22           SECTION 4.        NEW LAW        A new section of law to be codified  
23           in the Oklahoma Statutes as Section 4039.3 of Title 36, unless there  
24           is created a duplication in numbering, reads as follows:

1           A. An insurer shall perform a comparison of its in-force  
2 policies, annuities, and retained asset accounts issued in this  
3 state against a Death Master File, on at least a semiannual basis,  
4 to identify potential Death Master File matches.

5           1. An insurer may comply with the requirements of this section  
6 by using the full Death Master File once and thereafter using the  
7 Death Master File update files for future comparisons.

8           2. Nothing in this section shall limit the insurer from  
9 requesting a valid death certificate as part of any claims  
10 validation process.

11          B. If an insurer learns of the possible death of a person,  
12 through a Death Master File match or otherwise, then the insurer  
13 shall, within ninety (90) days:

14           1. Complete a good-faith effort, which shall be documented by  
15 the insurer, to confirm the death of the person against other  
16 available records and information;

17           2. Review its records to determine whether the deceased person  
18 had purchased any other products with the insurer;

19           3. Determine whether benefits may be due in accordance with any  
20 applicable policy, annuity or retained asset account;

21           4. If the beneficiary or other authorized representative has  
22 not communicated with the insurer within the ninety-day period, take  
23 reasonable steps, which shall be documented by the insurer, to  
24 locate and contact the beneficiary or beneficiaries or other

1 authorized representative on any such policy, annuity or retained  
2 asset account, including, but not limited to, sending the  
3 beneficiary information regarding the insurer's claims process and  
4 the need to provide an official death certificate if applicable  
5 under the policy, annuity or retained asset account; and

6 5. In the event the insurer is unable to confirm the death of a  
7 person following a Death Master File match, an insurer may consider  
8 such policy, annuity or retained asset account to be in force in  
9 accordance with its terms.

10 C. To the extent permitted by law, an insurer may disclose  
11 minimum necessary personal information about a person or beneficiary  
12 to a person who the insurer reasonably believes may be able to  
13 assist the insurer in locating the beneficiary or a person otherwise  
14 entitled to payment of the claims proceeds.

15 D. An insurer or its service provider shall not charge any  
16 beneficiary or other authorized representative any fees or costs  
17 associated with a Death Master File search or verification of a  
18 Death Master File match conducted pursuant to this section.

19 E. The benefits from a policy, annuity or retained asset  
20 account, plus any applicable accrued contractual interest, shall  
21 first be payable to the designated beneficiaries or owners and, in  
22 the event said beneficiaries or owners cannot be found, shall  
23 escheat to the state as unclaimed property as provided in the  
24 Uniform Unclaimed Property Act contained in Sections 651 through 688

1 of Title 60 of the Oklahoma Statutes. Interest payable under  
2 Section 4030.1 of Title 36 of the Oklahoma Statutes shall not be  
3 payable as unclaimed property under Section 653 of Title 60 of the  
4 Oklahoma Statutes.

5 F. This act requires the complete and proper disclosure,  
6 transparency and accountability relating to any method of payment  
7 for life insurance policies, annuities and retained assets regulated  
8 by the Insurance Department for those currently in force and those  
9 issued and delivered on or after January 1, 2016. This act shall  
10 not restrict the state or its agent from assisting the insurer in  
11 locating beneficiaries or persons otherwise entitled to payment of  
12 claim proceeds for policies issued and delivered before January 1,  
13 2016, as provided in the Uniform Unclaimed Property Act.

14 G. The Insurance Commissioner may adopt such rules and  
15 regulations as may be reasonably necessary to implement the  
16 provisions of this section.

17 H. The Insurance Commissioner may in his or her reasonable  
18 discretion, after compliance with the Oklahoma Administrative  
19 Procedures Act, make an order:

20 1. Limiting an insurer's Death Master File comparisons required  
21 under subsection A of this section to the insurer's electronic  
22 searchable files or approving a plan and timeline for conversion of  
23 the insurer's files to electronic searchable files; and  
24

1           2. Phasing-in compliance with this section according to a plan  
2 and timeline approved by the Commissioner.

3           I. Failure to meet any requirement of this section with such  
4 frequency as to constitute a general business practice which forms a  
5 pattern is a violation of the Unfair Practices and Frauds Act.  
6 Nothing herein shall be construed to create or imply a private cause  
7 of action for a violation of this section.

8           SECTION 5.           NEW LAW           A new section of law to be codified  
9 in the Oklahoma Statutes as Section 4039.4 of Title 36, unless there  
10 is created a duplication in numbering, reads as follows:

11           In the event that an insurer:

12           1. Has identified a person as deceased through a Death Master  
13 File match through a search described in subsection A of Section 4  
14 of this act or other information source;

15           2. Has validated such information through a secondary  
16 information source; and

17           3. Is unable to locate a beneficiary located in Oklahoma under  
18 the policy, annuity or retained asset account after conducting  
19 reasonable search efforts during the period of up to one (1) year  
20 after the insurer's validation of the Death Master File match or, if  
21 no beneficiary, if the person, as applicable for unclaimed reporting  
22 purposes, has a last-known address in this state, then the insurer  
23 is authorized to report and remit the proceeds of such policy,  
24 annuity or retained asset account due to the State of Oklahoma on an

1 early reporting basis, without further notice or consent by the  
2 State of Oklahoma, after attempting to contact such beneficiary  
3 pursuant to subsection B of Section 4 of this act. Once reported  
4 and proceeds remitted, the insurer shall be relieved and indemnified  
5 from any and all additional liability to any person relating to the  
6 proceeds reported and remitted, including, but not limited to, any  
7 liability under Section 664 of Title 60 of the Oklahoma Statutes for  
8 all proceeds reported and remitted to the State of Oklahoma pursuant  
9 to this section. This indemnification from liability shall be in  
10 addition to any other protections provided by law.
