1210.508 of this title and did not meet the criteria for one of the  
16 good-cause exemptions as set forth in subsection K of this section.  
17 The review shall address additional supports and services, as  
18 described in this subsection, needed to remediate the identified  
19 areas of reading deficiency. The school district shall require a  
20 student portfolio to be completed for each retained student;

21           2. Provide to students who have been retained as set forth in  
22 subsection H of this section with intensive interventions in  
23 reading, intensive instructional services and supports to remediate  
24 the identified areas of reading deficiency, including a minimum of

1 ninety (90) minutes of daily, uninterrupted, scientific-research-  
2 based reading instruction. Retained students shall be provided  
3 other strategies prescribed by the school district, which may  
4 include, but are not limited to:

- 5 a. small group instruction,
- 6 b. reduced teacher-student ratios,
- 7 c. more frequent progress monitoring,
- 8 d. tutoring or mentoring,
- 9 e. transition classes containing third- and fourth-grade  
10 students,
- 11 f. extended school day, week, or year, and
- 12 g. summer reading academies as provided for in Section  
13 1210.508E of this title, if available;

14 3. Provide written notification to the parent or guardian of  
15 any student who is to be retained as set forth in subsection H of  
16 this section that the student has not met the proficiency level  
17 required for promotion and was not otherwise promoted and the  
18 reasons the student is not eligible for a good-cause exemption. The  
19 notification shall include a description of proposed interventions  
20 and intensive instructional supports that will be provided to the  
21 student to remediate the identified areas of reading deficiency;

22 4. Implement a policy for the midyear promotion of a retained  
23 student who can demonstrate that the student is a successful and  
24 independent reader, is reading at or above grade level, and is ready

1 to be promoted to the fourth grade. Tools that school districts may  
2 use in reevaluating any retained student may include subsequent  
3 assessments, alternative assessments, and portfolio reviews, in  
4 accordance with rules of the State Board of Education. Retained  
5 students may only be promoted midyear prior to November 1 and only  
6 upon demonstrating a level of proficiency required to score at the  
7 proficient level on the statewide third-grade assessment  
8 administered pursuant to Section 1210.508 of this title, or upon  
9 demonstrating proficiency in reading at the third-grade level  
10 through a screening instrument administered pursuant to subsection B  
11 of this section, and upon showing progress sufficient to master  
12 appropriate fourth-grade-level skills, as determined by the school.  
13 A midyear promotion shall be made only upon agreement of the parent  
14 or guardian of the student and the school principal;

15 5. Provide students who are retained with a high-performing  
16 teacher who can address the needs of the student, based on student  
17 performance data and above-satisfactory performance appraisals; and

18 6. In addition to required reading enhancement and acceleration  
19 strategies, provide students who are retained with at least one of  
20 the following instructional options:

21 a. supplemental tutoring in scientific-research-based  
22 reading services in addition to the regular reading  
23 block, including tutoring before or after school,

24

1           b. a parent-guided "Read at Home" assistance plan, as  
2           developed by the State Department of Education, the  
3           purpose of which is to encourage regular parent-guided  
4           home reading, or

5           c. a mentor or tutor with specialized reading training.

6           O. Beginning with the 2011-2012 school year, each school  
7           district shall establish a Reading Enhancement and Acceleration  
8           Development (READ) Initiative. The focus of the READ Initiative  
9           shall be to prevent the retention of third-grade students by  
10          offering intensive accelerated reading instruction to third-grade  
11          students who failed to meet standards for promotion to fourth grade  
12          and to kindergarten through third-grade students who are exhibiting  
13          a reading deficiency. The READ Initiative shall:

14          1. Be provided to all kindergarten through third-grade students  
15          at risk of retention as identified by the assessments administered  
16          pursuant to the Reading Sufficiency Act. The assessment used shall  
17          measure phonemic awareness, phonics, fluency, vocabulary, and  
18          comprehension;

19          2. Be provided during regular school hours in addition to the  
20          regular reading instruction; and

21          3. Provide a state-approved reading curriculum that, at a  
22          minimum, meets the following specifications:

- a. assists students assessed as exhibiting a reading deficiency in developing the ability to read at grade level,
- b. provides skill development in phonemic awareness, phonics, fluency, vocabulary, and comprehension,
- c. provides a scientific-research-based and reliable assessment,
- d. provides initial and ongoing analysis of the reading progress of each student,
- e. is implemented during regular school hours,
- f. provides a curriculum in core academic subjects to assist the student in maintaining or meeting proficiency levels for the appropriate grade in all academic subjects,
- g. establishes at each school, where applicable, an Intensive Acceleration Class for retained third-grade students who subsequently score below the proficient level on the reading portion of the statewide assessment administered pursuant to Section 1210.508 of this title. The focus of the Intensive Acceleration Class shall be to increase the reading level of a child at least two grade levels in one (1) school year. The Intensive Acceleration Class shall:

- (1) be provided to any student in the third grade who scores below the proficient level on the reading portion of the statewide assessments and who was retained in the third grade the prior year because of scoring below the proficient level on the reading portion of the statewide assessments,
- (2) have a reduced teacher-student ratio,
- (3) provide uninterrupted reading instruction for the majority of student contact time each day and incorporate opportunities to master the fourth-grade state standards in other core subject areas,
- (4) use a reading program that is scientific-research-based and has proven results in accelerating student reading achievement within the same school year,
- (5) provide intensive language and vocabulary instruction using a scientific-research-based program, including use of a speech-language therapist,
- (6) include weekly progress monitoring measures to ensure progress is being made, and
- (7) provide reports to the State Department of Education, in the manner described by the

- 1 Department, outlining the progress of students in  
2 the class at the end of the first semester,
- 3 h. provide reports to the State Board of Education, upon  
4 request, on the specific intensive reading  
5 interventions and supports implemented by the school  
6 district. The State Superintendent of Public  
7 Instruction shall annually prescribe the required  
8 components of the reports, and
  - 9 i. provide to a student who has been retained in the  
10 third grade and has received intensive instructional  
11 services but is still not ready for grade promotion,  
12 as determined by the school district, the option of  
13 being placed in a transitional instructional setting.
