6 AS INTRODUCED

7 An Act relating to insurance data security; creating
8 the Insurance Data Security Act; providing short
9 title; establishing act jurisdiction; construing
10 provision; defining terms; requiring licensees to
11 develop data security program with certain
12 inclusions; establishing intent of security programs
13 created pursuant to act; directing licensee to
14 conduct risk assessment; directing licensee to take
15 certain action following risk assessment result;
16 requiring certain supervising boards to take certain
17 actions to implement program; requiring licensee to
18 contract with third-party service provider subject to
19 certain conditions; requiring licensee to maintain
20 updates and revisions to program; requiring licensee
21 develop incident response plan; requiring certain
22 reports be submitted to the Insurance Commissioner;
23 requiring insurer to maintain certain records for
24 specific time period; requiring investigation after
certain cybersecurity event; establishing
investigation process; requiring notification of
certain event to the Commissioner; requiring
compliance with certain state laws; providing for
certain exemption; providing for the Commissioner to
investigate certain licensees for certain violations;
providing for confidentiality of certain information
relating to cybersecurity event; allowing
Commissioner to share certain data with national
association; construing provision; providing for rule
promulgation; providing certain exceptions to act;
establishing penalties; amending 51 O.S. 2021,
Section 24A.3, as last amended by Section 1, Chapter
402, O.S.L. 2022 (51 O.S. Supp. 2022, Section 24A.3),
which relates to the Oklahoma Open Records Act;

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 670 of Title 36, unless there is created a duplication in numbering, reads as follows:

This act shall be known and may be cited as the "Insurance Data Security Act".

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 671 of Title 36, unless there is created a duplication in numbering, reads as follows:

A. Notwithstanding any other provision of law, the provisions of this act shall be the exclusive state law for licensees subject to the jurisdiction of the Insurance Commissioner for data security, the investigation of a cybersecurity event, and notification to the Commissioner.

B. This act shall not be construed to create or imply a private cause of action for violations of its provisions.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 672 of Title 36, unless there is created a duplication in numbering, reads as follows:

As used in this act:

1. "Authorized individual" means an individual known to and screened by the licensee and determined to be necessary and

1 appropriate to have access to the nonpublic information held by the
2 licensee and its information systems;

3 2. "Commissioner" means the Insurance Commissioner;

4 3. "Consumer" means an individual, including but not limited to
5 applicants, policyholders, insureds, beneficiaries, claimants, and
6 certificate holders, who is a resident of this state and whose
7 nonpublic information is in the possession, custody, or control of a
8 licensee;

9 4. "Cybersecurity event" means an event resulting in
10 unauthorized access to or disruption or misuse of an information
11 system or nonpublic information stored on the information system;

12 5. "Department" means the Insurance Department;

13 6. "Encrypted" means the transformation of data into a form
14 which results in a low probability of assigning meaning without the
15 use of a protective process or key;

16 7. "Information security program" means the administrative,
17 technical, and physical safeguards that a licensee uses to access,
18 collect, distribute, process, protect, store, use, transmit, dispose
19 of, or otherwise handle nonpublic information;

20 8. "Information system" means a discrete set of electronic
21 information resources organized for the collection, processing,
22 maintenance, use, sharing, dissemination or disposition of nonpublic
23 information, as well as any specialized system such as industrial or
24

1 process controls systems, telephone switching and private branch
2 exchange systems, and environmental control systems;

3 9. "Licensee" means any person licensed, authorized to operate
4 or registered, or required to be licensed, authorized or registered
5 pursuant to Title 36 of the Oklahoma Statutes; provided, however,
6 that it shall not include a purchasing group or a risk retention
7 group chartered and licensed in a state other than this state or a
8 person that is acting as an assuming insurer that is domiciled in
9 another state or jurisdiction;

10 10. "Multi-factor authentication" means authentication through
11 verification of at least two (2) of the following types of
12 authentication factors:

- 13 a. knowledge factors, such as a password,
- 14 b. possession factors, such as a token or text message on
15 a mobile phone, or
- 16 c. inherence factors, such as a biometric characteristic;

17 11. "Non-public information" means electronic information that
18 is not publicly available and is:

