Supp. 2018, 10 Section 61), is amended to read as follows: 11 Section 61. As used in Sections 61 through 65 of this title: 1. "Chief administrative officer" means an individual 12 13 responsible for directing the administration of a state agency. The 14 term does not mean one or all of the individuals that make policy 15 for a state agency; 16 2. "Construction manager" means an individual, firm, 17 corporation, association, partnership, copartnership, or any other 18 legal entity on the Office of Management and Enterprise Services 19 Construction and Properties (OMES-CAP) registration list and 20 possessing the qualifications to provide services of construction 21 management which include, but are not necessarily limited to, design 22 review, scheduling, cost control, value engineering, 23 constructability evaluation, preparation and coordination of bid 24 packages, and construction administration;

3. "Consultant" means an individual or legal entity possessing 1 2 the qualifications to provide licensed architectural, registered engineering, or registered land surveying services or other 3 4 individuals or legal entities possessing specialized credentials and 5 qualifications as may be needed to evaluate, plan or design and/or provide construction administration and/or construction inspection 6 7 services for any construction or a public work improvement project; 4. "Director" means the Director of the Office of Management 8 9 and Enterprise Services; 10 5. "Department" means the Department of Real Estate Services of the Office of Management and Enterprise Services; 11 12 6. "Office" means the Office of Management and Enterprise 13 Services; 14 7. "Project" means studies, evaluations, plans or designs for 15 facility evaluations or public work improvements, except the 16 transportation facilities under the jurisdiction of the Department 17 of Transportation or the Oklahoma Turnpike Authority: 18 to construct, renovate, alter, repair, maintain, or a. 19 improve real property or fixtures of real property, 20 and 21 b. that does not constitute "construction" as defined by 22 the Public Building Construction and Planning Act; 23 8. "State agency" means an agency, office, officer, bureau, 24 board, counsel, court, commission, institution, unit, division, body

or house of the executive or judicial branches of state government, whether elected or appointed, excluding only political subdivisions of the state, the Oklahoma State Regents for Higher Education and its constituent institutions and the Commissioners of the Land office; and

9. "Facilities Director" or "SFD" means the State Facilities
Director of the Department of Real Estate Services of the Office of
Management and Enterprise Services; and

9 10. "Political subdivision" means any local governmental body 10 formed pursuant to the laws of this state, including, but not limited to, school districts, career technology centers, cities, 11 12 counties, public trusts, public authorities, commissions or other 13 local governmental bodies exercising their authority to contract 14 with construction managers and/or consultants. The term also means 15 any quasi-governmental and nongovernmental organizations contracting 16 with construction managers and/or consultants using public funds or 17 on behalf of a political subdivision.

SECTION 2. AMENDATORY 61 O.S. 2011, Section 62, as last amended by Section 3, Chapter 302, O.S.L. 2013 (61 O.S. Supp. 2018, Section 62), is amended to read as follows:

21 Section 62. A. The Department of Real Estate Services of the 22 Office of Management and Enterprise Services shall maintain a file 23 of all persons and entities interested in and capable of performing 24 construction management and consultant services for state agencies.

ENGR. H. B. NO. 2666

1 The file shall include registration forms and information submitted 2 by construction managers and consultants pursuant to rules promulgated by the Office of Management and Enterprise Services. 3 4 Pursuant to rules promulgated by the Office, the Department shall 5 determine whether a construction manager or consultant qualifies for registration and shall notify the construction manager or consultant 6 7 within twenty (20) days of receipt of a request for registration. Construction managers and consultants shall re-register for each 8 9 successive calendar year with the Department.

10 Β. The requisitioning state agency shall define the scope of a proposed project. The scope shall identify project components, 11 12 phases and timetables and shall include detailed project 13 descriptions. The state agency may request the Department to assist 14 with scope development. The state agency shall send the scope and a 15 requisition for construction management or consultant services, 16 signed by an authorized official, to the Department. The Department 17 shall review the scope and approve it before the state agency issues 18 a solicitation.

