16 SECTION 1. AMENDATORY 68 O.S. 2011, Section 2823, is
17 amended to read as follows:

18 Section 2823. A. ~~For~~ Except as otherwise provided, for each
19 fiscal year, the cost of the comprehensive program of visual
20 inspections for real property and the cost of physical inspections
21 of personal property shall be paid by appropriate warrants from
22 those who receive the revenues of the mill rates levied on the
23 property of the county as prescribed by this section. School
24 districts are hereby authorized to pay such costs from revenues
accruing to their building funds. The county assessor shall prepare
a budget for the comprehensive program of visual inspections for

1 real property and the cost of physical inspections of personal
2 property and file such budget with the county excise board or county
3 budget board.

4 B. The Except as otherwise provided in subsection F of this
5 section, the county excise board or county budget board shall
6 apportion such cost among the various recipients of revenues from
7 the mill rates levied, including the county, all cities and towns,
8 all school districts, all sinking funds of such recipients, and all
9 jurisdictions specified in subsection D of this section, in the
10 ratio which each recipient's total tax collection authorized from
11 its mill rates levied for the preceding year bears to the total tax
12 collection authorized of all recipients from all their mill rates
13 levied for the preceding year. The cost shall include only those
14 expenses directly attributable to the visual inspection program and
15 those expenses directly attributable to physical inspections of
16 personal property and shall not include any expenses of the office
17 of the county assessor which, in the judgment of the county excise
18 board or county budget board, are expenses of county assessor's
19 office which would exist in the absence of such program or in the
20 absence of physical inspection of personal property. Expenses that
21 are attributable both to the visual inspection program and physical
22 inspection of personal property, and which would exist in the
23 absence of such program or inspection, including but not limited to
24 salaries, employee benefits, office supplies and equipment, may be

1 prorated; provided, no portion of the salary of the county assessor
2 shall be included in such costs.

3 C. Upon receipt of the billing statement provided for in
4 subsections D and E of this section by each such recipient, the mill
5 rates to be established by the board for each such recipient for the
6 current year shall include and be based upon such amounts and shall
7 constitute an appropriation of such amounts to the county assessor
8 for expenditure for the expenses of administering the visual
9 inspection program each year. In the case of a sinking fund of a
10 recipient, if, after approving its budget, the governing body of a
11 recipient notifies the board in writing that there are no funds
12 appropriated to pay the amount of the billing statement for such
13 sinking fund, such notice shall constitute conclusive evidence of a
14 financial obligation of the recipient as it relates to such sinking
15 fund. The board may seek a judgment for the amount of such
16 obligation and court costs in the district court of the county in
17 which the board is located.

19 jurisdictions within the county which receive revenue from an ad
20 valorem mill rate. Such statement shall include the following

2 assessor, the mill rate for each in the previous year, and the
3 proportion of each to the combined mill rates of all jurisdictions
4 within the county for the previous year. The proportions specified
5 in this paragraph should equal a total of one hundred percent
6 (100%);

7 3. The charge for the entity receiving the statement as well as
8 the charge for each jurisdiction of the county based upon the
9 proportions specified in paragraph 2 of this subsection. The total
10 of all current year charges for all county jurisdictions should
11 equal the total visual inspection program budget for the current
12 fiscal year;

13 4. The amount of the total budget for the office of the county
14 assessor and the percentage that visual inspection program expenses
15 are of such total budget; and

17 brief description of the areas to be visually inspected for the
18 current fiscal year, consistent with the plan on file with the
19 Oklahoma Tax Commission pursuant to Section 2820 of this title.

20 E. In any county wherein any jurisdiction's budget and mill
21 rates are not subject to review and approval by the county excise
22 board, the county assessor shall nevertheless include any such
23 jurisdiction in the calculations required under subsection A of this
24 section. The county assessor shall also render a billing statement

1 to any such jurisdiction showing the charge for the current fiscal
2 year due from the jurisdiction. Such billing statement shall also
3 show all the information specified in subsection D of this section.
4 Such billing statement shall clearly indicate that the charge
5 payable by the jurisdiction is due and payable by December 31 of the
6 current fiscal year.

7 F. If a county has not met the minimum points threshold for a
8 passing score based on the most recently-completed annual
9 Performance Audit provided to the State Board of Equalization, any
10 school district located within such county, or the sinking fund of a
11 school district, shall not be apportioned any of the costs of such
12 county's comprehensive program of inspections for the year
13 immediately after the performance audit. If a school district is
14 not located wholly within the county, the district or its sinking
15 fund shall be apportioned costs associated with any other county or
16 counties for which an inspection program applies.

17 SECTION 2. This act shall become effective January 1, 2019.