- 19 a. business related information of a licensee, of which
20 the tampering with or unauthorized disclosure, access,
21 or use of would cause a material adverse impact to the
22 business, operations, or security of the licensee,
- 23 b. any information concerning a consumer that, because of
24 name, number, personal mark, or other identifier, can
25

1 be used to identify him or her, in combination with
2 any one or more of the following data elements:

- 3 (1) social security number,
- 4 (2) driver license number or nondriver identification
5 card number,
- 6 (3) financial account number, credit, or debit card
7 number,
- 8 (4) any security code, access code, or password that
9 would permit access to a consumer's financial
10 account, or
- 11 (5) biometric records, and

12 c. any information or data, except age or gender, in any
13 form or medium created by or derived from a health
14 care provider or a consumer that can be used to
15 identify a particular consumer and that relates to:

- 16 (1) the past, present, or future physical, mental, or
17 behavioral health or condition of any consumer or
18 a member of the family of the consumer,
- 19 (2) the provision of health care to any consumer, or
- 20 (3) payment for the provision of health care to any
21 consumer;

22 12. "Person" means any individual or any nongovernmental
23 entity including but not limited to any nongovernmental
24 partnership, corporation, branch, agency, or association;

1 13. "Publicly available information" means any information that
2 a licensee has reasonable basis to believe is lawfully made
3 available to the general public from federal, state, or local
4 government records, widely distributed media, or disclosures to the
5 general public that are required to be made by federal, state, or
6 local law. For the purposes of this definition, a licensee has a
7 reasonable basis to believe that information is lawfully made
8 available to the general public if the licensee has taken steps to
9 determine:

- 10 a. that the information is of the type that is available
11 to the general public, and
12 b. whether a consumer can direct that the information not
13 be made available to the general public and, if so,
14 that such consumer has not done so; and

15 14. "Third-party service provider" means a person, not
16 otherwise defined as a licensee, that contracts with a licensee to
17 maintain, process, store, or otherwise is permitted access to
18 nonpublic information through its provision of services to the
19 licensee.

20 SECTION 4. NEW LAW A new section of law to be codified
21 in the Oklahoma Statutes as Section 673 of Title 36, unless there is
22 created a duplication in numbering, reads as follows:

23 A. Each licensee in this state shall develop, implement, and
24 maintain a comprehensive written information security program based
25

1 on the risk assessment of the licensee provided for in this act and
2 that contains administrative, technical, and physical safeguards for
3 the protection of nonpublic information and the information systems
4 of the licensee. The program shall be commensurate with the size and
5 complexity of the licensee, the nature and scope of the activities
6 of the licensee, including its use of third-party service providers,
7 and the sensitivity of the nonpublic information used by the
8 licensee or in the possession, custody, or control of the licensee.

9 B. An information security program of a licensee shall be
10 designed to:

11 1. Protect the security and confidentiality of nonpublic
12 information and the security of the information systems;

13 2. Protect against any threats or hazards to the security or
14 integrity of nonpublic information and the information systems;

15 3. Protect against unauthorized access to or use of nonpublic
16 information, and minimize the likelihood of harm to any consumer;

17 and

18 4. Define and periodically reevaluate a schedule for retention
19 of nonpublic information and a mechanism for its destruction when no
20 longer needed.

21 C. The licensee shall:

22 1. Designate one or more employees, an affiliate, or an outside
23 vendor designated to act on behalf of the licensee who is
24 responsible for the information security program;

1 2. Identify reasonably foreseeable internal or external threats
2 that could result in unauthorized access, transmission, disclosure,
3 misuse, alteration, or destruction of nonpublic information including
4 the security of information systems and nonpublic information that
5 are accessible to, or held by, third-party service providers;

6 3. Assess the likelihood and potential damage of these threats,
7 taking into consideration the sensitivity of the nonpublic
8 information;

9 4. Assess the sufficiency of policies, procedures, information
10 systems, and other safeguards in place to manage these threats,
11 including consideration of threats in each relevant area of the
12 operations of the licensee, including:

- 13 a. employee training and management,
- 14 b. information systems, including network and software
15 design, as well as information classification,
16 governance, processing, storage, transmission, and
17 disposal, and
- 18 c. detecting, preventing, and responding to attacks,
19 intrusions, or other systems failures; and

20 5. Implement information safeguards to manage the threats
21 identified in its ongoing assessment, and no less than annually,
22 assess the effectiveness of the key controls, systems, and
23 procedures of the safeguards.