19 C. The state agency shall issue a solicitation to construction 20 managers or consultants that are registered with the Department and 21 capable of providing the services the state agency desires. The 22 solicitation shall, at a minimum, contain:

23 1. Description and scope of the project;

24

2. Estimated construction cost or available funds, anticipated
 starting date, and completion date the state agency desires for the
 project;

3. Certification of funds available for the construction
manager or consultant fee, including federal, state or other
participation;

7 4. Closing date for construction manager or consultant to give8 notice of interest to the state agency; and

9 5. Additional data the state agency requires from the
10 construction manager or consultant. The closing date for submission
11 of construction manager or consultant notice of interest for
12 consideration shall be within thirty (30) days of the date of the
13 notice the state agency issues.

D. After the closing date, the Department shall provide information from the construction managers' or consultants' files to the state agency. Should there be an inadequate expression of interest in the project, the state agency and Department personnel shall confer to add construction managers or consultants for consideration.

E. The state agency shall review the information the Department provides and shall select no less than three and no more than five construction managers or consultants per contract for interviews. The review shall include consideration of factors from the information the Department supplies including, but not limited to:

ENGR. H. B. NO. 2666

Professional qualifications for the type of work
 contemplated;

3 2. Capacity for completing the project in the specified time4 period; and

3. Past performance on projects of a similar nature.

F. The Department shall advise the state agency of the methods
to be used to conduct an evaluation, interview, selection, contract
negotiation, and fee negotiation processes pursuant to rules
promulgated by the Office of Management and Enterprise Services.

10 G. 1. Upon completion of contract negotiation with the highest 11 qualified construction manager or consultant, which contract shall 12 include a fair and reasonable fee, the Department shall approve and 13 award the contract.

14 2. If the Department and the first-choice construction manager 15 or consultant cannot reach an agreement, the negotiations shall 16 terminate and negotiations with the second-choice construction 17 manager or consultant shall commence. If the Department and the 18 second-choice construction manager or consultant cannot reach an 19 agreement, the negotiations shall terminate and negotiations with 20 the third-choice construction manager or consultant shall commence. 21 If the Department and the third-choice construction manager or 22 consultant cannot reach an agreement, then all negotiations shall 23 terminate. Should the Department be unable to negotiate a 24 satisfactory contract with any of the three selected construction

ENGR. H. B. NO. 2666

5

1 managers or consultants, the Department shall select additional 2 construction managers or consultants in order of their competency 3 and qualifications and shall continue negotiations in accordance 4 with the provisions of this section until an agreement is reached. 5 H. Any plans developed pursuant to the process for selection of

a contractor for construction of a facility authorized pursuant to
Section 183 of Title 73 of the Oklahoma Statutes shall become the
property of the State of Oklahoma as a condition of the award of the
final contract for construction of the facility.

I. For all state agencies subject to the Public Facilities Act, Sections 202 through 220 213 of this title, the Department shall perform the necessary procurement actions on behalf of a requisitioning agency as enumerated in subsections B through H of this section:

Determine or approve the agency's scope of a project and
 required services as provided in the Public Facilities Act;

17 2. Issue solicitations for construction manager and consultant
18 services;

Conduct evaluations, interviews, selection, contract
 negotiation, and fee negotiation processes; and

4. Provide contract management services after award of a
 construction management or consultant contract.

ENGR. H. B. NO. 2666

J. In the selection of a construction manager or consultant,
 all political subdivisions of this state shall follow these
 procedures:

The subdivision shall select a construction manager or 4 5 consultant based upon the professional qualifications and technical 6 experience of the construction manager or consultant. The 7 subdivision shall negotiate a contract with the highest qualified 8 construction manager or consultant, provided that a fee can be 9 negotiated that is fair and reasonable to both parties. In the 10 event a reasonable fee cannot be negotiated with the selected 11 construction manager or consultant, the subdivision may negotiate with other construction managers or consultants in order of their 12 13 qualifications.

14 <u>K. In the selection of a construction manager, all political</u> 15 subdivisions of this state shall:

16 <u>1. Extend consideration to construction managers from the file</u> 17 <u>maintained by the Department of Real Estate Services of the Office</u> 18 <u>of Management and Enterprise Services. Political subdivisions are</u> 19 <u>not limited in the number of construction manager candidates from</u> 20 <u>whom they intend on seeking proposals;</u>

