13 may consent to have services provided by health professionals under

18 SECTION 2. NEW LAW A new section of law to be codified
19 in the Oklahoma Statutes as Section 3102.4 of Title 63, unless there
20 is created a duplication in numbering, reads as follows:

21 When an adult patient or a person under eighteen (18) years of
22 age who may consent to have services provided by health
23 professionals under Section 2602 of Title 63 of the Oklahoma
24 Statutes is persistently unconscious, incompetent or otherwise

1 mentally or physically incapable of communicating, those reasonably
2 available and willing in the following classes, in the order of
3 priority below, are authorized to make health care decisions for the
4 patient under the same standard as that applicable to making life-
5 sustaining treatment decisions under Section 3101.16 of Title 63 of
6 the Oklahoma Statutes, excluding any person who is disqualified from
7 exercising such authority by Section 3 of this act. If those within
8 a class disagree, a majority within the class may make a health care
9 decision for the patient. However, a provider of health care to the
10 patient or any member or members of any of the following classes may
11 petition a court that would have jurisdiction over a guardianship
12 proceeding concerning the patient under Section 1-115 of Title 30 of
13 the Oklahoma Statutes to seek an order directing a different health
14 care decision on the ground that the health care decision or
15 decisions made violate the standard required by this section,
16 granting another member or other members from among the following
17 classes (notwithstanding the statutory order of priority)
18 supervening authority to make health care decisions for the patient
19 on the ground that clear and convincing evidence demonstrates they
20 are more likely to adhere to that standard, or both. Upon motion by
21 any party, the court shall issue an order requiring that pending its
22 decision on the merits and the resolution of any appeal the patient
23 be provided with health care of which denial, in reasonable medical
24 judgment, would be likely to result in or hasten the death of the

1 patient, unless its provision would require denial of the same
2 health care to another patient. The classes are as follows:

3 1. A general guardian of the person appointed pursuant to
4 subsection A of Section 3-112 of Title 30 of the Oklahoma Statutes
5 or a limited guardian of the person appointed pursuant to subsection
6 B of Section 3-112 of Title 30 of the Oklahoma Statutes with
7 authority to make personal medical decisions as determined under
8 paragraph 5 of subsection B of Section 3-113 of Title 30 of the
9 Oklahoma Statutes;

10 2. A health care proxy, or alternate health care proxy,
11 designated by the patient, as defined in paragraph 6 of Section
12 3101.3 of Title 63 of the Oklahoma Statutes;

13 3. An attorney-in-fact authorized to act pursuant to the
14 Uniform Durable Power of Attorney Act, Sections 1071 through 1077 of
15 Title 58 of the Oklahoma Statutes, with authority to act regarding
16 the patient's health and medical care decisions, subject to the
17 limitations under paragraph 1 of subsection B of Section 1072.1 of
18 Title 58 of the Oklahoma Statutes;

19 4. The patient's spouse;

20 5. Adult children of the patient;

21 6. Parents of the patient;

22 7. Adult siblings;

23 8. Other adult relatives of the patient in order of kinship; or
24

1 9. Close friends of the patient who have maintained regular
2 contact with the patient sufficient to be familiar with the
3 patient's personal values. Execution of an affidavit stating
4 specific facts and circumstances documenting such contact
5 constitutes prima facie evidence of close friendship.

6 SECTION 3. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 3102.5 of Title 63, unless there
8 is created a duplication in numbering, reads as follows:

9 No person shall be authorized under Section 2 of this act to
10 make health care decisions for a patient if that person:

11 1. Has been convicted of, plead guilty to, or plead "no
12 contest" to any violation of Sections 843.1, 843.2, 843.4 or 843.5
13 of Title 21 of the Oklahoma Statutes;

14 2. Has been found to have committed abuse, verbal abuse or
15 exploitation, as these terms are defined in Section 10-103 of Title
16 43A of the Oklahoma Statutes, by a final State Department of Health
17 investigative finding or by an Administrative Law Judge finding,
18 unless that finding has been overturned through judicial review; or

19 3. Has been criminally charged as described in Section 10-
20 110.1B of Title 43A of the Oklahoma Statutes, unless the person has
21 been acquitted or those charges have been finally dismissed.

22 SECTION 4. This act shall become effective November 1, 2017.