1 D. Based on the results of the risk assessment, the licensee
2 shall:

3 1. Design its information security program to mitigate the
4 identified risks, commensurate with the size and complexity of the
5 licensee, the nature and scope of the activities of the licensee
6 including its use of third-party service providers, and the
7 sensitivity of the nonpublic information used by the licensee or in
8 the possession, custody, or control of the licensee;

9 2. Determine and implement security measures deemed
10 appropriate, including:

- 11 a. place access controls on information systems
12 including controls to authenticate and permit access
13 only to authorized individuals to protect against the
14 unauthorized acquisition of nonpublic information,
- 15 b. identify and manage the data, personnel, devices,
16 systems, and facilities that enable the organization
17 to achieve business purposes in accordance with their
18 relative importance to business objectives and the
19 risk strategy of the organization,
- 20 c. restrict physical access to nonpublic information to
21 authorized individuals only,
- 22 d. protect by encryption or other appropriate means, all
23 nonpublic information while being transmitted over an
24 external network and all nonpublic information stored

- 1 on a laptop computer or other portable computing or
2 storage device or media,
- 3 e. adopt secure development practices for in-house
4 developed applications utilized by the licensee,
- 5 f. modify the information system in accordance with the
6 information security program of the licensee,
- 7 g. utilize effective controls, which may include multi-
8 factor authentication procedures for any authorized
9 individual accessing nonpublic information,
- 10 h. regularly test and monitor systems and procedures to
11 detect actual and attempted attacks on, or intrusions
12 into, information systems,
- 13 i. include audit trails within the information security
14 program designed to detect and respond to
15 cybersecurity events and designed to reconstruct
16 material financial transactions sufficient to support
17 normal operations and obligations of the licensee,
- 18 j. implement measures to protect against destruction,
19 loss, or damage of nonpublic information due to
20 environmental hazards such as fire and water damage or
21 other catastrophic events or technological failures,
22 and
- 23 k. develop, implement and maintain procedures for the
24 secure disposal of nonpublic information in any format;

1 3. Include cybersecurity risks in the enterprise risk management
2 process of the licensee;

3 4. Stay informed regarding emerging threats or vulnerabilities
4 and utilize reasonable security measures when sharing information
5 relative to the character of the sharing and the type of information
6 shared; and

7 5. Provide its personnel with cybersecurity awareness training
8 that is updated as necessary to reflect risks identified by the
9 licensee in the risk assessment.

10 E. If the licensee has a board of directors, the board or an
11 appropriate committee of the board, at a minimum, within one year of
12 the effective date of this act, shall:

13 1. Require the executive management of the licensee or its
14 delegates to develop, implement, and maintain the information
15 security program of the licensee;

16 2. Require the executive management of the licensee or its
17 delegates to report to the Insurance Commissioner in writing, at
18 least annually, the following information:

19 a. the overall status of the information security program
20 and the compliance of the licensee with this act, and

21 b. material matters related to the information security
22 program, addressing issues such as risk assessment,
23 risk management and control decisions, third-party
24 service provider arrangements, results of testing,

1 cybersecurity events or violations and responses of
2 the management to those events or violations, and
3 recommendations for changes in the information
4 security program; and

5 3. If executive management delegates any of its
6 responsibilities, it shall oversee the development, implementation,
7 and maintenance of the information security program of the licensee
8 prepared by the delegate or delegates and shall receive a report
9 from the delegate or delegates complying with the requirements of
10 the report to the board.

11 F. A licensee shall exercise due diligence in selecting its
12 third-party service provider and shall require the provider to
13 implement appropriate administrative, technical, and physical
14 measures to protect and secure the information systems and nonpublic
15 information that are accessible to, or held by, the third-party
16 service provider.

17 G. The licensee shall monitor, evaluate, and adjust, as
18 appropriate, the information security program consistent with any
19 relevant changes in technology, the sensitivity of its nonpublic
20 information, internal or external threats to information and the
21 changing business arrangements of the licensee, such as mergers and
22 acquisitions, alliances and joint ventures, outsourcing
23 arrangements, and changes to information systems.

