16 F. The Commission shall:

17 1. Draft and recommend necessary legislation to advance the  
18 interests of the state in aeronautics;

19 2. Represent the state in aeronautical matters before federal  
20 agencies and other state agencies; and

21 3. Participate as party plaintiff or defendant or as intervener  
22 on behalf of the state or any municipality or citizen thereof in any  
23 proceeding which involves the interest of the state in aeronautics.

2 make available its engineering and other technical services to any  
3 municipality or person desiring them in connection with the  
4 planning, acquisition, construction, improvement, maintenance, or  
5 operation of airports or navigation facilities.

6 2. The Commission may render financial assistance by grant or  
7 loan or both to any municipality or municipalities acting jointly in  
8 the planning, acquisition, construction, improvement, maintenance,  
9 or operation of an airport owned or controlled, or to be owned or  
10 controlled, by such municipality or municipalities, out of  
11 appropriations or other monies made available by the Legislature for  
12 such purposes. Such financial assistance may be furnished in  
13 connection with federal or other financial aid for the same  
14 purposes.

15 3. The Commission shall be designated as the agent of this  
16 state or political subdivision of this state for the purpose of  
17 applying for, receiving, administering and disbursing federal funds  
18 and other public monies for the benefit of general aviation  
19 airports, except reliever airports, as may be available under  
20 applicable federal law or other laws. If requested by a political  
21 subdivision, the Commission may act as its or their agent in  
22 contracting for and supervising such planning, acquisition,  
23 construction, improvement, maintenance, or operation; and all  
24 political subdivisions are authorized to designate the Commission as

1 their agent for the foregoing purposes. The Commission, as  
2 principal on behalf of the state, may enter into any contracts with  
3 the United States or with any person, which may be required in  
4 connection with a grant or loan of federal monies for municipal  
5 airport or air navigation facility purposes. All federal monies  
6 accepted under this section shall be accepted and transferred or  
7 expended by the Commission upon such terms and conditions as are  
8 prescribed by the United States. All monies received by the  
9 Commission pursuant to this section shall be deposited in the  
10 Oklahoma Aeronautics Commission Fund in the State Treasury and shall  
11 be paid out by the Commission in accordance with the terms and  
12 conditions of any agreement entered into under the provisions of  
13 this section.

14 H. 1. The Commission is authorized on behalf of and in the  
15 name of the state, out of appropriations and other monies made  
16 available for such purposes, to plan, zone, establish, construct,  
17 enlarge, improve, maintain, equip, operate, regulate, protect, and  
18 police airports and air navigation facilities, either within or  
19 without the state, including the construction, installation,  
20 equipping, maintenance, and operation at such airports of buildings  
21 and other facilities for the servicing of aircraft or for the  
22 comfort and accommodation of air travelers. However, the regulatory  
23 authority shall not extend to any airman employed by, nor to any  
24 aeronautics facility or aircraft under the exclusive possession,

1 operation, or control of, a person holding a certificate of public  
2 convenience and necessity issued by any agency of the United States  
3 to operate as a common carrier by air of persons and/or property in  
4 interstate commerce. For such purposes the Commission may, by  
5 purchase, gift, devise, or lease, acquire property, real or  
6 personal, or any interest therein including easements in  
7 aeronautical hazards or land outside the boundaries of an airport or  
8 airport site, as are necessary to permit safe and efficient  
9 operation of the state airports or to permit the removal,  
10 elimination, obstruction-marking or obstruction-lighting of airport  
11 hazards, or to prevent the establishment of airport hazards. In  
12 like manner the Commission may acquire existing airports and air  
13 navigation facilities. However, the Commission shall not acquire or  
14 take over any airport or air navigation facility owned or controlled  
15 by a municipality of this or any other state without the consent of  
16 such municipality. The Commission may, by sale, lease, or  
17 otherwise, dispose of any such property, airport, air navigation  
18 facility, or portion thereof or interest therein. The disposal, by  
19 sale, lease, or otherwise, shall be in accordance with the laws of  
20 this state governing the disposition of other property of the state,  
21 except that, in the case of disposals to any municipality or state  
22 government or the United States for aeronautical purposes incident  
23 thereto, the sale, lease, or other disposal may be effected in such

24

1 manner and upon such terms as the Commission may deem in the best  
2 interest of the state.

3 2. All airports owned by the state shall be within the primary  
4 jurisdiction of the ~~State~~ Oklahoma Aeronautics Commission for  
5 purposes of design, development, and operation; provided, that  
6 airports owned and operated by the Oklahoma Space Industry  
7 Development Authority shall be exempt from such provisions, and  
8 during the time of a national emergency, the Air National Guard  
9 shall be exempt from such provisions, and provided further, that any  
10 airport owned by the state may be leased by the Commission to a  
11 public or private agency, as it may deem fit.

12 3. Nothing contained in ~~this act~~ the Oklahoma Aeronautics  
13 Commission Act shall be construed to limit any right, power, or  
14 authority of the state or a municipality to regulate airport hazards  
15 by zoning.

16 4. The Commission may exercise any powers granted by this  
17 section jointly with any municipalities or with the United States.

18 5. a. In operating an airport or air navigation facility  
19 owned or controlled by the state, the Commission may  
20 enter into contracts, leases, and other arrangements  
21 for a term not exceeding twenty-five (25) years with  
22 any persons granting the privilege of using or  
23 improving such airport or air navigation facility or  
24 any portion or facility thereof or space therein for

1 commercial purposes; conferring the privilege of  
2 supplying goods, commodities, things, services, or  
3 facilities at such airport or air navigation facility;  
4 or making available services to be furnished by the  
5 Commission or its agents at such airport or air  
6 navigation facility.

