10           Department whose primary functions are to develop  
11           relationships with local law enforcement agencies and  
12           courts.

13           3. The Department shall forward a report of its assessment or  
14 investigation and findings to any district attorney's office which  
15 may have jurisdiction to file a petition pursuant to Section 1-4-101

19 the federal military installation where the active duty service  
20 member is assigned that the Department has received a report that  
21 such child may be abused, neglected or drug-endangered.

1 fetal alcohol syndrome, the Department shall conduct an  
2 investigation of the allegations and shall not limit the evaluation  
3 of the circumstances to an assessment.

4 B. 1. If, upon receipt of a report alleging abuse or neglect  
5 or during the assessment or investigation, the Department determines  
6 that:

7 a. the alleged perpetrator is someone other than a person  
8 responsible for the child's health, safety, or  
9 welfare, and

10 b. the alleged abuse or neglect of the child does not  
11 appear to be attributable to failure on the part of a  
12 person responsible for the child's health, safety, or  
13 welfare to provide protection for the child,

14 the Department shall immediately make a referral, either verbally or  
15 in writing, to the appropriate local law enforcement agency for the  
16 purpose of conducting a possible criminal investigation.

17 2. After making the referral to the law enforcement agency, the

19 unless:

20 a. the Department has reason to believe the alleged  
21 perpetrator is a parent of another child, not the  
22 subject of the criminal investigation, or is otherwise  
23 a person responsible for the health, safety, or  
24 welfare of another child,

1           b. notice is received from a law enforcement agency that  
2           it has determined the alleged perpetrator is a parent  
3           of or a person responsible for the health, safety, or  
4           welfare of another child not the subject of the  
5           criminal investigation, or

6           c. the appropriate law enforcement agency requests the  
7           Department to assist in the investigation. If funds

10          Department may assist law enforcement in interviewing  
11          children alleged to be victims of physical or sexual  
12          abuse.

13          3. If, upon receipt of a report alleging abuse or neglect or  
14          during the assessment or investigation, the Department determines  
15          that the alleged abuse or neglect of the child involves:

16           a. a child in the custody of the Office of Juvenile  
17           Affairs, and

18           b. at the time of the alleged abuse or neglect, such  
19           child was placed in a secure facility operated by the

1 making the referral to the law enforcement agency, the Department  
2 shall not be responsible for further investigation.

3 C. 1. Any law enforcement agency receiving a referral as  
4 provided in this section shall provide the Department with a copy of  
5 the report of any investigation resulting from a referral from the  
6 Department.

7 2. Whenever, in the course of any criminal investigation, a law  
8 enforcement agency determines that there is cause to believe that a  
9 child, other than a child in the custody of the Office of Juvenile  
10 Affairs and placed in an Office of Juvenile Affairs secure juvenile  
11 facility, may be abused or neglected by reason of the acts,  
12 omissions, or failures on the part of a person responsible for the  
13 health, safety, or welfare of the child, the law enforcement agency  
14 shall immediately contact the Department for the purpose of an  
15 investigation.

16 D. If, upon receipt of a report alleging abuse or neglect, the  
17 Department determines that the family has been the subject of a  
18 deprived petition, the Department shall conduct a thorough  
19 investigation of the allegations and shall not limit the evaluation  
20 of the circumstances to an assessment. In addition, if the family  
21 has been the subject of three (3) or more referrals, the Department  
22 shall conduct a thorough investigation of the allegations and shall  
23 not limit the evaluation of the circumstances to an assessment.

1 SECTION 2. AMENDATORY 10A O.S. 2011, Section 1-2-105, as  
2 amended by Section 2, Chapter 355, O.S.L. 2014 (10A O.S. Supp. 2015,  
3 Section 1-2-105), is amended to read as follows:

4 Section 1-2-105. A. 1. Any county office of the Department of  
5 Human Services receiving a child abuse or neglect report shall  
6 promptly respond to the report by initiating an investigation of the  
7 report or an assessment of the family in accordance with priority  
8 guidelines established by the Department. The Department may  
9 prioritize reports of alleged child abuse or neglect based on the  
10 severity and immediacy of the alleged harm to the child. The  
11 Department shall adopt a priority system pursuant to rules  
12 promulgated by the Department. The primary purpose of the  
13 investigation or assessment shall be the protection of the child.  
14 For investigations or assessments, the Department shall give special  
15 consideration to the risks of any minor, including a child with a  
16 disability, who is unable to communicate effectively about abuse,  
17 neglect or other safety threat or who is in a vulnerable position  
18 due to the inability to communicate effectively.

19 2. If an investigation or assessment conducted by the  
20 Department in response to any report of child abuse or neglect shows  
21 that the incident reported was the result of the reasonable exercise  
22 of parental discipline involving the use of ordinary force,  
23 including, but not limited to, spanking, switching, or paddling, the  
24

1 investigation or assessment will proceed no further and all records  
2 regarding the incident shall be expunged.

3 B. 1. The investigation or assessment shall include a visit to  
4 the home of the child, unless there is reason to believe that there  
5 is an extreme safety risk to the child or worker or it appears that  
6 the referral has been made in bad faith. The visit shall include an  
7 interview with and examination of the subject child and may be  
8 conducted at any reasonable time and at any place including, but not  
9 limited to, the child's school. The Department shall notify the  
10 person responsible for the health, safety, and welfare of the child  
11 that the child has been interviewed at a school. The investigation  
12 or assessment may include an interview with the parents of the child  
13 or any other person responsible for the health, safety, or welfare  
14 of the child and an interview with and examination of any child in  
15 the home.

