16 B. No education employee shall be liable for the use of

1 SECTION 2. AMENDATORY 70 O.S. 2011, Section 24-101.3, as

7 section. Each school district board of education shall adopt a
8 policy with procedures which provides for out-of-school suspension
9 of students. The policy shall address the term of the out-of-school
10 suspension, provide an appeals process as described in subsection B
11 of this section, and provide that before a student is suspended out-
12 of-school, the school or district administration shall consider and
13 apply, if appropriate, alternative in-school placement options that
14 are not to be considered suspension, such as placement in an
15 alternative school setting, reassignment to another classroom, or
16 in-school detention. The policy shall address education for
17 students subject to the provisions of subsection ~~D~~ F of this section
18 and whether participation in extracurricular activities shall be
19 permitted. The policy shall facilitate the re-engagement of

13 and students suspended pursuant to the provisions of paragraph 2 of
14 subsection E of this section may request a review of the

2 the final decision. The decision of the district board of education
3 or the hearing officer, if applicable, shall be final.

4 C. In lieu of out-of-school suspension as provided for in
5 subsection A of this section, a school district shall consider using
6 restorative practices as an alternative or in addition to suspension
7 that provide the offender the opportunity to accept responsibility
8 for the harm caused to those affected by the misconduct and to
9 participate in setting consequences to repair the harm. The
10 selected consequences may be incorporated into an agreement that
11 sets time limits for completion and is signed by the offender.
