SECTION 3. AMENDATORY Section 31, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2014, Section 31), is amended to read as follows:

Section 31. A. The Multiple Injury Trust Fund shall be derived from the following additional sources:

1. As soon as practicable after January 1 of each year, the commissioners of the Workers' Compensation Commission shall establish an assessment rate applicable to each mutual or interinsurance association, stock company, CompSource Oklahoma, or other insurance carrier writing workers' compensation insurance in

this state, each employer carrying its own risk, and each group self-insurance association, for amounts for purposes of computing the assessment authorized by this section necessary to pay the annual obligations of the Multiple Injury Trust Fund determined on or before December 31 of each year by the MITF Director, provided for in subsection P of this section, to be outstanding for the next calendar year, and to pay the allocations provided for in subsection I of this section. The rate shall be equal for all parties required to pay the assessment. If CompSource begins operating as a mutual insurance company, the Board of Directors for CompSource Mutual Insurance Company shall have the power to disapprove the rate established by the MITF Director until the Multiple Injury Trust Fund repays in full the amount due on any loan from CompSource Mutual Insurance Company or its predecessor CompSource Oklahoma. If the MITF Director and CompSource have not agreed on the assessment rate within thirty (30) days, the Commission shall set an assessment rate sufficient to cover all foreseeable obligations of the Multiple Injury Trust Fund, including interest and principal owed by the Fund on any loan. The rate in effect on the effective date of this act shall remain effective through June 30, 2014;

2. The Oklahoma Tax Commission shall assess and collect from any uninsured employer a temporary assessment at the rate of five percent (5%) of the total compensation for permanent total disability awards, permanent partial disability awards, and death benefits paid out during each quarter of the calendar year by the employers;

3. The assessments shall be paid to the Tax Commission. Insurance carriers, self-insurers, group self-insurance associations and CompSource Oklahoma shall pay the assessment in four equal installments not later than the fifteenth day of the month following the close of each quarter of the calendar year of the assessment. Assessments shall be determined based upon gross direct written premiums, normal premiums or actual paid losses of the paying party, as applicable, during the calendar quarter for which the assessment is due. Uninsured employers shall pay the assessment not later than the fifteenth day of the month following the close of each quarter of the calendar year of the assessment. For purposes of this section, "uninsured employer" means an employer required by law to carry workers' compensation insurance but who has failed or neglected to do so. ~~Only one-third (1/3) of assessments against insurance carriers and CompSource Oklahoma may be charged to policyholders and shall not be considered in determining whether any rate is excessive. The remaining two-thirds (2/3) of assessments~~

~~against insurance carriers and CompSource Oklahoma may not be included in any rate, premium, charge, fee, assessment or other amount to be collected from a policyholder. Insurance carriers and CompSource Oklahoma shall not separately state the amount of the assessment on any invoice or billing assessment.~~

- a. The assessment authorized in this section shall be determined using a rate equal to the proportion that the sum of the outstanding obligations of the Multiple Injury Trust Fund as determined pursuant to paragraph 1 of this subsection and the allocations provided for in subsection I of this section bear to the combined gross direct written premiums of all such insurers; all actual paid losses of all individual self-insureds; and the normal premium of all group self-insurance associations, for the year period from January 1 to December 31 preceding the assessment.
- b. For purposes of this subsection:
  - (1) "actual paid losses" means all medical and indemnity payments, including temporary disability, permanent disability, and death benefits, and excluding loss adjustment expenses and reserves, and
  - (2) "normal premium" means a standard premium less any discounts;

4. By April 15 of each year, the Insurance Commissioner, the MITF Director and each individual and group self-insured shall provide the Commission with such information as the Commission may determine is necessary to effectuate the purposes of this section;

5. Each mutual or interinsurance association, stock company, CompSource Oklahoma, or other insurance carrier writing workers' compensation insurance in this state, and each employer carrying its own risk, including each group self-insurance association, shall be notified by the Commission in writing of the rate for the assessment on or before May 1 of each year in which a rate is determined. The rate determined by the Commission shall be in effect for four calendar quarters beginning July 1 following determination by the Commission; and