1 H. As part of its information security program, each licensee
2 shall establish a written incident response plan designed to
3 promptly respond to, and recover from, any cybersecurity event that
4 compromises the confidentiality, integrity, or availability of
5 nonpublic information in its possession, the information systems of
6 the licensee, or the continuing functionality of any aspect of the
7 business or operations of the licensee.

8 The incident response plan shall address the following areas:

- 9 1. The internal process for responding to a cybersecurity
10 event;
- 11 2. The goals of the incident response plan;
- 12 3. The definition of clear roles, responsibilities, and levels
13 of decision-making authority;
- 14 4. External and internal communications and information
15 sharing;
- 16 5. Identification of requirements for the remediation of any
17 identified weaknesses in information systems and associated
18 controls;
- 19 6. Documentation and reporting regarding cybersecurity events
20 and related incident response activities; and
- 21 7. The evaluation and revision as necessary of the incident
22 response plan following a cybersecurity event.

23 I. Annually, each insurer domiciled in this state shall submit
24 to the Commissioner a written statement by March 1, certifying that

1 the insurer complies with the requirements set forth in this section.
2 Each insurer shall maintain, for examination by the Insurance
3 Department, all records, schedules, and data supporting this
4 certificate for a period of five (5) years. To the extent an
5 insurer has identified areas, systems, or processes that require
6 material improvement, updating, or redesign, the insurer shall
7 document the identification and the remedial efforts planned and
8 underway to address such areas, systems, or processes. The
9 documentation shall be available for inspection by the Commissioner
10 upon request.

11 SECTION 5. NEW LAW A new section of law to be codified
12 in the Oklahoma Statutes as Section 674 of Title 36, unless there is
13 created a duplication in numbering, reads as follows:

14 A. If the licensee learns that a cybersecurity event has or
15 may have occurred, the licensee, or an outside vendor or service
16 provider designated to act on behalf of the licensee, shall conduct
17 a prompt investigation.

18 B. During the investigation, the licensee, or an outside vendor
19 or service provider designated to act on behalf of the licensee,
20 shall, at a minimum:

- 21 1. Determine whether a cybersecurity event has occurred;
- 22 2. Assess the nature and scope of the cybersecurity event;
- 23 3. Identify any nonpublic information that may have been
24 involved in the cybersecurity event; and

1 4. Perform or oversee reasonable measures to restore the
2 security of the information systems compromised in the cybersecurity
3 event in order to prevent further unauthorized acquisition, release
4 or use of nonpublic information in the possession, custody, or
5 control of the licensee.

6 C. If the licensee learns that a cybersecurity event has or may
7 have occurred in a system maintained by a third-party service
8 provider, the licensee shall complete the steps listed in subsection
9 B of this section or confirm and document that the third-party
10 service provider has completed those steps.

11 D. The licensee shall maintain records concerning all
12 cybersecurity events for a period of at least five (5) years from
13 the date of the cybersecurity event and shall produce those records
14 upon request by the Insurance Commissioner.

15 SECTION 6. NEW LAW A new section of law to be codified
16 in the Oklahoma Statutes as Section 675 of Title 36, unless there is
17 created a duplication in numbering, reads as follows:

18 A. Every licensee shall notify the Insurance Commissioner
19 without unreasonable delay, but not later than three business days,
20 from a determination that a cybersecurity event involving nonpublic
21 information that is in the possession of a licensee has occurred
22 when either of the following criteria has been met:

23 1. This state is the state of domicile of the licensee, in the
24 case of an insurer, or this state is the home state of the licensee,

1 in the case of a producer, as those terms are defined in the
2 Oklahoma Producer Licensing Act, Sections 1435.1 through 1435.41 of
3 Title 36 of the Oklahoma Statutes, and the cybersecurity event has a
4 reasonable likelihood of materially harming any material part of the
5 normal operations of the licensee or any consumer residing in this
6 state; or

7 2. The licensee reasonably believes that the nonpublic
8 information involved is of two hundred fifty (250) or more consumers
9 residing in this state and is either of the following:

10 a. a cybersecurity event impacting the licensee of which
11 notice is required to be provided to any government
12 body, self-regulatory agency, or any other supervisory
13 body pursuant to any state or federal law, or

14 b. a cybersecurity event that has a reasonable likelihood
15 of materially harming:

16 (1) any consumer residing in this state, or

17 (2) any material part of the normal operation or
18 operations of the licensee.