7 In each such case the Commission may establish the  
8 terms and conditions and fix the charges, rentals, or  
9 fees for the privileges or services, which shall be  
10 reasonable and uniform for the same class of  
11 privileges or services and shall be established with  
12 due regard to the property and improvements used and  
13 the expenses of operation to the state; provided, that  
14 in no case shall the public be deprived of its  
15 rightful, equal, and uniform use of the airport, air  
16 navigation facility or portion or facility thereof.

17 b. The Commission may by contract, lease, or other  
18 arrangement, upon a consideration fixed by it, grant  
19 to any qualified person for a term not to exceed  
20 twenty-five (25) years the privilege of operating, as  
21 agent of the state or otherwise, any airport owned or  
22 controlled by the state; provided, that no such person  
23 shall be granted any authority to operate the airport  
24 other than as a public airport or to enter into any

1 contracts, leases, or other arrangements in connection  
2 with the operation of the airport which the Commission  
3 might not have undertaken under subparagraph a of this  
4 paragraph.

5 c. To enforce the payment of any charges for repairs to,  
6 or improvements, storage, or care of, any personal  
7 property made or furnished by the Commission or its  
8 agents in connection with the operation of an airport  
9 or air navigation facility owned or operated by the  
10 state, the state shall have liens on such property,  
11 which shall be enforceable by the Commission as  
12 provided by law.

13 6. In accepting federal monies under this section, the  
14 Commission shall have the same authority to enter into contracts on  
15 behalf of the state as is granted to the Commission under subsection  
16 G of this section with respect to federal monies accepted on behalf  
17 of municipalities. All monies received by the Commission pursuant  
18 to this section shall be deposited in the Oklahoma Aeronautics  
19 Commission Fund in the State Treasury and shall be paid out of the  
20 Commission Fund in accordance with the terms and conditions of any  
21 agreement entered into under the provisions of this section.

22 7. The Commission shall grant no exclusive right for the use of  
23 any airport or air navigation facility under its jurisdiction. This  
24 shall not be construed to prevent the making of contracts, leases,

1 and other arrangements pursuant to ~~subsection (h) of this section~~  
2 subsection.

3 I. The Commission may enter into any contracts necessary to the  
4 execution of the powers granted it by ~~this act~~ the Oklahoma  
5 Aeronautics Commission Act. All contracts made by the Commission,  
6 either as the agent of the state or as the agent of any  
7 municipality, shall be made pursuant to the laws of the state  
8 governing the making of like contracts. When the planning,  
9 acquisition, construction, improvement, maintenance, or operation of  
10 any airport or air navigation facility is financed wholly or  
11 partially with federal monies, the Commission as agent of the state  
12 or of any municipality may let contracts in the manner prescribed by  
13 the federal authorities acting under the laws of the United States  
14 and any rules or regulations made thereunder.

15 J. 1. The Commission, the Director, or any officer or employee  
16 of the Commission designated by it shall have the power to hold  
17 investigations, inquiries, and hearings concerning matters covered  
18 by the provisions of ~~this act~~ the Oklahoma Aeronautics Commission  
19 Act and the rules, regulations, and orders of the Commission.  
20 Hearings shall be open to the public and shall be held upon such  
21 call or notice as the Commission shall deem advisable. Each member  
22 of the Commission, the Director, and every officer or employee of  
23 the Commission designated by it to hold any inquiry, investigation,  
24 or hearing shall have the power to administer oaths and

1 affirmations, certify to all official acts, issue subpoenas, and  
2 order the attendance and testimony of witnesses and the production  
3 of papers, books, and documents. In case of the failure of any  
4 person to comply with any subpoena or order issued under the  
5 authority of this subsection, or on the refusal of any witness to  
6 testify to any matters regarding which he may be lawfully  
7 interrogated, it shall be the duty of the district court of any  
8 county or of the judge thereof, on application of the Commission or  
9 its authorized representative, to compel obedience by proceedings  
10 for contempt, as in the case of disobedience of the requirements of  
11 a subpoena issued from such court or a refusal to testify therein.

12 2. In order to facilitate the making of investigations by the  
13 Commission in the interest of public safety and promotion of  
14 aeronautics the public interest requires, and it is therefore  
15 provided, that the reports of investigations or hearings, or any  
16 part thereof, shall not be admitted in evidence or used for any  
17 purpose in any suit, action, or proceeding growing out of any matter  
18 referred to in the investigation, hearing, or report thereof, except  
19 in case of any suit, action, or proceeding, civil or criminal,

2 person's official capacity, or be required to testify as an expert  
3 witness in any suit, action, or proceeding involving any aircraft.

5 discretion make available to appropriate federal, state and  
6 municipal agencies information and material developed in the course  
7 of its investigations and hearings.

8 K. 1. The Commission is authorized to confer with or to hold

21 is informed and shall, insofar as is practicable, preserve, protect,  
22 and prevent the removal of the component parts of any aircraft  
23 involved in an accident being investigated by it until the federal  
24 agency institutes an investigation.

1 L. The Commission may organize and administer an aerospace  
2 education program in cooperation with universities, colleges and  
3 schools for the general public. The Commission may also plan and