16 2. The investigation or assessment may include a medical,  
17 psychological, or psychiatric examination of any child in the home.  
18 If admission to the home, school, or any place where the child may  
19 be located cannot be obtained, then the district court having  
20 jurisdiction, upon application by the district attorney and upon  
21 cause shown, shall order the person responsible for the health,  
22 safety, or welfare of the child, or the person in charge of any  
23 place where the child may be located, to allow entrance for the  
24 interview, the examination, and the investigation or assessment. If

1 the person responsible for the health, safety, or welfare of the  
2 child does not consent to a medical, psychological, or psychiatric  
3 examination of the child that is requested by the Department, the  
4 district court having jurisdiction, upon application by the district  
5 attorney and upon cause shown, shall order the examination to be  
6 made at the times and places designated by the court.

7 3. The investigation or assessment may include an inquiry into  
8 the possibility that the child or a person responsible for the  
9 health, safety, or welfare of the child has a history of mental  
10 illness. If the person responsible for the child's health, safety,  
11 or welfare does not allow the Department to have access to  
12 behavioral health records or treatment plans requested by the  
13 Department, which may be relevant to the alleged abuse or neglect,  
14 the district court having jurisdiction, upon application by the  
15 district attorney and upon good cause shown, shall by order allow  
16 the Department to have access to the records pursuant to terms and  
17 conditions prescribed by the court.

18 4. a. If the court determines that the subject of the  
19 behavioral health records is indigent, the court shall  
20 appoint an attorney to represent that person at the  
21 hearing to obtain behavioral health records.

22 b. A person responsible for the health, safety, or  
23 welfare of the child is entitled to notice and a  
24 hearing when the Department seeks a court order to

1 allow a psychological or psychiatric examination or  
2 access to behavioral health records.

3 c. Access to behavioral health records does not  
4 constitute a waiver of confidentiality.

5 5. The investigation of a report of sexual abuse or serious  
6 physical abuse or both sexual abuse and serious physical abuse shall  
7 be conducted, when appropriate and possible, using a  
8 multidisciplinary team approach as provided by Section 1-9-102 of  
9 this title. Law enforcement and the Department shall exchange  
10 investigation information.

11 6. The investigation or assessment shall include an inquiry  
12 into whether the person responsible for the health, safety or  
13 welfare of the child is an active duty service member of the  
14 military or the spouse of an active duty service member. The  
15 Department shall collect and report information related to the  
16 military affiliation of the person or spouse responsible for the  
17 health, safety or welfare of the child to the designated federal  
18 authorities at the federal military installation where the service  
19 member is assigned as provided by paragraph 4 of subsection A of  
20 Section 1-2-102 of this title.

21 C. 1. Every physician, surgeon, or other health care provider  
22 making a report of abuse or neglect as required by this section or  
23 examining a child to determine the likelihood of abuse or neglect  
24 and every hospital or related institution in which the child was

1 examined or treated shall provide copies of the results of the  
2 examination or copies of the examination on which the report was  
3 based and any other clinical notes, x-rays, photographs, and other  
4 previous or current records relevant to the case to law enforcement  
5 officers conducting a criminal investigation into the case and to  
6 employees of the Department conducting an assessment or  
7 investigation of alleged abuse or neglect in the case.

8       2. As necessary in the course of conducting an assessment or  
9 investigation, the Department may request and obtain, without a  
10 court order, copies of all prior medical records of a child  
11 including, but not limited to, hospital records, medical, and dental  
12 records. The physician-patient privilege shall not constitute  
13 grounds for failure to produce such records.

14       D. If, before the assessment or investigation is complete, the  
15 Department determines that immediate removal of the child is  
16 necessary to protect the child from further abuse or neglect, the  
17 Department shall recommend that the child be taken into custody.

18       E. The Department shall make a complete written report of the  
19 investigation. The investigation report, together with its  
20 recommendations, shall be submitted to the appropriate district  
21 attorney's office. Reports of assessment recommendations shall be  
22 submitted to appropriate district attorneys.

23       F. The Department, where appropriate and in its discretion,  
24 shall identify prevention and intervention-related services

1 available in the community and refer the family to or arrange for  
2 such services when an investigation or assessment indicates the  
3 family would benefit from such services, or the Department may  
4 provide such services directly. The Department shall document in  
5 the record its attempts to provide, refer or arrange for the  
6 provision of, voluntary services and shall determine within sixty  
7 (60) days whether the family has accessed those services directly  
8 related to safety of the child. If the family refuses voluntary  
9 services or does not access those services directly related to  
10 safety of the child, and it is determined by the Department that the  
11 child's surroundings endanger the health, safety, or welfare of the  
12 child, the Department may recommend that the child be placed in  
13 protective or emergency custody or that a petition be filed.

14 G. If the Department has reason to believe that a person  
15 responsible for the health, safety, and welfare of the child may  
16 remove the child from the state before the investigation is  
17 completed, the Department may request the district attorney to file  
18 an application for a temporary restraining order in any district  
19 court in the State of Oklahoma without regard to continuing  
20 jurisdiction of the child. Upon cause shown, the court may enter a  
21 temporary restraining order prohibiting the parent or other person  
22 from removing the child from the state pending completion of the  
23 assessment or investigation.

24

1 H. The Director of the Department or designee may request an  
2 investigation be conducted by the Oklahoma State Bureau of  
3 Investigation or other law enforcement agency in cases where it  
4 reasonably believes that criminally injurious conduct including, but  
5 not limited to, physical or sexual abuse of a child has occurred.

6 I. Child Welfare Services, in collaboration with the  
7 Developmental Disabilities Services Division, shall implement a  
8 protocol to be used in cases where the subject child is a child with  
9 a disability who has complex medical needs, and the protocol shall  
10 include, but not be limited to: resource coordination, medical  
11 consultation or medical evaluation, when needed.