2. Evaluate the candidates' professional qualifications,
 2.

1	Real Estate Services of the Office of Management and Enterprise
2	Services pursuant to this section may be considered for selection as
3	a construction manager. The subdivision shall use procedures as
4	described in this section and the Public Construction Management Act
5	for Political Subdivisions or may adopt procedures established by
6	the Office of Management and Enterprise Services for state agencies;
7	and
8	3. Consider only professional attributes of the construction
9	managers during the evaluation process and shall not discuss fees.
10	Once the first-choice construction manager candidate is determined,
11	the subdivision shall enter into contract negotiations with the
12	candidate. If the subdivision cannot reach an agreement with the
13	first-choice construction manager, the negotiations shall terminate
14	and negotiations with the next-choice construction manager shall
15	commence. The negotiations shall continue in this manner with each
16	successive candidate until an agreement is reached. If the
17	subdivision and any of the construction manager candidates cannot
18	reach an agreement, then all negotiations shall terminate and the
19	subdivision shall restart the process as described in this section
20	and in the Public Construction Management Act for Political
21	Subdivision, if applicable.
22	SECTION 3. AMENDATORY 61 O.S. 2011, Section 201, as
23	amended by Section 6, Chapter 302, O.S.L. 2013 (61 O.S. Supp. 2018,
24	Section 201), is amended to read as follows:

ENGR. H. B. NO. 2666

Section 201. Sections 202 through 220 213 of this title shall
 be known and may be cited as the "Public Facilities Act".

3 SECTION 4. AMENDATORY 61 O.S. 2011, Section 202, as last 4 amended by Section 3, Chapter 71, O.S.L. 2016 (61 O.S. Supp. 2018, 5 Section 202), is amended to read as follows:

Section 202. As used in the Public Facilities Act:

7 1. "Annual capital plan" means the collective state facility 8 capital improvements, facility operations and maintenance, rent and 9 lease payments, facility debt services, water, sewer and energy 10 utilities and real property transactions approved by the Legislature 11 in a capital budget relative to state construction, maintenance, and 12 real estate services;

13 2. "Capital planning and asset management" means the processes 14 delegated to the Department of Real Estate Services for real 15 property data acquisition, data analysis and determination of 16 capital construction projects and procurement related to real 17 property;

18 3. "Construction" means the process of planning, acquiring, 19 designing, building, equipping, altering, repairing, improving, 20 maintaining, leasing, disposing or demolishing any structure or 21 appurtenance thereto including facilities, utilities, or other 22 improvements to any real property but not including highways, 23 bridges, airports, railroads, tunnels, sewers not related to a 24 structure or appurtenance thereto, or dams;

ENGR. H. B. NO. 2666

6

1 4. "Construction administration" means a series of actions 2 required of the State Facilities Director, of other state agency 3 employees, or, under a construction administration contract or 4 contract provision, to ensure the full, timely, and proper 5 performance of all phases of a construction project by all contractors, suppliers, and other persons having responsibility for 6 7 project work and any guarantees or warranties pertaining thereto; 5. "Department" means the Department of Real Estate Services of 8

9 the Office of Management and Enterprise Services;

10 6. "Construction management" means a project delivery method 11 based on an agreement whereby the owner acquires from a construction 12 entity a series of services that include, but are not necessarily 13 limited to, design review, scheduling, cost control, value 14 engineering, constructability evaluation, preparation and 15 coordination of bid packages, and construction administration; 16 "construction management" includes:

17a. "agency construction management" whereby the18construction entity provides services to the owner19without taking on financial risks for the execution of20the actual construction or time of performance, and21the owner contracts directly with those awarded trade22contracts for the work, and23

24

- b. "at-risk construction management" whereby the
   construction entity, after providing agency services
   during the pre-construction period<sub>7</sub>:
- 4 (1) takes on the financial obligation to timely carry
  5 out construction under a specified cost
  6 agreement, and
- 7 (2) enters into written subcontracts for the work in 8 accordance with the construction management 9 procedures for state agencies;

10 7. "Consultant" means an individual or legal entity possessing 11 the qualifications to provide licensed architectural, registered 12 engineering, registered land surveying, certified appraisal, land 13 title, or abstract services or possessing specialized credentials 14 and qualifications as may be needed to evaluate, plan or design for 15 any construction or public work improvement project, or to lease, 16 acquire or dispose of state-owned real property;

17 8. "Division" means the Construction and Properties Division of
18 the Office of Management and Enterprise Services;

