13	BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:
14	SECTION 1. AMENDATORY 62 O.S. 2011, Section 861, is
15	amended to read as follows:
16	Section 861. A. A project plan may contain a provision that
17	the increments from certain local taxes or fees may be used to
18	finance project costs in areas qualified under the Local Development
19	Act. The increment from local taxes or fees levied from and after
20	the effective date of the approval of such plan shall be apportioned
21	in the following manner for a period not to exceed twenty-five (25)
22	fiscal years thereafter or the period required for payment of
23	project costs, whichever is less; provided, however, that for any
24	increment district established after November 1, 1992, such time

1 period shall be tolled for a period of time equal to the pendency of 2 any litigation directly or indirectly challenging the increment 3 district or apportionment or disbursement:

That portion of the ad valorem taxes which are produced by 4 1. 5 the levy at the rate fixed each year by or for each such ad valorem taxing entity upon the base assessed value of the increment district 6 determined pursuant to Section 862 of this title and as to an area 7 later added to the increment district, the effective date of the 8 9 addition to the increment district, shall be paid to each taxing 10 entity and all or any portion of local sales taxes, other local 11 taxes or local fees collected each year which are not subject to 12 apportionment shall be paid or retained as otherwise provided by 13 law; and

14 2. All or any portion of:

- a. ad valorem taxes, in excess of such amount specified
 in paragraph 1 of this subsection,
- b. the increment of local sales taxes, other local taxes
 or local fees, or a combination thereof, paid to or
 for the benefit of the city, town, or county approving
 the plan, and
- c. with its consent, evidenced by agreement in writing,
 the increment of local sales tax, other local taxes or
 local fees, or combination thereof, payable to any
 other local public taxing entity,

1 shall be apportioned to, and when collected, shall be paid into an 2 apportionment fund established for the project pursuant to the 3 project plan. Such revenues shall be used for the payment of the project costs and for the payment of the principal of, the interest 4 5 on, and any premiums due in connection with the bonds of, loans, notes, or advances of money to, or indebtedness incurred to finance 6 project costs, whether funded, refunded, assumed, or otherwise, for 7 financing, in whole or in part, eligible project costs. For the 8 9 purposes of this section, "local sales tax" means amounts payable to 10 or for the benefit of a local governmental entity calculated as a 11 percentage of gross sales whether imposed by ordinance, resolution, 12 covenant, or agreement. Nothing shall prohibit the increments from being used to directly pay eligible project costs. When all 13 eligible project costs and such bonds, loans, advances of money or 14 indebtedness, if any, including interest thereon and any premiums 15 due in connection with them, have been paid and the governing body 16 adopts an ordinance or resolution dissolving the tax apportionment 17 financing, all ad valorem taxes upon the taxable property within the 18 boundary of such district shall be paid into the funds of the 19 respective taxing entities. 20

B. If a project plan contains a provision for apportionment as provided in subsection A of this section, and notwithstanding any other provision of law to the contrary, the governing body shall direct in the resolution or ordinance approving the plan which

portion of the increments, including whether any or all, to be paid into the apportionment fund shall constitute a part of the general fund to be appropriated annually by the governing body, and which portion, including whether any or all, shall constitute funds of a public entity authorized to issue tax apportionment bonds or notes or to incur project costs.

7 C. To the extent that collections exceed project costs and the 8 provisions for payment of principal and interest along with 9 sufficient reserves on any bonds issued pursuant to the provisions 10 of Section 863 of this title, the excess shall be paid into the 11 funds of the respective taxing entities unless the taxing entity 12 agrees to some other use of such collections.

Except as provided in subsection E of this section, for any 13 D. year in which taxes or fees are apportioned in the manner specified 14 in paragraph 2 of subsection A of this section, any increase in 15 assessed valuation of taxable real property or taxable personal 16 property within the boundaries of such district in excess of the 17 base assessed value shall not be considered by any taxing entity in 18 computing any debt limitation or for any other purpose except for 19 the levy of taxes and in determining the amount to be apportioned. 20

E. In the event there is a change in the assessment ratio for ad valorem tax property valuations of property within the boundaries of an increment district, the portions of valuations for assessment

pursuant to paragraphs 1 and 2 of subsection A of this section shall
 be proportionately adjusted in accordance with such reassessment.

F. Nothing in this section shall be construed as relieving property in such project area from being assessed as provided in the Ad Valorem Tax Code of the Oklahoma Statutes, or as relieving owners of such property from paying a uniform rate of taxes, as required by Section 5 of Article X of the Oklahoma Constitution.

Subject to constitutional exemptions, if property in an 8 G. 9 increment district is owned by a public entity and is leased to or 10 operated for a private use, including, without limitation, use by a 11 not-for-profit corporation or trust, the portion of the property so 12 leased or operated shall be assessed by the county assessor as if such portion of the property were taxable, and, during the term of 13 the increment district, the public entity owning such property shall 14 pay or require the user thereof to pay ad valorem taxes or an in 15 lieu ad valorem tax payment in an amount not less than the amount 16 that would have resulted if taxes had otherwise been levied on such 17 portion of the property. If property subject to ad valorem tax in 18 an increment district is acquired by a private not-for-profit 19 corporation or public or private trust, it shall continue to be 20 assessed and subject to ad valorem taxes or an in lieu ad valorem 21 payment by the user thereof until termination of the increment 22 district unless and only to the extent of the portion of the 23 property and the use thereof that is: 24

Entitled to claim a constitutional exemption notwithstanding 4 statutory provisions. 5 During the period of an increment district, such nonexempt uses and interests are severable for purposes of ad valorem and in lieu of ad 6 7 valorem assessment and payments, notwithstanding any statutory provisions to the contrary. 8 9 The Oklahoma Tax Commission shall, in collaboration with the н. 10 State Department of Education, State Board of Career and Technology 11 Education and the Oklahoma Department of Commerce, create and 12 publish a report by March 31 of each year documenting the amount of 13 increments of local taxes and fees apportioned pursuant to the provisions of this section in the previous calendar year.
