An Act relating to motor vehicles; amending 47 O.S. 2011, Section 40-102, which relates to traffic collision reports; modifying definitions; and providing an effective date.

SUBJECT: Traffic collision reports

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 47 O.S. 2011, Section 40-102, is amended to read as follows:

Section 40-102. A. 1. Every law enforcement officer who, in the regular course of duty, investigates or receives a report of a traffic collision resulting in injury to or death of a person or total property damage to an apparent extent of Five Hundred Dollars (\$500.00) or more shall prepare a written report of the collision on the standard collision report form supplied by the Department of Public Safety. The reports shall be forwarded within thirty (30) days of the collision or, if the collision results in the death of any person, then within twenty (20) days of the death of the person, whichever time period is lesser, by the law enforcement agency preparing the report to the Department of Public Safety.

2. Reports of collisions shall be kept confidential for a period of sixty (60) days after the date of the collision; provided, the reports shall be made available as soon as practicable upon request to any:

- e. licensed insurance agents of a party involved in the collision,
- f. insurer of a party involved in the collision,
- g. insurer to which a party has applied for coverage,
- h. person under contract with an insurer, as described in subparagraph e, f or g of this paragraph, to provide claims or underwriting information,

- k. radio or television broadcaster,
- l. licensed private investigators employed by a party involved in the collision, or
- m. provider of health services to a party involved in the collision.

3. Any person who knowingly violates this section and obtains or provides information made confidential by this section is guilty of a misdemeanor and shall be fined no more than Two Thousand Five Hundred Dollars (\$2,500.00). Second and subsequent offenses shall carry a penalty of imprisonment in the county jail for not more than thirty (30) days.

B. 1. No public employee or officer shall allow a person to examine or reproduce a collision report or any related investigation report if examination or reproduction of the report is sought for the purpose of making a commercial solicitation. Any person requesting a collision report may be required to state, in writing, under penalty of perjury, that the report will not be examined, reproduced or otherwise used for commercial solicitation purposes. It shall be unlawful and constitute a misdemeanor for any person to obtain or use information from a collision report or a copy thereof for the purpose of making a commercial solicitation.

2. As used in this subsection:

- a. "commercial solicitation" means any attempt to use, or offer for use, personal information contained in a collision report to solicit any person named in the report, or a relative of the person, or to solicit a professional, business, or commercial relationship that is not pursuant to a request under paragraph 2 of subsection A of this section. "Commercial solicitation" does not include publication in a newspaper, as defined in Section 106 of Title 25 of the Oklahoma Statutes, or broadcast of information by news media for news purposes, or obtaining information for the purpose of verification or settlement of claims by insurance companies, and
- b. "collision report" means any report regarding a motor vehicle collision which has been submitted by an individual or investigating officer on a form prescribed or used by the Department of Public Safety or local police department.

3. Publication in a newspaper, as defined in Section 106 of Title 25 of the Oklahoma Statutes, or broadcast by news media for news purposes shall not constitute a resale or use of data for trade or commercial solicitation purposes. Because publication by a newspaper, broadcast by news media for news purposes, or obtaining information for verification or settlement of claims by insurance companies is not a resale or use of data for commercial solicitation purposes, an affidavit shall not be required as a condition for allowing a member of a newspaper or broadcast news media, or

allowing an agent, or business serving as an agent, to insurance companies, to examine or obtain a copy of a collision report. Any agent or business obtaining information for verification or settlement of claims involving persons named in a report shall secure an affidavit annually from each client stating the information provided to the client shall not be used for commercial solicitation purposes under penalty of law.

4. The Department and local police departments shall include the following or a similar notice upon any copy of a collision report furnished to others: "Warning - State Law. Use of contents for commercial solicitation is unlawful."

C. As used in this section:

1. "Newspaper" means a legal newspaper as defined in Section 106 of Title 25 of the Oklahoma Statutes, provided that the primary purpose of the newspaper is not the publication of personally identifying information concerning parties involved in the traffic collision; ~~and~~

2. "Provider of health services" means any person that provides health care services to the injured person under a license, certification or registration issued pursuant to Title 59 of the Oklahoma Statutes, or any hospital or related institution that offers or provides health care services under a license issued pursuant to Section 1-702 et seq. of Title 63 of the Oklahoma Statutes; and

3. "Personal information", as defined in Section 162 of Title 24 of the Oklahoma Statutes, means the first name or first initial and last name in combination with and linked to any one or more of the following data elements that relate to a resident of this state, when the data elements are neither encrypted nor redacted:

- a. social security number,
- b. driver license number or state identification card number issued in lieu of a driver license, or
- c. financial account number or credit or debit card number in combination with any required security code,

access code or password that would permit access to the financial accounts of a resident.

Personal information does not include information that is lawfully obtained from publicly available information or from federal, state or local government records lawfully made available to the general public.

SECTION 2. This act shall become effective November 1, 2019.