9. "Energy performance index or indices" (EPI) means a number describing the energy requirements at the building boundary of a structure, per square foot of floor space or per cubic foot of occupied volume, as appropriate under defined internal and external ambient conditions over an entire seasonal cycle. As experience develops on the energy performance achieved with state construction, 1 the indices (EPI) will serve as a measure of structure performance 2 with respect to energy consumption;

3 10. "Facilities Director" or "SFD" means the State Facilities
4 Director of the Department of Real Estate Services of the Office of
5 Management and Enterprise Services;

6 11. "Life cycle costs" means the cost of owning, operating, and 7 maintaining the structure over the life of the structure. This may 8 be expressed as an annual cost for each year of the facility's use;

9 12. "Office" means the Office of Management and Enterprise10 Services;

11 13. "Procurement" means buying, purchasing, renting, leasing,
12 allocating, trading or otherwise acquiring or disposing of supplies,
13 services, or construction necessary to evaluate, plan, construct,
14 manage, operate and preserve real property capital assets;

15 "Public improvement" means any beneficial or valuable 14. 16 change or addition, betterment, enhancement or amelioration of or 17 upon any real property, or interest therein, belonging to a state 18 agency and the State of Oklahoma, intended to enhance its value, 19 beauty or utility or to adapt it to new or further purposes. The 20 term does not include the direct purchase of materials used for 21 general repairs and maintenance to state facilities;

15. "Shared savings financing" means the financing of energy conservation measures and maintenance services through a private firm which may own any purchased equipment for the duration of a

1 contract. Such contract shall specify that the private firm will be 2 recompensed either out of a negotiated portion of the savings 3 resulting from the conservation measures and maintenance services 4 provided by the private firm or, in the case of a cogeneration 5 project, through the payment of a rate for energy lower than would 6 otherwise have been paid for the same energy from current sources; 7 and

8 16. "State agency" means an agency, board, commission, counsel, 9 court, office, officer, bureau, institution, unit, division, body, 10 or house of the executive or judicial branches of government of this 11 state, whether elected or appointed, excluding only political 12 subdivisions, the Oklahoma State Regents for Higher Education and 13 its constituent institutions and the Commissioners of the Land 14 Office.

15 SECTION 5. 61 O.S. 2011, Section 202.1, as AMENDATORY 16 last amended by Section 8, Chapter 302, O.S.L. 2013 (61 O.S. Supp. 17 2018, Section 202.1), is amended to read as follows: 18 Section 202.1 A. The design-build and construction management 19 project delivery methods shall not be used without the written 20 approval of the Director of the Office of Management and Enterprise 21 Services, or the Director's designee, when those projects are 22 constructed for a state agency or by an act of the Legislature 23 specifying design-build or at-risk construction management for a 24 project. In all instances where the design-build project or at-risk

ENGR. H. B. NO. 2666

construction management delivery method is authorized, construction
 administration shall be performed by the State Facilities Director,
 the SFD's designee or designees, or otherwise by contract or
 contract provision approved by the Director of the Office of
 Management and Enterprise Services for construction administration
 by another party.

B. Municipalities, counties, public trusts, or any other
political subdivision in this state shall not be required to get
approval of any other state agency in order to use agency
construction management or at-risk construction management as a
construction delivery method. However, municipalities, counties,
public trusts, and any other political subdivision shall be subject
to Section 220 of this title.

14 C. The design-build and construction management project 15 delivery methods shall not be used for any project unless the 16 project meets the criteria established by the administrative rules 17 promulgated as required by this act. Such methods shall not be used 18 unless there is a need for compressed construction time as required 19 to respond to a natural disaster or other emergency situation 20 affecting public health and safety, or all of the following criteria 21 for designation are met: 22 1. The project benefits the public; 23 2. There is a need for cost control; and

