9 certification; authorizing State Board of Education
10 to annually renew emergency or provisional
11 certificates of certain individuals; and providing an
12 effective date.

13 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

14 SECTION 1. AMENDATORY 70 O.S. 2021, Section 6-187, is
15 amended to read as follows:

16 Section 6-187. A. Prior to July 1, 2014, a competency
17 examination shall be adopted by the Oklahoma Commission for Teacher
18 Preparation and beginning July 1, 2014, a competency examination
19 shall be adopted by the Commission for Educational Quality and
20 Accountability for the general education, professional education and
21 various subject areas and grade levels for purposes of ensuring
22 academic achievement and competency of each teacher candidate or
23 teacher in the subject area the person is seeking certification to
24

1 teach which shall also include certification as an administrator, as
2 prescribed by the State Board of Education.

3 The Commission, consistent with the purposes of this section,
4 shall promulgate rules and procedures to guarantee the
5 confidentiality of examinations.

6 B. No teacher candidate shall be eligible for certification
7 until successfully completing the competency examination except
8 those candidates who make application to the State Board and meet
9 the criteria for the alternative placement program pursuant to
10 Section 6-122.3 of this title. Certification shall be limited to
11 areas of approval in which the certified teacher has successfully
12 completed the examination. Subject to the provisions of subsection
13 C of this section, testing for certification for subjects in which a
14 teacher candidate or teacher is seeking a minor teaching assignment
15 or an endorsement to teach shall be limited to the specific subject
16 area test.

17 A teacher candidate or teacher may take the general education,
18 professional education or subject area portions of the examination
19 subject to any limit imposed by the Commission.

20 C. 1. Except as otherwise provided for in this subsection, a
21 teacher may be certified in as many areas as the teacher meets the
22 necessary requirements provided by law and has successfully
23 completed the subject area portion of the examination.

24

1 2. Except as otherwise provided for in this paragraph,
2 certification in early childhood, elementary, or special education
3 shall require completion of an appropriate teacher education program
4 approved by the Commission.

5 Any teacher who is certified to teach elementary education may
6 be certified in early childhood education upon meeting the
7 requirements provided in law and successful completion of the
8 appropriate subject area portion of the examination. Any teacher
9 who is certified to teach early childhood education may be certified
10 in elementary education upon meeting the requirements provided in
11 law and successful completion of the appropriate subject area
12 portion of the examination. Any special education teacher who
13 becomes certified to teach through completion of an accredited
14 teacher preparation program may be certified in early childhood or
15 elementary education upon meeting the requirements provided in law
16 and successful completion of the appropriate subject portion of the
17 examination. Any teacher who becomes certified to teach through
18 completion of an accredited teacher preparation program or becomes
19 alternatively certified to teach through the Troops to Teachers
20 program may be certified in special education upon meeting the
21 requirements provided in law and successful completion of the
22 appropriate subject area portion of the examination. Any special
23 education teacher who has not completed a Commission-approved

1 education but who has successfully completed the subject area
2 portion of the examination may be certified in elementary education
3 or early childhood education for the purpose of providing direct
4 instruction and serving as the teacher of record for grading
5 purposes in special education settings only.

6 D. The Commission shall offer the competency examination at
7 least four times per calendar year on dates to be established by the
8 Commission.

9 E. If a teacher candidate or teacher is a non-native-English
10 speaker, the Commission shall offer the subject area competency
11 examination in the native language of the teacher candidate or
12 teacher only if the teacher candidate or teacher is employed or has
13 been offered employment by a school district as a teacher in a
14 foreign language immersion program offered by the school district.
15 If a non-native-English speaker who has received certification in a
16 subject area after taking the subject area competency examination in
17 the native language of the speaker seeks to add a certification area
18 in the future and that person is no longer employed as a teacher in
19 a foreign language immersion program, the examination for the
20 additional certification area shall be taken in English. The State
21 Board of Education shall issue a restricted license or certificate
22 to any teacher who has completed a subject area competency
23 examination in the native language of the teacher as provided for in
24

1 this subsection restricting the teacher to teaching only in a
2 foreign language immersion program.

3 F. The State Board of Education, in consultation with the
4 Commission for Educational Quality and Accountability, may grant an
5 exception to the requirement to complete a subject area examination
6 for initial certification in a field which does not require an
7 advanced degree if the candidate has an advanced degree in a subject
8 that is substantially comparable to the content assessed on a
9 subject area examination. The advanced degree shall be from an
10 institution accredited by a national or regional accrediting agency
11 which is recognized by the Secretary of the United States Department
12 of Education. The Commission shall provide the Board with the
13 necessary information to determine comparability.

14 G. 1. Nothing in the Oklahoma Teacher Preparation Act shall
15 restrict the right of the State Board of Education to issue an
16 emergency or provisional certificate, as needed. Provided, however,
17 prior to the issuance of an emergency certificate, the district
18 shall document substantial efforts to employ a teacher who holds a
19 provisional or standard certificate. In the event a district is
20 unable to hire an individual meeting this criteria, the district
21 shall document efforts to employ an individual with a provisional or
22 standard certificate in another curricular area with academic
23 preparation in the field of need. Only after these alternatives
24 have been exhausted shall the district be allowed to employ an

1 individual meeting minimum standards as established by the State
2 Board of Education for the issuance of emergency certificates.

3 2. The State Board of Education may renew the emergency or
4 provisional certificate of an individual who has been employed by a
5 school district board of education for at least two (2) years if the

13 to the State Board of Education, which shall include
14 evidence of progress toward standard certification,
- 15 d. the employing school district board of education
16 agrees to renew the individual's contract to teach for
17 the ensuing fiscal year, and
- 18 e. the superintendent of the employing school district
19 submits to the State Board of Education the reason the
20 emergency or provisional certificate should be renewed
21 and provides evidence of the district's inability to
22 hire a teacher who holds a standard certificate.

23 3. The State Board of Education may annually renew the
24 emergency or provisional certificate of an individual who has been

1 employed by a school district board of education for two (2) two-
2 year periods as provided in paragraph 2 of this subsection, if the
3 individual meets the criteria provided in paragraph 2 of this
4 subsection and the individual has not successfully completed the
5 competency examinations required by this section.

6 4. Individuals employed by a school district under an emergency
7 or provisional certificate shall not be considered career teachers
8 and therefore not entitled to the protections of the Teacher Due
9 Process Act of 1990.

10 SECTION 2. This act shall become effective November 1, 2022.
