10 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

11 SECTION 1. NEW LAW A new section of law to be codified
12 in the Oklahoma Statutes as Section 1143.3 of Title 47, unless there
13 is created a duplication in numbering, reads as follows:

14 On or before July 1, 2021, the Oklahoma Tax Commission shall
15 establish a Digital Safety Deposit Box program exclusive to motor
16 license agents. The program shall authorize any motor license agent
17 who chooses to participate to contract with a vendor or vendors
18 approved by the Tax Commission to provide services and equipment
19 needed for secure digital storage of certificates of title with a
20 motor license agency. An individual or entity who holds a
21 certificate of title may, after the payment of applicable fees to
22 the motor license agency, store a copy or copies of such title in a
23 digital format with any motor license agency participating in the
24 program. The Tax Commission shall promulgate rules for the program

1 including but not limited to standards for secure digital storage
2 and a list of approved vendors and software from which a motor
3 license agent may choose. Digital storage services provided to a
4 taxpayer by a motor license agency shall be considered as an
5 additional service not required by law, with fees set by the motor
6 license agent.

7 SECTION 2. This act shall become effective November 1, 2020.