24

3. The need exists for specialized or complex construction
 methods due to the unique nature of the project.

3	<del>D.</del> The use of design-build and construction management project
4	delivery methods shall not interfere or inhibit the opportunity for
5	subcontractors and trade contractors to openly and freely compete
6	for subcontracts or trade contracts pursuant to the Public
7	Competitive Bidding Act of 1974 with respect to public notices. The
8	State Facilities Director, or designee, or the construction manager
9	shall make the subcontracting and supply opportunities publicly
10	known, as follows:
11	1. Whenever the estimated cost of the contract exceeds Fifty
12	Thousand Dollars (\$50,000.00), public notice shall be given by
13	publication in a newspaper of general circulation and published in
14	the county where the work, or the major part of the work, is to be
15	done. Such notice by publication shall be published in two
16	consecutive weekly issues of the newspaper, with the first
17	publication thereof to be at least twenty-one (21) days prior to the
18	date set for opening bids; and
19	2. Notice thereof shall be sent to one in-state trade or
20	construction publication for the publication's use and information
21	whenever the estimated cost of the contract exceeds Fifty Thousand
22	Dollars (\$50,000.00); provided, however, this section shall not be
23	construed to require the publication of such notice in such trade or
24	construction publication or to require the provision of such notice

ENGR. H. B. NO. 2666

1 to more than one in-state trade or construction publication or to 2 any out-of-state trade or construction publication.

3 <u>C. Bids shall be publicly opened at the time and place</u>
4 <u>designated in the public notice. A representative of the State</u>
5 Facilities Director shall be present at the bid opening.

E. D. The provisions of subsections subsection A and B of this
section shall not apply to projects by contract pursuant to an
interagency agreement under Section 581 of Title 74 of the Oklahoma
Statutes or to projects a state agency performs solely with the
staff of the agency.

11 F. E. The Office of Management and Enterprise Services shall, 12 pursuant to the Administrative Procedures Act, promulgate rules to 13 effect procedures, processes and design-build/construction 14 management fee guidelines necessary to the fulfillment of its 15 responsibilities under this section.

16 C. As used in the Public Facilities Act, public trusts shall 17 not include state beneficiary public trusts.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 215 of Title 61, unless there is created a duplication in numbering, reads as follows:

21 Sections 6 through 8 of this act shall be known and may be cited 22 as the "Public Construction Management Act for Political

23 Subdivisions".

24

ENGR. H. B. NO. 2666

SECTION 7. NEW LAW A new section of law to be codified
 in the Oklahoma Statutes as Section 216 of Title 61, unless there is
 created a duplication in numbering, reads as follows:

A. The Public Construction Management Act for Political
Subdivisions shall apply to political subdivisions of this state.

B. As used in the Public Construction Management Act for7 Political Subdivisions:

8 1. "Agency construction management" means the construction 9 entity provides services to the owner without taking on financial 10 risks for the execution of the actual construction and/or time of 11 performance, and the owner contracts directly with those awarded 12 trade contracts for the work;

13 2. "At-risk construction management" means the construction 14 entity, after providing agency services during the preconstruction 15 period:

a. takes on the financial obligation to timely carry out
construction under a specified cost agreement, and
b. enters into written subcontracts for the work in
accordance with the Construction Management Procedures
for Political Subdivisions;

3. "Construction management" means a public construction project delivery method based on an agreement whereby the owner acquires from a construction entity a series of services that include, but are not necessarily limited to, design review,

ENGR. H. B. NO. 2666

scheduling, cost control, value engineering, constructability
 evaluation, preparation and coordination of bid packages and
 construction administration. Construction management includes:

4 5 a. agency construction management, and

b. at-risk construction management; and

"Political subdivision" or "subdivision" means any local 6 4. 7 governmental body formed pursuant to the laws of this state, including, but not limited to, school districts, vocational 8 9 education districts, cities, counties, public trusts, public 10 authorities, commissions or other local governmental bodies 11 exercising their authority to contract for public construction 12 delivery services. The term also applies to quasi-governmental and 13 nongovernmental organizations delivering construction services using 14 public funds or on behalf of a political subdivision.

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 217 of Title 61, unless there is created a duplication in numbering, reads as follows:

18 A. Construction managers shall be selected by the political
19 subdivision following the requirements set forth in subsection K of
20 Section 62 of Title 61 of the Oklahoma Statutes.

