19 Section 3-142. A. For purposes of funding, a charter school
20 sponsored by a board of education of a school district shall be
21 considered a site within the school district in which the charter
22 school is located. The student membership of the charter school
23 shall be considered separate from the student membership of the
24 district in which the charter school is located for the purpose of
calculating weighted average daily membership pursuant to Section
18-201.1 of this title and State Aid pursuant to Section 18-200.1 of

1 this title. For charter schools sponsored by a board of education
2 of a school district, the sum of the separate calculations for the
3 charter school and the school district shall be used to determine
4 the total State Aid allocation for the district in which the charter
5 school is located. A charter school shall receive from the
6 sponsoring school district, the State Aid allocation and any other
7 state-appropriated revenue generated by its students for the
8 applicable year, less up to five percent (5%) of the State Aid
9 allocation, which may be retained by the school district as a fee
10 for administrative services rendered. For charter schools sponsored

16 the State Board of Education and not more than five percent (5%) of
17 the State Aid allocation may be charged by the sponsor as a fee for
18 administrative services rendered. The State Board of Education
19 shall determine the policy and procedure for making payments to a
20 charter school. The fee for administrative services as authorized
21 in this subsection shall only be assessed on the State Aid
22 allocation amount and shall not be assessed on any other
23 appropriated amounts.

2 of operation of a charter school shall be determined initially by

5 would be generated by the estimated weighted average daily
6 membership calculated pursuant to this paragraph. At midyear, the
7 allocation for the charter school shall be adjusted using the first
8 quarter weighted average daily membership for the charter school
9 calculated pursuant to subsection A of this section.

10 2. For the purpose of calculating weighted average daily
11 membership pursuant to Section 18-201.1 of this title and State Aid
