SUBJECT: Pension bill

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 11 O.S. 2011, Section 50-111.4, is amended to read as follows:

Section 50-111.4. A. The ~~State~~ Oklahoma Police Pension and Retirement Board shall adopt rules for computation of the purchase price for transferred credited service. These rules shall base the purchase price for each year purchased on the actuarial cost of the incremental projected benefits to be purchased. The purchase price shall represent the present value of the incremental projected benefits discounted according to the member's age at the time of purchase. Incremental projected benefits shall be the difference between the projected benefit ~~said~~ the member would receive without purchasing the transferred credited service and the projected benefit after purchase of the transferred credited service computed

as of the earliest age at which the member would be able to retire. ~~Said~~ The computation shall assume an unreduced benefit and be computed using interest and mortality assumptions consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation.

B. In the event that the member is unable to pay the purchase price provided for in this section by the due date, the ~~State~~ Oklahoma Police Pension and Retirement Board shall permit the members to amortize the purchase price over a period not to exceed sixty (60) months. ~~Said payments~~ Payments shall be made by payroll deductions unless the ~~State~~ Oklahoma Police Pension and Retirement Board permits an alternate payment source. The amortization shall include interest in an amount not to exceed the actuarially assumed interest rate adopted by the ~~State~~ Oklahoma Police Pension and Retirement Board for investment earnings each year. Any member who ceases to make payment, terminates, retires or dies before completing the payments provided for in this section shall receive prorated service credit for only those payments made, unless the unpaid balance is paid by ~~said~~ the member, his or her estate or successor in interest within six (6) months after ~~said~~ the member's death, termination of employment or retirement, provided no retirement benefits shall be payable until the unpaid balance is paid, unless ~~said~~ the member or beneficiary affirmatively waives the additional six-month period in which to pay the unpaid balance. Notwithstanding anything herein to the contrary, lump-sum payments for a transferred credited service purchase may be made by a trustee-to-trustee transfer from a Code Section 403(b) annuity or custodial account, an eligible deferred compensation plan described in Code Section 457(b) which is maintained by an eligible employer described in Code Section 457(e) (1) (A), and/or a Code Section 401(a) qualified plan; or a direct rollover of tax-deferred funds from a Code Section 403(b) annuity or custodial account, an eligible deferred compensation plan described in Code Section 457(b) which is maintained by an eligible employer described in Code Section 457(e) (1) (A), a Code Section 401(a) qualified plan, and/or a Code Section 408(a) or 408(b) traditional or conduit Individual Retirement Account or Annuity (IRA). The Oklahoma Police Pension and Retirement Board shall develop such procedures and may require such information from the distributing plan as it deems necessary to reasonably conclude that a potential rollover contribution is a valid rollover contribution under Section 1.401(a) (31)-1, Q&A-

14(b)(2), of the Income Tax Regulations. Roth IRAs and Coverdell Education Savings Accounts shall not be used to purchase transferred credited service. A member making installment payments shall have the option of making a cash lump-sum payment for the balance of the actuarial purchase price with interest due through the date of payment by a trustee-to-trustee transfer from a Code Section 403(b) annuity or custodial account, an eligible deferred compensation plan described in Code Section 457(b) which is maintained by an eligible employer described in Code Section 457(e)(1)(A), and/or a Code Section 401(a) qualified plan; or a direct rollover of tax-deferred funds from a Code Section 403(b) annuity or custodial account, an eligible deferred compensation plan described in Code Section 457(b) which is maintained by an eligible employer described in Code Section 457(e)(1)(A), a Code Section 401(a) qualified plan, and/or a Code Section 408(a) or 408(b) traditional or conduit Individual Retirement Account or Annuity (IRA). Roth IRAs and Coverdell Education Savings Accounts shall not be used to purchase transferred credited service. The State Board shall promulgate such rules as are necessary to implement the provisions of this subsection.

SECTION 2. AMENDATORY 11 O.S. 2011, Section 50-114.2, as amended by Section 4, Chapter 53, O.S.L. 2012 (11 O.S. Supp. 2014, Section 50-114.2), is amended to read as follows:

Section 50-114.2. A. This section applies to distributions made on or after January 1, 2002. Notwithstanding any provision of the Oklahoma Police Pension and Retirement System to the contrary that would otherwise limit a Distributee's election hereunder, a Distributee, including a nonspouse designated beneficiary, to the extent permitted under paragraph 3 of subsection B of this section, may elect, at the time and in the manner prescribed by the ~~State~~ Oklahoma Police Pension and Retirement Board, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the Distributee in a Direct Rollover.

B. For purposes of this section, the following definitions shall apply:

1. "Eligible Rollover Distribution" means any distribution of all or any portion of the balance to the credit of the Distributee, except that an Eligible Rollover Distribution does not include: any distribution that is one of a series of substantially equal periodic

payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or life expectancies) of the Distributee and the Distributee's designated beneficiary, or for a specified period of ten (10) years or more; any distribution to the extent such distribution is required under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended; and the portion of any distribution that is not includable in gross income. A portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax member contributions which are not includable in gross income. However, such portion may be transferred only:

a. from January 1, 2002, through December 31, 2006:

- (1) to an individual retirement account or annuity described in Section 408(a) or (b) of the Internal Revenue Code of 1986, as amended, or
- (2) in a direct trustee-to-trustee transfer, to a qualified trust which is part of a defined contribution plan that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includable in gross income and the portion of such distribution which is not so includable, and

b. on or after January 1, 2007:

- (1) to an individual retirement account or annuity described in Section 408(a) or (b) of the Internal Revenue Code of 1986, as amended, or
- (2) in a direct trustee-to-trustee transfer, to a qualified trust or an annuity contract described in Section 403(b) of the Internal Revenue Code of 1986, as amended, and such trust or contract provides for separate accounting for amounts so transferred (and earnings thereon), including separately accounting for the portion of such distribution which is includable in gross income

and the portion of such distribution which is not so includable.