19 B. The licensee making the notification required in subsection
20 A of this section shall provide as much of the following information
21 as possible, electronically in the manner and form prescribed by the
22 Commissioner, along with any applicable fees. The licensee shall
23 have a continuing obligation to update and supplement initial and
24 subsequent notifications to the Commissioner regarding material

1 changes to previously provided information relating to the
2 cybersecurity event. The licensee shall provide:

3 1. Date of the cybersecurity event;

4 2. Description of how the information was exposed, lost,
5 stolen, or breached including the specific roles and
6 responsibilities of third-party service providers, if any;

7 3. How the cybersecurity event was discovered;

8 4. Whether any lost, stolen, or breached information has been
9 recovered and, if so, how this was done;

10 5. The identity of the source of the cybersecurity event;

11 6. Whether the licensee has filed a police report or has
12 notified any regulatory, government, or law enforcement agencies
13 and, if so, when such notification was provided;

14 7. Description of the specific types of information acquired
15 without authorization. The term "specific types of information"
16 means particular data elements including, but not limited to, types
17 of medical information, financial information, or information
18 allowing identification of the consumer;

19 8. The period during which the information system was
20 compromised by the cybersecurity event;

21 9. The number of total consumers in this state affected by the
22 cybersecurity event. The licensee shall provide the best estimate
23 in the initial report to the Commissioner and update this estimate
24

1 with each subsequent report to the Commissioner pursuant to this
2 section;

3 10. The results of any internal review identifying a lapse in
4 either automated controls or internal procedures, or confirming that
5 all automated controls or internal procedures were followed;

6 11. Description of efforts being undertaken to remediate the
7 situation which permitted the cybersecurity event to occur;

8 12. A copy of the privacy policy of the licensee and a
9 statement outlining the steps the licensee will take to investigate
10 and notify consumers affected by the cybersecurity event; and

11 13. Name of a contact person who is both familiar with the
12 cybersecurity event and authorized to act for the licensee.

13 C. A licensee shall comply with the procedures of the Security
14 Breach Notification Act, Section 161 et seq. of Title 24 of the
15 Oklahoma Statutes, to notify affected consumers and provide a copy
16 of the notice sent to consumers under that statute to the
17 Commissioner, when a licensee is required to notify the Commissioner
18 under subsection A of this section.

19 D. 1. In the case of a cybersecurity event in a system
20 maintained by a third-party service provider, of which the licensee
21 has become aware, the licensee shall treat the event as it would
22 under subsection A of this section unless the third-party service
23 provider provides the notice required under subsection A of this
24 section to the Commissioner and the licensee.

1 2. The computation of deadlines of the licensee shall begin on
2 the day after the third-party service provider notifies the licensee
3 of the cybersecurity event or the licensee otherwise has actual
4 knowledge of the cybersecurity event, whichever is sooner.

5 3. Nothing in this act shall prevent or abrogate an agreement
6 between a licensee and another licensee, a third-party service
7 provider, or any other party to fulfill any of the investigation
8 requirements impose or notice requirements imposed under this act.

9 E. 1. In the case of a cybersecurity event involving nonpublic
10 information that is used by the licensee that is acting as an
11 assuming insurer, or in the possession, custody, or control of a
12 licensee, that is acting as an assuming insurer and that does not
13 have a direct contractual relationship with the affected consumers,
14 the assuming insurer shall notify its affected ceding insurers and
15 the Commissioner of its state of domicile within three (3) business
16 days of making the determination that a cybersecurity event has
17 occurred. The ceding insurers that have a direct contractual
18 relationship with affected consumers shall fulfill the consumer
19 notification requirements imposed under the Security Breach
20 Notification Act, Section 161 et seq. of Title 24 of the Oklahoma
21 Statutes, and any other notification requirements relating to a
22 cybersecurity event imposed under this section.

