1 B. The provisions of this section shall not apply to the
2 removal of tax exemptions, the creation or increase of fees, or any
3 other bill that increases revenues but is not a tax as defined in
4 this section.

5 C. As used in this section, a tax is defined as a compulsory
6 contribution to state revenue levied by the government on income and
7 profits, property, or added to the cost of some goods, services and
8 transactions, and where there is no direct exchange of government
9 consideration, including but not limited to privileges and services,
10 specifically for the compulsory contribution to state revenue.

11 D. The provisions of subsection A of this section shall not
12 apply, and a measure creating a new tax or increasing an existing
13 tax may be enacted by presentment of the measure to and approval of
14 the measure by the Governor, when a state revenue failure has been
15 declared during the then current fiscal year, a new tax or increase
16 to an existing tax is apportioned to the General Revenue Fund to
17 address the revenue failure, the measure has a sunset provision not
18 to exceed two (2) years which ends the levy of a new tax or reduces
19 the increase to an existing tax to the level in effect prior to the
20 enactment of such measure not later than December 31 of the second
21 calendar year following the date as of which the new tax levy or
22 increased tax levy first became effective as law, and the measure
23 receives the approval of two-thirds (2/3) of the membership of both
24 chambers and is presented to the Governor for action. A measure

1 presented to the Governor pursuant to the provisions of this
2 subsection may contain an emergency clause and, if no other
3 effective date is specified in the measure, shall become effective
4 upon approval by the Governor or upon an override of a veto on the
5 measure and an override vote with respect to the emergency clause in
6 the same manner as provided for other measures in the Oklahoma
7 Constitution.

8 SECTION 2. The Ballot Title for the proposed Constitutional
9 amendment as set forth in SECTION 1 of this resolution shall be in
10 the following form:

11 BALLOT TITLE
12 Legislative Referendum No. _____ State Question No. _____

13 THE GIST OF THE PROPOSITION IS AS FOLLOWS:

14 This measure amends Section 33 of Article 5 in the Oklahoma
15 Constitution. It changes procedures used in the Legislature for
16 voting on revenue-raising measures. If a revenue-raising
17 measure does not receive three-fourths (3/4) approval in both
18 the Oklahoma House of Representatives and the Oklahoma State
19 Senate, the bill becomes a State Question and is submitted at
20 the next General Election. With some exceptions, this measure
21 requires all revenue-raising measures to be submitted to a vote.
22 The election could be a General Election or a Special Election.
23 This process would not apply to bills that removed tax
24 exemptions, created or increased fees or other types of bills to

1 increase revenues. The term "tax" would be defined in the
2 Constitution. A tax increase bill could be presented to the
3 Governor instead of being submitted to a popular vote. For that
4 to happen, a revenue failure would have to occur. For a revenue
5 failure, a tax increase bill could be presented to the Governor
6 for action if the bill received 2/3 approval by both the House
7 of Representatives and the State Senate. A tax increase bill
8 could become effective immediately upon the Governor's
9 signature.
