20 monthly decal which shall include a two-letter abbreviation  
21 corresponding to the county in which the vehicle is registered. The  
22 Tax Commission shall issue all decals in the possession of the Tax  
23 Commission on the effective date of this act before issuing any  
24 decals which do not contain the county abbreviation.

1       2. The operation of a street-legal utility vehicle on the  
2 streets and highways of this state requires the vehicle be issued a  
3 certificate of registration and license plate to be renewed  
4 annually. Upon the filing of a registration application and the  
5 payment of the fees provided for in the Oklahoma Vehicle License and  
6 Registration Act, the Oklahoma Tax Commission or Corporation  
7 Commission, as applicable, shall assign to the vehicle described in  
8 the application a distinctive number, and issue to the owner of the  
9 vehicle a certificate of registration, one license plate and a  
10 yearly decal. For each subsequent registration year, the Tax  
11 Commission shall issue a yearly decal to be affixed to the license  
12 plate. The initial decal for a street-legal utility vehicle shall  
13 be attached to the front of the vehicle and shall be in clear view.  
14 The yearly decal shall have an identification number and the last  
15 two numbers of the registration year for which it shall expire.  
16 Except as provided by Section 1113A of this title, the license plate  
17 shall be affixed to the exterior of the vehicle until a replacement  
18 license plate is issued. If the owner applies for a replacement  
19 license plate, the Tax Commission shall charge the fee provided for  
20 in Section 1114 of this title. The yearly decal will validate the  
21 license plate for each registration period other than the year the  
22 license plate is issued. The license plate and decal shall be of  
23 such size, color, design and numbering as the Tax Commission may  
24 direct. However, yearly decals issued to the owner of a vehicle who

1 has filed an affidavit with the appropriate motor license agent in  
2 accordance with Section 7-607 of this title shall be a separate and  
3 distinct color from all other decals issued under this section.

4 3. The license plate shall be securely attached to the rear of  
5 the vehicle, except truck-tractor plates which shall be attached to  
6 the front of the vehicle. The Tax Commission may, with the  
7 concurrence of the Department of Public Safety, by Joint Rule,  
8 change and direct the manner, place and location of display of any  
9 vehicle license plate when such action is deemed in the public  
10 interest. The license plate, decal and all letters and numbers  
11 shall be clearly visible at all times. The operation of a vehicle  
12 in this state, regardless of where such vehicle is registered, upon  
13 which the license plate is covered, overlaid or otherwise screened  
14 with any material, whether such material be clear, translucent,  
15 tinted or opaque, shall be a violation of this paragraph.

16 ~~3.~~ 4. Upon payment of the annual registration fee provided in  
17 Section 1133 of this title, the Tax Commission or Corporation  
18 Commission, as applicable, or a motor license agent may issue a  
19 permanent nonexpiring license plate to an owner of one hundred or  
20 more commercial motor vehicles and for vehicles registered under the  
21 provisions of Section 1120 of this title. Upon payment of the  
22 annual registration fee, the Tax Commission or Corporation  
23 Commission shall issue a certificate of registration that shall be  
24 carried at all times in the vehicle for which it is issued.

1 Provided, if the registrant submits its application through  
2 electronic means, such qualified owners of one hundred or more  
3 commercial motor vehicles, properly registered pursuant to the  
4 provisions of Section 1133 of this title, may elect to receive a  
5 permanent certificate of registration that shall be carried at all  
6 times in the vehicle for which it is issued.

7 ~~4.~~ 5. Every vehicle owned by an agency of this state shall be  
8 exempt from the payment of registration fees required by this title.  
9 Provided, such vehicle shall be registered and shall otherwise  
10 comply with the provisions of the Oklahoma Vehicle License and  
11 Registration Act.

