8 102, which relates to medical care and treatment of
9 child in protective custody; authorizing court to
10 order procurement of anatomical gifts under certain
11 circumstances; amending 63 O.S. 2011, Sections
12 2200.8A, 2200.9A and 2200.10A, which relate to the
13 Oklahoma Uniform Anatomical Gift Act; providing
14 exceptions; conforming language; updating statutory
15 references; and providing an effective date.

16 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

17 SECTION 1. AMENDATORY 10A O.S. 2011, Section 1-3-102, is
18 amended to read as follows:

19 Section 1-3-102. A. For purposes of this section:

20 1. "Routine and ordinary medical care and treatment" includes
21 any necessary medical and dental examinations and treatment, medical
22 screenings, clinical laboratory tests, blood testing, preventative
23 care, health assessments, physical examinations, immunizations,
24 contagious or infectious disease screenings or tests and care
required for treatment of illness and injury, including x-rays,
stitches and casts, or the provision of psychotropic medications but
does not include any type of extraordinary care; and

1 2. "Extraordinary medical care and treatment" includes, but is
2 not limited to, surgery, general anesthesia, blood transfusions, or
3 invasive or experimental procedures.

4 B. If a child taken into protective custody without a court
5 order requires emergency medical care prior to the emergency custody
6 hearing, and either the treatment is related to the suspected abuse
7 or neglect or the parent or legal guardian is unavailable or
8 unwilling to consent to treatment recommended by a physician, a
9 peace officer, court employee or the court may authorize such
10 treatment as is necessary to safeguard the health or life of the
11 child. Before a peace officer, court employee or the court
12 authorizes treatment based on unavailability of the parent or legal
13 guardian, law enforcement shall exercise diligence in locating the
14 parent or guardian, if known.

15 C. 1. If a child has been placed in the custody of the
16 Department of Human Services, the Department shall have the
17 authority to consent to routine and ordinary medical care and
18 treatment. The Department shall make reasonable attempts to notify
19 the child's parent or legal guardian of the provision of routine and
20 ordinary medical care and treatment and to keep the parent or legal
21 guardian involved in such care.

22 2. In no case shall the Department consent to a child's
23 abortion, sterilization, termination of life support or a "Do Not
24 Resuscitate" order. The court may authorize the withdrawal of life-

1 sustaining medical treatment or the denial of the administration of
2 cardiopulmonary resuscitation on behalf of a child in the
3 Department's custody, and may additionally authorize anatomical
4 gifts to be procured from such child if the withdrawal of life-
5 sustaining medical treatment or denial of the administration of
6 cardiopulmonary resuscitation is authorized, upon the written
7 recommendation of a licensed physician of such withdrawal or denial
8 and of such procurement, as applicable, after notice to the parties
9 and a hearing.

10 3. Nothing herein shall prevent the Department from
11 authorizing, in writing, any person, foster parent or administrator
12 of a facility into whose care a child in its custody has been
13 entrusted, to consent to routine and ordinary medical care and
14 treatment to be rendered to a child upon the advice of a licensed
15 physician, including the continuation of psychotropic medication.

16 D. Consent for a child's extraordinary medical care and
17 treatment shall be obtained from the parent or legal guardian unless
18 the treatment is either related to the abuse or neglect or the
19 parent or legal guardian is unavailable or refuses to consent to
20 such care, in which case in an emergency, based upon recommendation
21 of a physician, the court may enter an ex parte order authorizing
22 such treatment or procedure in order to safeguard the child's health
23 or life. If the recommended extraordinary medical care and
24 treatment is not an emergency, the court shall hold a hearing, upon

1 application by the district attorney and notice to all parties, and
2 may authorize such recommended extraordinary care.

3 E. If a child has been placed in the custody of a person, other
4 than a parent or legal guardian, or an institution or agency other
5 than the Department, the court shall determine the authority of the
6 person, institution, or agency to consent to medical care including
7 routine and ordinary medical care and treatment and extraordinary
8 care. The parent, legal guardian, or person having legal custody
9 shall be responsible for the costs of medical care as determined by
10 the court.

23 later time by the donor or another person.