23 2. In the case of a cybersecurity event involving nonpublic
24 information that is in the possession, custody, or control of a
25

1 third-party service provider of a licensee that is an assuming
2 insurer, the assuming insurer shall notify its affected ceding
3 insurers and the Commissioner of its state of domicile within three
4 (3) business days of receiving notice from its third-party service
5 provider that a cybersecurity event has occurred. The ceding
6 insurers that have a direct contractual relationship with affected
7 consumers shall fulfill the consumer notification requirements
8 imposed under Security Breach Notification Act, Section 161 et seq.
9 of Title 24 of the Oklahoma Statutes, and any other notification
10 requirements relating to a cybersecurity event imposed under this
11 section.

12 F. In the case of a cybersecurity event involving nonpublic
13 information that is in the possession, custody, or control of a
14 licensee that is an insurer or its third-party service provider for
15 which a consumer accessed the services of the insurer through an
16 independent insurance producer, and for which consumer notice is
17 required by this act or the Security Breach Notification Act,
18 Section 161 et seq. of Title 24 of the Oklahoma Statutes, the
19 insurer shall notify the producers of record of all affected
20 consumers of the cybersecurity event no later than the time at which
21 notice is provided to the affected consumers. The insurer is
22 excused from this obligation for any producers who are not
23 authorized by law or contract to sell, solicit, or negotiate on
24 behalf of the insurer, and in those instances in which the insurer

1 does not have the current producer of record information for an
2 individual consumer. Any licensee acting as an assuming insurer
3 shall have no other notice obligations relating to a cybersecurity
4 event or other data breach under this section or any other law of
5 this state.

6 SECTION 7. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 676 of Title 36, unless there is
8 created a duplication in numbering, reads as follows:

9 A. The Insurance Commissioner shall have power to examine and
10 investigate the affairs of any licensee to determine whether the
11 licensee has been or is engaged in any conduct in violation of the
12 provisions of this act or any rules promulgated thereto. This power
13 is in addition to the powers which the Commissioner has under
14 applicable provisions of the Insurance Code including, but not
15 limited to, Sections 309.1 through 309.6, 332, and 1250.4 of Title
16 36 of the Oklahoma Statutes.

17 B. Whenever the Commissioner has reason to believe that a
18 licensee has been or is engaged in conduct in this state that
19 violates any provision of this act, the Commissioner may take action
20 that is necessary or appropriate to enforce the provisions.

21 SECTION 8. NEW LAW A new section of law to be codified
22 in the Oklahoma Statutes as Section 677 of Title 36, unless there is
23 created a duplication in numbering, reads as follows:

1 A. Any documents, materials, or other information in the
2 control or possession of the Insurance Department that are furnished
3 by a licensee or an employee or agent thereof acting on behalf of a
4 licensee pursuant to the provisions of Section 4 and Section 6 of
5 this act or that are obtained by the Insurance Commissioner in an
6 investigation or examination pursuant to Section 7 of this act shall
7 be confidential by law and privileged, shall not be subject to the
8 Oklahoma Open Records Act, shall not be subject to subpoena, and
9 shall not be subject to discovery or admissible in evidence in any
10 private civil action. However, the Commissioner is authorized to
11 use the documents, materials, or other information in the
12 furtherance of any regulatory or legal action brought as a part of
13 the Commissioner's duties. The Commissioner shall not otherwise
14 make the documents, materials, or other information public without
15 the prior written consent of the licensee.

16 B. Neither the Commissioner nor any person who received
17 documents, materials, or other information while acting under the
18 authority of the Commissioner shall be permitted or required to
19 testify in any private civil action concerning any confidential
20 documents, materials, or information subject to subsection A of this
21 section.

22 C. In order to assist in the performance of the duties of the
23 Commissioner under this act, the Commissioner:
24
25

1 1. May share documents, materials, or other information
2 including the confidential and privileged documents, materials, or
3 information subject to subsection A of this section, with other
4 state, federal, and international regulatory agencies, with the
5 National Association of Insurance Commissioners and its affiliates
6 or subsidiaries and with state, federal, and international law
7 enforcement authorities; provided, that the recipient agrees in
8 writing to maintain the confidentiality and privileged status of the