12 B. The license plates required under the provisions of this  
13 title shall conform to the requirements and specifications listed  
14 hereinafter:

15 1. Each license plate shall have a space for the placement of  
16 the yearly decals for each succeeding year of registration after the  
17 initial issue;

18 2. The provisions of the Oklahoma Vehicle License and  
19 Registration Act regarding the issuance of yearly decals shall not  
20 apply to the issuance of apportioned license plates, including  
21 license plates for state vehicles, and exempt plates for  
22 governmental entities and fire departments organized pursuant to  
23 Section 592 of Title 18 of the Oklahoma Statutes;

24

1           3. All license plates and decals shall be made with  
2 reflectorized material as a background to the letters, numbers and  
3 characters displayed thereon. The reflectorized material shall be  
4 of such a nature as to provide effective and dependable brightness  
5 during the service period for which the license plate or decal is  
6 issued;

7           4. Except as otherwise provided in this subsection, the Tax  
8 Commission shall design appropriate official license plates for all  
9 state vehicles. Such license plates shall be permanent in nature  
10 and designed in such manner as to remain with the vehicle for the  
11 duration of the vehicle's life span or until the title is  
12 transferred to a nongovernmental owner;

13           5. Within the limits prescribed in this section, the Tax  
14 Commission shall design appropriate official license plates for  
15 vehicles of the Oklahoma Highway Patrol. The license plates shall  
16 have the legend "Oklahoma OK" and shall contain the letters "OHP"  
17 followed by the state seal and the badge number of the Highway  
18 Patrol officer to whom the vehicle is assigned. The words "Oklahoma  
19 Highway Patrol" shall also be included on such license plates;

20           6. Within the limits prescribed in this section, the Tax  
21 Commission shall design appropriate official license plates for  
22 vehicles of the Oklahoma Military Department. Such license plates  
23 shall have the legend "Oklahoma OK" and shall contain the letters  
24 "OMD" followed by the state seal and three numbers or letters as

1 designated by the Adjutant General. The words "Oklahoma Military  
2 Department" shall also be included on such license plates;

3 7. Within the limits prescribed in this section, the Tax  
4 Commission shall design appropriate official license plates for  
5 vehicles of the Oklahoma Department of Corrections. Such license  
6 plates shall contain the letters "DOC" followed by the Department of  
7 Corrections badge and three numbers or letters or combination of  
8 both as designated by the Director of the agency. The words  
9 "Department of Corrections" shall also be included on such license  
10 plates; and

11 8. Within the limits prescribed in this section, the Oklahoma  
12 Tourism and Recreation Department shall design any license plates  
13 required by the initiation of a license plate reissuance by the  
14 Oklahoma Tax Commission at the request of the Department of Public  
15 Safety pursuant to the provisions of Section 1113.2 of this title.  
16 Any such new designs shall be submitted by the Oklahoma Tourism and  
17 Recreation Department to the Department of Public Safety for its  
18 approval prior to being issued by the Oklahoma Tax Commission.

19 C. Where the applicant has satisfactorily shown that the  
20 applicant owns the vehicle sought to be registered but is unable to  
21 produce documentary evidence of the ownership, a license plate may  
22 be issued upon approval by the Tax Commission or Corporation  
23 Commission, as applicable. In such instances the reason for not  
24 issuing a certificate of title shall be indicated on the receipt

1 given to the applicant. It shall still be the duty of the applicant  
2 to immediately take all necessary steps to obtain the Oklahoma  
3 certificate of title and it shall be unlawful for the applicant to  
4 sell the vehicle until the certificate has been obtained in the  
5 applicant's name.

6 D. The certificate of registration provided for in this section  
7 shall be in convenient form, and the certificate of registration, or  
8 a certified copy or photostatic copy thereof, duly authenticated by  
9 the Tax Commission or Corporation Commission, as applicable, shall  
10 be carried at all times in or upon all vehicles so registered, in  
11 such manner as to permit a ready examination thereof upon demand by  
12 any peace officer of the state or duly authorized employee of the  
13 Department of Public Safety. Any such officer or agent may seize  
14 and hold such vehicle when the operator of the same does not have  
15 the registration certificate in the operator's possession or when  
16 any such officer or agent determines that the registration  
17 certificate has been obtained by misrepresentation of any essential  
18 or material fact or when any number or identifying information  
19 appearing on such certificate has been changed, altered, obliterated  
20 or concealed in any way, until the proper registration or  
21 identification of such vehicle has been made or produced by the  
22 owner thereof.

