

1 or waste water service to that property may request that the public  
2 entity providing water service terminate water service. Until the  
3 delinquency has been resolved, the governing body of the public  
4 entity providing sewer or waste water service requesting the  
5 termination of water service shall provide a proposed date for  
6 termination and notice to the public entity providing water service,  
7 and to the account holder and property owner of the subject property  
8 at least thirty (30) days prior to the proposed date for  
9 termination. The public entity providing water service may  
10 terminate water service at the subject property on the proposed date  
11 for termination or within thirty (30) days thereafter. Should the  
12 sewer or waste water delinquency be resolved during the pendency of  
13 the termination of water service, or sometime thereafter, the public  
14 entity which requested termination of water service shall provide  
15 the public entity providing water service notice of the resolution  
16 of delinquency no later than the first business day following  
17 resolution. The public entity providing water service shall renew  
18 water service no later than the first business day following the  
19 notice. Should the sewer or waste water delinquency be resolved  
20 during the pendency of the termination of water service, or sometime  
21 thereafter, the public entity which requested termination of water  
22 service shall provide the account holder and the property owner  
23 notice of the resolution of the delinquency, upon request.
