14 be directly or indirectly used, granted, paid, or distributed to any  
15 entity, organization, or individual for the provision of the  
16 services described in subsection B of this act to any minor or  
17 adult. No facility that receives public funds shall allow its staff  
18 or facilities to be used to perform the services described in  
19 subsection B of this act on any minor or adult. Any violation of  
20 this section shall result in the loss of public funding to the  
21 entity, organization, or individual for a minimum of one (1) year  
22 and shall not be reinstated until full compliance with this act.

23 F. 1. Any violation of subsections B or C of this section

10 3. A person may assert an actual or threatened violation of  
11 this act as a claim or defense in a judicial or administrative  
12 proceeding and obtain compensatory damages, injunctive relief,  
13 declaratory relief, or any other appropriate relief.

14 4. A person shall bring a claim for a violation of this act no  
15 later than the date of which the individual upon whom the services  
16 described in subsection B of this section were performed attains  
17 forty-five (45) years of age.

18 5. An individual under eighteen (18) years of age may bring an

22 after reaching the age of majority.

23 6. The Attorney General may bring an action to enforce  
24 compliance with this act. Nothing in this act shall be construed to

2 Attorney General, the state, or any agency, officer, or employee of  
3 the state to institute or intervene in any action or proceeding.

4 7. In any action or proceeding to enforce a provision of this

17 section whether performed on a minor or adult.

18 H. To the extent the state or any private party is enjoined  
19 from enforcing any part or application of this act, all other parts  
20 or applications of that subsection and all other subsections are  
21 severable and enforceable. It is the Legislature's intent that any  
22 lawful subsection, application, or part of a subsection remain  
23 enforceable no matter the number of subsections, parts of  
24 subsections, or applications deemed unenforceable. Under no

1 circumstance should a court conclude the Legislature intended that  
2 the state or private party be enjoined from enforcing any  
3 subsection, application, or part of a subsection not deemed  
4 independently unenforceable.

5 SECTION 2. It being immediately necessary for the preservation  
6 of the public peace, health or safety, an emergency is hereby  
7 declared to exist, by reason whereof this act shall take effect and  
8 be in full force from and after its passage and approval.
