BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

1 SECTION 1. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 8-114 of Title 70, unless there
3 is created a duplication in numbering, reads as follows:

4 A. Except as provided in subsection B of this section,
5 beginning July 1, 2024, the transfer of a student from one school
6 site to another school site within the school district where the
7 student resides shall be approved at any time in the year, unless
8 the grade level of the receiving school site has reached capacity.
9 If the capacity of a grade level is insufficient to enroll all
10 eligible students, the school district shall select intra-district
11 transfer students based on the preferences outlined in paragraph 1
12 of subsection B of this section and then in the order in which the
13 intra-district transfer applications were received. The school
14 district board of education shall determine the capacity of a school
15 site based on its policy adopted pursuant to subsection B of this
16 section. A student may be granted a one-year intra-district
17 transfer and may automatically continue to attend the school site
18 where the student transferred each school year with the approval of
19 the school district. At the end of each school year, a school
20 district may deny continued intra-district transfer of the student
21 for the reasons outlined in paragraphs 2 and 3 of subsection B of
22 this section. Any sibling of a student who transfers intra-district
23 may attend the school site to which the student transferred, if the
24 school district policy gives preference to sibling transfers

1 regardless of capacity, and the sibling of the transferred student
 2 does not meet a basis for denial as outlined in paragraphs 2 and 3
 3 of subsection B of this section. Any child in the custody of the
 4 Department of Human Services and living in foster care who resides
 5 in the home of another student who transfers intra-district, may
 6 attend the school site to which the student transferred.

7 B. Each school district board of education shall adopt a policy
 8 to determine the number of intra-district transfer students the
 9 school district has the capacity to accept in each grade level for
 10 each school site within a school district no later than July 1,
 11 2024. The policy shall be publicly posted on the school district
 12 website. The policy:

13 1. Shall include an enrollment preference and reserve capacity
 14 for:

- 15 a. students who reside in the school site boundary,
- 16 b. students who attended the school site the prior school
 17 year, and
- 18 c. siblings of students who are already enrolled at the
 19 school site;

20 2. May include the acts and reasons outlined in Section 24-
 21 101.3 of Title 70 of the Oklahoma Statutes as a basis for denial of
 22 an intra-district transfer; and

23 3. May include a history of absences as a basis for denial of
 24 an intra-district transfer. For the purposes of this section,

1 "history of absences" means ten or more absences in one semester
2 that are not excused for the reasons provided in subsection B of
3 Section 10-105 of Title 70 of the Oklahoma Statutes or due to
4 illness.

5 C. By the first day of January, April, July, and October of
6 each year, the school district board of education shall establish
7 the number of intra-district transfer students the school district
8 has the capacity to accept in each grade level for each school site
9 within the district.

10 D. After establishing the number of intra-district transfer
11 students the school district has the capacity to accept in each
12 grade level for each school site, the board of education shall:

13 1. Publish in a prominent place on the school district website
14 the number of intra-district transfer students for each grade level
15 for each school site within the school district which the district
16 has the capacity to accept; and

17 2. Report to the State Department of Education the number of
18 intra-district transfer students for each grade level for each
19 school site within the school district which the district has the
20 capacity to accept.

21 SECTION 2. This act shall become effective July 1, 2024.

22 SECTION 3. It being immediately necessary for the preservation
23 of the public peace, health or safety, an emergency is hereby
24

1 declared to exist, by reason whereof this act shall take effect and
2 be in full force from and after its passage and approval.