23 E. The purchaser of a new or used manufactured home shall,  
24 within thirty (30) days of the date of purchase, register the home

1 with the Tax Commission or a motor license agent pursuant to the  
2 provisions of Section 1117 of this title. For a new manufactured  
3 home, it shall be the responsibility of the dealer selling the home  
4 to place a temporary license plate on the home in the same manner as  
5 provided in Section 1128 of this title for other new motor vehicles.  
6 For the first year that any manufactured home is registered in this  
7 state, the Tax Commission shall issue a metal license plate which  
8 shall be affixed to the manufactured home. The temporary dealer  
9 license plate or the metal license plate shall be displayed on the  
10 manufactured home at all times when upon a public roadway; provided,  
11 a repossession affidavit issued pursuant to Sections 1110 and 1126  
12 of this title shall be permissible in lieu of a current license  
13 plate and decal for the purposes of removing a repossessed  
14 manufactured home to a secure location. Manufactured homes  
15 previously registered and subject to ad valorem taxation as provided  
16 by law shall have a decal affixed at the time ad valorem taxes are  
17 paid for such manufactured home; provided, for a manufactured home  
18 permanently affixed to real estate, no decal or license plate shall  
19 be required to be affixed and the owner thereof shall be given a  
20 receipt upon payment of ad valorem taxes due on the home. The Tax  
21 Commission shall make sufficient plates and decals available to the  
22 various motor license agents of the state in order for an owner of a  
23 manufactured home to acquire the plate or decal. A one-dollar fee  
24 shall be charged for issuance of any plate or decal. The fee shall

1 be apportioned each month to the General Revenue Fund of the State  
2 Treasury.

3 F. The decal shall be easily visible for purposes of  
4 verification by a county assessor that the manufactured home is  
5 properly assessed for ad valorem taxation. In the first year of  
6 registration, a decal shall be issued for placement on the license  
7 plate indicating payment of applicable registration fees and excise  
8 taxes. A duplicate manufactured home registration decal shall be  
9 affixed inside the window nearest the front door of the manufactured  
10 home. In the second and all subsequent years for which the  
11 manufactured home is subject to ad valorem taxation, an annual decal  
12 shall be affixed inside the window nearest the front door as  
13 evidence of payment of ad valorem taxes. The Tax Commission shall  
14 issue decals to the various county treasurers of the state in order  
15 for a manufactured home owner to obtain such decal each year. Upon  
16 presentation of a valid ad valorem tax receipt, the manufactured  
17 home owner shall be issued the annual decal.

18 G. Upon the registration of a manufactured home in this state  
19 for the first time or upon discovery of a manufactured home  
20 previously registered within this state for which the information  
21 required by this subsection is not known, the Tax Commission shall  
22 obtain:

23 1. The name of the owner of the manufactured home;  
24

- 1        2. The serial number or identification number of the
- 2 manufactured home;
- 3        3. A legal description or address of the location for the home;
- 4        4. The actual retail selling price of the manufactured home
- 5 excluding Oklahoma taxes;
- 6        5. The certificate of title number for the home; and
- 7        6. Any other information which the Tax Commission deems to be
- 8 necessary.

9        The application for registration shall also include the school  
10 district in which the manufactured home is located or is to be  
11 located. The information shall be entered into a computer data  
12 system which shall be used by the Tax Commission to provide  
13 information to county assessors upon request by the assessor. The  
14 assessor may request any information from the system in order to  
15 properly assess a manufactured home for ad valorem taxation.