6. a. No mutual or interinsurance association, stock company, CompSource Oklahoma, or other insurance carrier writing workers' compensation insurance in this state may be assessed in any year an amount greater than six percent (6%) of the gross direct written premiums of that insurer.
- b. No employer carrying its own risk may be assessed in any year an amount greater than six percent (6%) of the total actual paid losses of that individual self-insured.
- c. No group self-insurance association may be assessed in any year an amount greater than six percent (6%) of the normal premium of that group self-insurance association.
- d. If the maximum assessment does not provide in any one year an amount sufficient to make all necessary payments for obligations of the Multiple Injury Trust Fund and for the allocations provided for in subsection I of this section, the unpaid portion shall be paid as soon thereafter as funds become available.

B. The Multiple Injury Trust Fund is hereby authorized to receive and expend monies appropriated by the Legislature.

C. It shall be the duty of the Tax Commission to collect the payments provided for in this act. The Tax Commission is hereby authorized to bring an action for the recovery of any delinquent or unpaid payments required in this section.

D. Any mutual or interinsurance association, stock company, or other insurance company, which is subject to regulation by the Insurance Commissioner, or CompSource Oklahoma, failing to make payments required in this act promptly and correctly, and failing to report payment of the same to the Insurance Commission within ten (10) days of payment shall be subject to administrative penalties as allowed by law, including but not limited to a fine in the amount of Five Hundred Dollars (\$500.00) or an amount equal to one percent (1%) of the unpaid amount, whichever is greater, to be paid to the Insurance Commissioner.

E. Any employer carrying its own risk, or group self-insurance association failing to make payments required in this act promptly

and correctly, and failing to report payment of the same to the Commission within ten (10) days of payment shall be subject to administrative penalties as allowed by law, including but not limited to a fine in the amount of Five Hundred Dollars (\$500.00) or an amount equal to one percent (1%) of the unpaid amount, whichever is greater, to be paid to the Commission.

F. 1. On or before the first day of April of each year, the State Treasurer shall advise the Commission, the MITF Director and the Tax Commission of the amount of money held as of March 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund. On or before the first day of November of each year, the State Treasurer shall advise the Commission, the MITF Director and the Tax Commission of the amount of money held as of October 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund.

2. Until such time as the Multiple Injury Trust Fund fully satisfies any loan obligation payable to CompSource Mutual Insurance Company or its predecessor CompSource Oklahoma, the State Treasurer shall:

- a. advise the Chief Executive Officer of CompSource on or before the first day of April of the money held as of March 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund, and
- b. advise the Chief Executive Officer of CompSource on or before the first day of November of the money held as of October 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund.

G. Eighty percent (80%) of all sums held by the State Treasurer to the credit of the Multiple Injury Trust Fund may by order of the MITF Director be invested in or loaned on the pledge of any of the securities in which a state bank may invest the monies deposited therein by the State Treasurer; or may be deposited in state or national banks or trust companies upon insured time deposit bearing interest at a rate no less than currently being paid upon insured savings accounts in the institutions. As used in this section, "insured" means insurance as provided by an agency of the federal government. All such securities or evidence of indebtedness shall be placed in the hands of the State Treasurer, who shall be the custodian thereof, who shall collect the principal and interest when due, and pay the same into the Multiple Injury Trust Fund. The

State Treasurer shall pay by vouchers drawn on the Multiple Injury Trust Fund for the making of such investments, when signed by the MITF Director, upon delivery of such securities or evidence of indebtedness to the State Treasurer. The MITF Director may sell any of such securities, the proceeds thereof to be paid over to the State Treasurer for the Multiple Injury Trust Fund.

H. The refund provisions of Sections 227 through 229 of Title 68 of the Oklahoma Statutes shall be applicable to any payments made to the Multiple Injury Trust Fund. Refunds shall be paid from and out of the Multiple Injury Trust Fund.
