11 An Act relating to ad valorem tax; authorizing
12 specified facilities to delay start of ad valorem
13 exemption period under specified circumstances;
14 establishing requirements for, and limitations on,
15 delay of exemption period; providing procedures and
16 assigning duties related to implementation of delay;
17 establishing beginning date for exemption period;
18 excluding certain facilities from qualification for
19 delay; providing for codification; and providing an
20 effective date.

21 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

22 SECTION 1. NEW LAW A new section of law to be codified
23 in the Oklahoma Statutes as Section 2902.5 of Title 68, unless there
24 is created a duplication in numbering, reads as follows:

A. Notwithstanding any other provision of law, manufacturing
facilities applying for the exemption under Section 2902 of Title 68
of the Oklahoma Statutes on or after November 1, 2017, shall be

1 eligible to delay the five-year period of exemption from ad valorem
2 taxes following the expiration or termination of the ad valorem
3 exemption, abatement or other incentive provided through the tax
4 incentive district established pursuant to the Local Development
5 Act. For the purposes of this section, "exemption" shall mean the
6 exemption authorized by Section 6B of Article X of the Oklahoma
7 Constitution and Section 2902 of Title 68 of the Oklahoma Statutes.

8 B. In order to delay the exemption as provided in this section,
9 a manufacturing facility shall:

10 1. Create at least one hundred new jobs at the state index wage
11 provided for in paragraph 2 of subsection F of Section 3604 of Title
12 68 of the Oklahoma Statutes; and

13 2. Invest at least ten (10) times the investment cost in new
14 depreciable property required in paragraph 1 of subsection B of
15 Section 2902 of Title 68 of the Oklahoma Statutes.

16 C. The delay of the exemption shall not be available for any
17 job creation or investment of new depreciable property that occurred
18 prior to November 1, 2017, or the date of the creation of the tax
19 incentive district, whichever is later.

20 D. In order to delay the exemption, a tax incentive district
21 must be created pursuant to the Local Development Act and the
22 governing body established by the Local Development Act must notify
23 the Oklahoma Tax Commission and the Oklahoma Department of Commerce
24 at the time of applying for the exemption.

1 E. Prior to the investment and job creation activities required
2 pursuant to subsection B of this section commencing by the company
3 or companies in the tax incentive district, the governing body of
4 the tax incentive district shall notify the Oklahoma Department of
5 Commerce in writing of the creation of the tax incentive district.
6 The governing body of the tax incentive district shall provide to
7 the Oklahoma Department of Commerce the following information:

- 8 1. Company (or companies) name and contact information;
- 9 2. Complete description of the economic development activity
10 including projected new job creation, projected wages of the new
11 jobs, and planned investment in new depreciable property; and
- 12 3. Any other information requested by the Oklahoma Department
13 of Commerce.

14 The Oklahoma Department of Commerce, in conjunction with the
15 Oklahoma Tax Commission, shall conduct a fiscal and economic impact
16 of the proposed project. If the project has no adverse fiscal
17 impact and a positive economic impact, the project will be referred
18 to the Incentive Approval Committee created in subsection B of
19 Section 3603 of Title 68 of the Oklahoma Statutes for review of the
20 project. If the Incentive Approval Committee approves the project
21 for delay of the exemption, the Oklahoma Department of Commerce
22 shall prepare a contract between the Oklahoma Department of
23 Commerce, on behalf of the State of Oklahoma, and the company or
24 companies that will be awarded a delay of the exemption. Once the

1 contract is executed by the parties, the contract will be forwarded
2 to the Oklahoma Tax Commission. The Oklahoma Tax Commission shall
3 be responsible for monitoring the terms and conditions of the
4 contract between the Oklahoma Department of Commerce and the
5 companies who have been awarded a delay of the exemption.

6 F. If the application for an exemption is approved, the five-
7 year period of exemption from ad valorem taxes for any qualifying
8 manufacturing facility shall begin on January 1 following the
9 expiration or termination of the ad valorem exemption, abatement or
10 other incentive provided through the tax incentive district.

11 G. This section shall not apply to electric power generation
12 facilities. Electric power generation facilities shall not qualify
13 to delay the exemption from ad valorem taxes following the
14 expiration or termination of the ad valorem exemption, abatement or
15 other incentive provided through the tax incentive district pursuant
16 to the Local Development Act.

17 SECTION 2. This act shall become effective November 1, 2017.