B. A written contract between the political subdivision and the construction manager shall set forth the obligations of the parties, which, at a minimum, shall include the construction manager's scope of services, fees and expenses, as follows: A construction management fee, which may be based on a
 percentage of the construction cost or as defined in the contract;

2. The cost or basis of cost expenses incurred by the
 construction manager to be reimbursed by the subdivision for normal
 general conditions and general requirements necessary for the work
 but not applicable to a particular subcontractor, trade contractor
 or supplier; and

8 3. Other project-related expenses as set forth in the contract.
9 C. The procedures for awarding work under agency construction
10 management are as follows:

The construction manager, with the advice of the design
 consultant and subdivision, will develop individual bid packages for
 public bidding;

14 2. Public bidding on individual bid packages will comply with
15 the requirements of the Public Competitive Bidding Act of 1974;

3. The construction manager shall evaluate all bids and recommend the lowest responsible bidder to the subdivision, who shall accept or reject the bids. The construction manager may assist the subdivision with the preparation of contracts and the receipt of insurance and bonds as required for public construction contracts by state law;

4. After trade contracts are awarded, the construction manager
will perform contract administrative services as set forth in the
agreement and may assist the subdivision with the review and

ENGR. H. B. NO. 2666

processing of progress and final payments to the subcontractors.
 However, under no circumstances shall construction managers receive
 funds from subdivisions for payments of trade contractors;

5. The owner shall pay all trade contractors as required by the
5 Fair Pay for Construction Act; and

6 6. Contracts awarded under an agency construction management
7 delivery system shall not be modified such to permit the assignment
8 of subcontracts and/or trade packages to the construction manager.

9 D. The procedures for awarding work under at-risk construction
10 management are as follows:

The construction manager, with the advice of the design
 consultant and subdivision, will develop individual bid packages for
 public bidding;

14 2. Whenever the estimated cost of the contract exceeds Fifty 15 Thousand Dollars (\$50,000.00) bid packages shall be let and awarded 16 pursuant to the Public Competitive Bidding Act of 1974 and this 17 section;

3. Bid packages with a value less than or equal to Fifty Thousand Dollars (\$50,000.00) may be awarded by the political subdivision based on written comparative quotes. Bid packages with a value less than or equal to Twenty-five Thousand Dollars (\$25,000.00) may be awarded by the political subdivision to any qualified vendor;

24

ENGR. H. B. NO. 2666

4. Once the bids are accepted by the construction manager and 1 awards made by the subdivision and the subdivision indicates its 2 bonding preference, as noted below, but before written agreements 3 4 are executed, the construction manager will prepare a guaranteed 5 maximum price (GMP) for the project or relevant portion of the work, as an amendment to the contract. After the subdivision approves the 6 7 construction manager's GMP amendment, the construction manager shall enter into written subcontractor and supplies agreements for the 8 9 work previously awarded by the subdivision. Upon receiving a notice 10 to proceed with the work from the subdivision or its designee, the 11 subdivision shall have the option, but not mandate, to require the 12 construction manager to provide performance, payment and maintenance 13 bonds, or any combination, in an amount equal to one hundred percent 14 (100%) of the value of the work, excluding the construction 15 manager's fee, general conditions, reimbursements and insurances. 16 "Payment bond", "performance bond" and "maintenance bond", as used 17 herein, mean and refer to those bonds as defined in the Public 18 Competitive Bidding Act of 1974;

19 5. The construction manager may require bonds from 20 subcontractors or suppliers in an amount equal to one hundred 21 percent (100%) of the value of their bid packages for subcontractors 22 or suppliers not subject to bonding requirements of the Public 23 Competitive Bidding Act of 1974. In such cases, the bonding 24 requirements shall be set forth in the bidding documents;

ENGR. H. B. NO. 2666

6. The construction manager's work performed under this section
 may be on a lump-sum basis and subject to the change order
 limitations for a public construction contract as set forth in the
 Public Competitive Bidding Act of 1974 or may be performed under a
 cost-plus basis as determined by the subdivision;

7. The subdivision may withhold retainage from the construction
manager's progress pay applications as set forth in the Public
Competitive Bidding Act of 1974. The owner shall pay the
construction manager as required by the Fair Pay for Construction
Act; and

11 8. If a construction manager at-risk wishes to self-perform 12 portions of the work to be performed, it may do so, provided the 13 construction manager at-risk competitively bids the work under the 14 same terms and conditions as the other bidders and the construction 15 manager at-risk is the lowest responsible bidder for the work scope 16 on which the bid was submitted.

E. When bids for a public construction project have been received from general contractors pursuant to the Public Competitive Bidding Act of 1974 and the lowest responsible bid is within the subdivision's available funding, the subdivision shall not reject all bids and subsequently award the project to a construction manager.
