4 HOUSE  
5 RESOLUTION 1023

By: Moore

6  
7                                   AS INTRODUCED

8                   A Resolution proclaiming May 2019 as  
9                   Neurofibromatosis Awareness Month.

10  
11           WHEREAS, it is important to promote awareness and understanding  
12 of a genetic disorder known as neurofibromatosis (NF), formerly  
13 known as von Recklinghausen's disease; and

14           WHEREAS, neurofibromatosis affects over 128,000 Americans and  
15 one in every 2,500 births; and

16           WHEREAS, more people have NF than cystic fibrosis and muscular  
17 dystrophy combined; and

18           WHEREAS, neurofibromatosis causes tumors to form along the  
19 nerves anywhere in or on the body at any time and its symptoms  
20 include, but are not limited to, disfigurement, learning  
21 disabilities, brain tumors, blindness, deafness, epilepsy, scoliosis  
22 and cancer; and

23           WHEREAS, to date, there is no cure or effective treatment for  
24 NF; and

1       WHEREAS, it is important to support the development of improved  
2 therapies for early intervention and other necessary and critical  
3 treatments and encourage further research into this disorder.

4       NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES  
5 OF THE 1ST SESSION OF THE 57TH OKLAHOMA LEGISLATURE:

6       THAT May be designated as "Neurofibromatosis Awareness Month".