Effective for distributions after December 31, 2007, such after-tax portion may also be directly transferred to a Roth individual retirement account or annuity, described in Section 408A of the Internal Revenue Code of 1986, as amended (Roth IRA), subject to any limitations described in Section 408A(c) of the Internal Revenue Code of 1986, as amended.

Notwithstanding the foregoing, effective January 1, 2009, to the extent applicable, if all or a portion of a distribution from the Oklahoma Police Deferred Option Plan during 2009 is treated as an Eligible Rollover Distribution pursuant to Section 402(c)(4) of the Internal Revenue Code of 1986, as amended, but would not be so treated if the minimum distribution requirements under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, had applied during 2009, such distribution shall not be treated as an Eligible Rollover Distribution for purposes of Section 401(a)(31), Section 3405(c) or Section 402(f) of the Internal Revenue Code of 1986, as amended;

2. "Eligible Retirement Plan" means an individual retirement account described in Section 408(a) of the Internal Revenue Code of 1986, as amended, an individual retirement annuity described in Section 408(b) of the Internal Revenue Code of 1986, as amended, an annuity plan described in Section 403(a) of the Internal Revenue Code of 1986, as amended, or a qualified trust described in Section 401(a) of the Internal Revenue Code of 1986, as amended, that accepts the Distributee's Eligible Rollover Distribution. Effective January 1, 2002, an Eligible Retirement Plan shall also mean an annuity contract described in Section 403(b) of the Internal Revenue Code of 1986, as amended, and an eligible plan under Section 457(b) of the Internal Revenue Code of 1986, as amended, which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from the System. Effective for distributions after December 31, 2007, an Eligible Retirement Plan includes a Roth IRA, subject to any limitations under Section 408A(c) of the Internal Revenue Code of 1986, as amended;

3. "Distributee" means an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic order, as defined in subsection B of Section 50-124 of this title, are Distributees with regard to the interest of the spouse or the former spouse. Effective for distributions after December 31, 2006, a Distributee also includes the member's nonspouse designated beneficiary (and certain trusts described in Section 402(c)(11)(B) of the Internal Revenue Code of 1986, as amended), pursuant to Section 401(a)(9)(E) of the Internal Revenue Code of 1986, as amended, who may elect any portion of a payment to be made in a Direct Rollover only to a traditional individual retirement account or annuity (other than an endowment contract) described in Section 408(a) or (b) of the Internal Revenue Code of 1986, as amended, (IRA), or, effective for distributions after December 31, 2007, to a Roth IRA, that is established on behalf of such nonspouse designated beneficiary for the purpose of receiving the distribution and that will be treated as an inherited IRA pursuant to the provisions of Section 402(c)(11) of the Internal Revenue Code of 1986, as amended. Also, in this case, the determination of any required minimum distribution under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, that is ineligible for rollover shall be made in accordance with Notice 2007-7, Q&A 17 and 18, 2007-5 I.R.B. 395. The required minimum distribution rules of Section 401(a)(9)(B) (other than clause iv thereof) of the Internal Revenue Code of 1986, as amended, apply to the transferee IRA; and

4. "Direct Rollover" means a payment by the System to the Eligible Retirement Plan specified by the Distributee.

C. At least thirty (30) days before and, effective for years beginning after December 31, 2006, not more than one hundred eighty (180) days before the date of distribution, the Distributee (other than a nonspouse designated beneficiary prior to July 1, 2010) must be provided with a notice of rights which satisfies Section 402(f) of the Internal Revenue Code of 1986, as amended, as to rollover options and tax effects. Such distribution may commence less than thirty (30) days after the notice is given, provided that:

1. The State Oklahoma Police Pension and Retirement Board clearly informs the Distributee that the Distributee has a right to

a period of at least thirty (30) days after receiving the notice to consider the decision of whether or not to elect a distribution; and

2. The Distributee, after receiving the notice, affirmatively elects a distribution.

D. For distributions made after December 31, 2006, but prior to July 1, 2010, a distribution with respect to a nonspouse designated beneficiary shall be made in accordance with Notice 2007-7, Q&A 15, 2007-5 Internal Revenue Bulletin 395. Effective for plan years beginning after December 31, 2009, a distribution with respect to a nonspouse designated beneficiary shall be subject to Sections 401(a)(31), 402(f), and 3405(c) of the Internal Revenue Code of 1986, as amended.

E. Effective for distributions after December 31, 2014, for purposes of determining the portion of a disbursement of benefits from the System to a Distributee that is not includible in gross income under Section 72 of the Internal Revenue Code of 1986, as amended, the guidance under I.R.S. Notice 2014-54 shall be followed.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
